6. Experience in External quality assessment/External Peer Review of academic program (starting with the latest)

I performed the peer review of the LLB and BS Agriculture Program self-assessment at EXIM Bank Agricultural University. I also served as **Chairman of the Self-Assessment Committee** for three (three) programs: BBA, MBA, and EMBA at the same university.

7. Other experience that best illustrates your capability as QA professional (starting with the latest)

I supervised the credit rating task at **WASO Credit Rating Co. Ltd.** (a Bangladesh Securities and Exchange Commission and Bangladesh Bank licensed and certified Credit Rating Company) for over 3 years as a Senior Research Fellow. I supervised the task of awarding ratings to more than **200 entities/firms/business enterprises** following the **methodology (approved by Bangladesh Bank) with more than 100 variables**. I also had to check the level of compliance compared to the standard set by the Bangladesh Bank. To do that, I had to maintain the highest ethical standards and integrity. The working process will be quite similar here.

Moreover, my active role as the **Director of IQAC**, Head of the Curriculum Development Committee, and the Head of the Program Self Evaluation Committee has helped me to be confident in carrying out the novel task.
