The Embassy of Bangladesh arranged "Meet Bangladesh" program at INTERNATIONELLA ENGELSKA SKOLAN (IES), Solna.

The “Meet Bangladesh” program is part of the Embassy's initiatives to make Bangladesh, its history and culture better known to Swedish School children.

Firstly, the Ambassador of Bangladesh H.E. Mehdi Hasan gave a very short introduction about Bangladesh and Bangladesh-Sweden friendship. Then, the Counsellor of the Embassy Ms. Amreen Jahan gave a presentation on the life of the Bangladeshi children and their extra-curricular activities.

The children showed much enthusiasm, and curiosity - and were happy to know more about Bangladesh.

Finally, the children attended a workshop on CRAFTS OF BANGLADESH.

In the workshop, the children were delighted while painting beautiful Bangladeshi crafts!
