Bangladesh Bureau of Statistics (BBS) is going to publish the report on Foreign Trade Statistics (FTS), which includes data on exports and imports, the major factors accelerating the economic growth of the country. Considering the significant role of foreign trade in economic development, BBS has been publishing FTS regularly since 1973–74 to ensure comprehensive coverage of foreign trade data.

It is mentionable that BBS collects foreign trade data solely from secondary sources. All data originating from various customs stations such as sea, land, and air ports are collected from the National Board of Revenue (NBR). Except for military hardware, bullion, currency notes, coins, and goods in transit, FTS covers all other commodities that pass through the boundaries of the customs territory. The FTS of Bangladesh is compiled and classified based on the *Harmonized Commodity Description and Coding System (HS Code)*, following the *Standard International Trade Classification (SITC), Revision 3*. BBS has prepared HS Codes at the 2 to 4 digit level to cover all commodities under foreign trade.

I would like to extend my deep gratitude to Director General, BBS and Deputy Director General, BBS, for their valuable advice and guidance in implementing this complex and demanding task in a timely manner.

I gratefully acknowledge the cooperation extended by the National Board of Revenue (NBR) and its customs stations in providing primary data on imports and exports for this month. I am also thankful to the Bangladesh Bank for providing service data and exchange rates used in this report.

I express my heartfelt thanks to Mr. Mohammad Shafiqul Islam, Joint Director(ic) and Ms. Farhana Sultana, Deputy Director and Section Head of Foreign Trade Statistics, along with her team of the National Accounting Wing, for their relentless efforts in bringing out this publication. Special thanks to Md. Ashadur Alam Prodhan, Statistical Officer, for improving the publication to give a descent look. I also feel indebted to the publication Section of the FA & MIS Wing for printing this report.

Every possible effort has been undertaken to ensure the accuracy and reliability of this monthly release. Any comments and suggestions about this publication will be appreciated.
