

- 2.2 The translated draft would be technically reviewed and edited by the committee members constituted to ensure completeness, accuracy and adequate representation of all components.
- 2.3 The second and subsequent committee meetings held during October 2025 to April 2026 review the remaining sections. The last meeting was held on 19 April 2026 to finalize and approve the complete translation.
- 2.4 Soil and water quality determination parameter was fully incorporated in the English version and translated accordingly to ensure completeness and technical consistency.
- 2.5 In the 5<sup>th</sup> meeting, held on 19 April 2026, the Committee formally reviewed and approved the complete English version of the Bangladesh GAP Protocol: Mango and unanimously declared it final.

All members unanimously agreed to the above decisions. The Chair concluded the meeting with thanks to all members of the Committee for their valuable contributions to the translation of the Bangladesh GAP Protocol: Mango into English.
