Executive Summary on Revised Version **(Started from June, 2020)**

The current issue of 'Monthly Statistical Bulletin-Bangladesh' of Bangladesh Bureau of Statistics (BBS) is thoroughly revised to fulfill the needs of time. For this purpose a committee comprising of high officials of BBS headed by Deputy Director General was formed. Four working groups were also formed with concerned officials to support the committee. Each group was assigned with specific chapters to identify the probable areas of revision to recommend findings to the committee for final approval. Besides this, groups also put some observations. Several meetings were conducted. Based on these recommendations, observations, and suggestions major changes have been made in this publication are as follows:

- Chapters and all data tables have been uniformly presented throughout the whole publication with respect to way of presentation (font type, font size, bolding or un-bolding, header & footer, page numbering etc.)
- Tables that have not been updated for a long time have been updated (Table 4.7, 4.8, 4.12, 5.22, 6.7, 10.6, 10.7);
- Tables that contained indices of old base year have been removed (Table 2.5, to 2.9 & 3.6 to 3.8) and same data tables with current base year have been retained (table 2.5(A) to 2.9(A) & 3.6(A) to 3.8(A));
- Tables presenting same data repeatedly for a long time due to non-availability of updated data have been removed (table 2.10, 2.11). If updated data becomes available then these tables will be incorporated again;
- To make proper justification with the name and nature of the publication the tables that solely contain yearly data have been deleted. But GDP related yearly data tables in chapter-8 have been retained as quarterly figures may be available in recent future for these tables as BBS is planning to compile quarterly GDP. Again crop based agriculture related yearly data tables in chapter-4 also have been retained in current format with a view to present quarterly figures as crops have seasonality. Though yearly, the data tables 3.2, 7.6 & 7.7 have been retained due to recommendations from committee members.
- Table 12.1 in chapter-12 has been discarded from here and will be published in "Statistical Yearbook Bangladesh";
- Due to non-availability of proper data some tables also have been deleted (table 4.1, 5.5).
- Table 3.10 has been corrected and rearranged to keep uniformity with the next table;
- Table heading of some tables has been changed (Table 2.4, 3.9, 4.6, 5.32, 10.6, 10.7, 11.5, 11.6);
- In 'Key Indicators of Bangladesh' part data on Morbidity & Disability in Table 10 has been updated by changing source & Table 9 has been replaced by "Percentage Distribution of Causes of Deaths by Residents (top 15 causes)" as existing table don't have updated figures;
- Chapter-5 has gone through major changes. In production related data tables, unit of production quantity has been mentioned beside the item name and the number of reporting establishments has been presented in "No. of Est." column. As the production figures presented here are not the total production of Bangladesh, a note has been added under the table. Again, along with provisional monthly indices of current year (as noted with the symbol "p") the monthly final indices

of one completed year have been presented. All monthly indices previously reported were provisional. 1079- Edible salt & 1080-Animal feeds transformed to table 5.1. 1311-Preparation & Spinning of Textile fibers & 1312-Weaving of Textiles have been presented in separate table titled "Production Of Textile Mills". Table 5.25 has been deleted as same information exists in table 5.27. Again table 5.26 also been deleted by incorporating codes 3011, 3091, 3092, 3099, 3100, 3101 & 3103 in table 5.29 as same data exists in 5.29. Electricity column has been deleted from table 5.32 as it is presented in table 5.27. 2-digit level indices removed from table 5.29 as these indices shown in table 5.28.

Besides the above corrections/changes many minor corrections/changes have been made throughout the whole publication.
