Ministry of Planning
Government of the People's Republic of Bangladesh

January 2016

PREFACE

A total of 1218 projects under 53 Ministries/Divisions are included in the ADP for the Financial Year 2015-16. These projects are being implemented throughout Bangladesh. This directory contains the names, academic disciplines, designation, joining date as PD, phone/mobile & fax no., E-mail addresses, office & residential addresses of Project Directors updated upto August 2015. The directory also contains the cumulative financial & physical progress (in %) of the projects upto August 2015. I hope it would be very helpful to all concerned. The directory also intended for preparing a 'Project Director's Pool' considering the efficient project implementation performance of the PDs for quick or timely project completion so that project director can be appointed from the pool in future.

I would like to extend my thanks to all the Ministries/Divisions/Agencies and officials concerned for helping in preparing and publishing this Directory.

21 January 2016

Md. Shahid Ullah Khandaker
Secretary

Evaluation Division (IMED)
