Requirements for Electronic Passport

For new e-Passport or conversion of MRP to e-Passport

Any Bangladeshi citizen residing in Sweden, Norway and Finland with **Bangladeshi Digital Birth Certificate or NID** can apply at the Embassy of Bangladesh in Sweden for a new e-Passport. The applicant is advised to apply for a passport at least eight (08) months prior to the expiry date of the current passport, at their discretion.

Very Important: Please note that applicant aged 6 or over must be present in-person at the Embassy for biometric enrollment. Applicant aged below 6 does not require biometric enrollment.

Documents required for e-Passport:

1. Printed copy of first page of the filled-in online application form (with barcode). To fill out the application, please visit: **www.epassport.gov.bd**
2. A printed copy of your online appointment confirmation to provide biometric data (fingerprint, photo, iris recognition).
3. Original Bangladeshi Passport (MRP or hand-written) and 01(one) set photocopy of the information page/pages. (Applicants with Bangladeshi passport). For lost passport, a police report is required.
4. Photocopy of applicant's National ID Card **or** Digital Birth Certificate (English version). [Only original copy or scanned copy accepted].
5. Photocopy of applicant's resident permit or foreign passport.
6. Photocopy of valid university student ID card and copy of current registration paper (The discount is applicable to **undergraduate** and **post-graduate** students only).
7. Other relevant documents as per requirement (marriage certificate, divorce certificate, etc).
8. Bank payment receipt of application fee. (**Cash/Card is not accepted, Only offline Bank transfer)**
9. Recently taken 3R sized color photograph with white background (only applicable for the Applicants aged below 6).

Application Fees: Following are the application fees (Fees are nonrefundable)

e-Passport fees for General Applicants:

48 pages and 05 years validity: SEK 1100.00 (Applied for all Applicants)
