

ON 12 JUNE 2025, THE EMBASSY OF BANGLADESH, IN COLLABORATION WITH THE NORDIC FORUM OF BANGLADESHI ACADEMICIANS AND RESEARCHERS (NF-BAR), HOSTED A SEMINAR TITLED "SATELLITE INDUSTRY IN BANGLADESH: THE PRESENT AND THE FUTURE."

DR. IMADUR RAHMAN, CEO OF BANGLADESH SATELLITE COMPANY LIMITED, DELIVERED THE KEYNOTE ADDRESS, HIGHLIGHTING THE EVOLUTION OF THE SATELLITE SECTOR AND ITS GROWING ROLE IN SHAPING A SMARTER, MORE RESILIENT, AND INCLUSIVE BANGLADESH. BEYOND COMMUNICATION, SATELLITE TECHNOLOGY NOW SUPPORTS ENVIRONMENTAL MONITORING, AGRICULTURAL PLANNING, DISASTER FORECASTING, AND COASTAL SECURITY.
