Repeated to Director (SA-1)

The Mission, as guided by the Ministry, organized *"Youth Fiesta – 2025"* at the National Institute of Technology (NIT), Tiruchirappalli, Tamil Nadu, India, as well as at the National Institute of Advanced Studies (NIAS), Bangalore. Mentionable, the South India (Jurisdiction of the Mission) doesn't host Bangladeshi community in a large number. However, the NIT, Tiruchirappalli hosts the largest number of Bangladeshi Students in Tamil Nadu. Therefore, the Mission decided to conduct the 1st *"Youth Fiesta"* @ NIT. The event essentially involved a stimulating discussion session with the NIT students from Bangladesh and faculty members followed by refreshments. Similarly, another program was staged at the National Institute of Advanced Studies (NIAS), Bangalore, which was essentially participated by the PhD scholars of that institute. NIAS was conceived and founded in 1988 by the late Mr. J. R. D. Tata, who sought to create an institution to conduct advanced multidisciplinary research. The Mission is pleased to share a glimpse of these events – some pictures, as well as relevant information according to the prescribed format as follows:
