**Subject:** Submission of an article for the “World Accreditation Day 2025” Souvenir

Dear Sir/Madam,

World Accreditation Day is globally observed on 9 June each year through the joint initiatives of the International Laboratory Accreditation Cooperation (ILAC) and the International Accreditation Forum (IAF) to raise awareness about the significance of accreditation among stakeholders. The Bangladesh Accreditation Board (BAB) has been celebrating this day in a befitting manner since 2011. The Government of Bangladesh has officially declared it a National Day in 2013.

This year, BAB plans to commemorate the day nationwide on a broader scale with a festive mood. The day's theme is “**Accreditation: Empowering Small and Medium Enterprises (SMEs).**” For further details, you may visit our official website: [www.bab.gov.bd](http://www.bab.gov.bd).

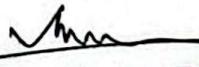

In this regard, BAB is pleased to announce the publication of a souvenir to mark the occasion. BAB cordially invites you to contribute an article (not exceeding 2,000 words) on the day's theme or any relevant topic highlighting the importance of accreditation in building a developed and technologically advanced country.

### Submission Guidelines:

- A soft copy of the article in **MS Word format** in Bangla or English may be sent via email to: [towhid@bab.gov.bd](mailto:towhid@bab.gov.bd)
- A scanned copy of a passport-sized photograph of the author must accompany the submission.
- Alternatively, a hard copy with a passport-sized photograph may be submitted to the BAB office.
- The last deadline for submission of the article is on or before **15 May 2025** in-office time.

We appreciate your cooperation and look forward to your valuable contribution.

Sincerely,

  
Md. Mahbubur Rahman  
Director (Technical Service)
