Independent Auditor's Report to the Shareholders of Khulna Newsprint Mills Limited

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the financial statements of Khulna Newsprint Mills Limited which comprise the statement of financial position as at 30 June 2022, and along with the statement of profit or loss and other comprehensive income and statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, except for the effect described in the basis for qualified opinion paragraph the accompanying statements and financial statements of the company give a true and fair view of the statement of financial position of the company as at 30 June 2022, and of its statement of profit or loss and other comprehensive income and its statement of cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), and comply the company act 1994, and other applicable laws and regulations.

Basis for Qualified Opinion.

1. The corporation has been incurring loss year after year. Its accumulated loss was BDT 6,489,519,892 for the year ended 30 June, 2022 and, as of that date the Company's Total liabilities exceeded its Total assets by BDT 5,605,423,285. These conditions or events indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue its operation in foreseeable future. However, the company stopped its production since 30 November 2002 and paid off its workers and staff accordingly.
2. As disclosed in a note 06.00 of the financial statements regarding. We physically checked the inventory and found that the raw materials, packing materials and chemicals, spare parts, accessories, stores, and work-in-progress items are outdated and damaged but the profit or loss and other comprehensive income didn't show a loss. The lower cost and net realizable value did not apply to inventory. Which is an IAS-2 violation. Paragraph 9. Asset items are therefore inflated, and loss is understated.
3. As disclosed in note 20.00 of the financial statements regarding. The corporation indicated a sizable loan sum of BDT 3,264,679,269 from several public and private companies/banks,

Mahfel Huq & Co.

Chartered Accountants

The first registered accounting firm in independent Bangladesh

An independent member firm of AGN International

BGIC Tower (4th Floor)
34, Topkhana Road
Dhaka-1000, Bangladesh
Tel: +88-02-223351948, 223383143
Fax: +88-02-9571005
E-mail: info@mahfelhuq.com
Web: www.mahfelhuq.com

For which we lacked adequate supporting documentation. Therefore, we were unable to confirm the precise loan amount. It includes a sizable bank loan that appeared to be merely the principal amount, but we discovered a letter from the bank that wasn't in line with an account. The true sum is more substantial than that. Liabilities are therefore understated & losses understated.

4. As disclosed in note 04.00 of the financial statements regarding. We physically checked the property, plant, and equipment, and found that the majority of it is not in useable shape. However, the company failed to do an impairment test against IAS-36. Since 2002, Property, Plant & Equipment has not been subject to depreciation. It is a violation of IAS 16. As a result, loss understand & assets are overstated.
5. We were not provided with last year's tax assessment copy. Which we did not get sufficient appropriate evidence for.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Other matter

1. As disclosed in note 21.00 of the financial statements regarding, Accounts receivable of BDT 6,828,709, other receivable BDT 6,890,506 was carried forward for a long period and the corporation did not take any action to recover the said amount from the Customer.
2. As disclosed in the 21.00 of the financial statements regarding, the corporation did not take any action to pay or adjust the abovementioned amount to the supplier for a lengthy period of time. Creditors for products delivered totaling BDT 300,008,268 and some other payables were also carried forward.
3. As disclosed in note 22.00 of the financial statements regarding, Tax deducted at source & VAT deducted at the source which has been kept as payable has been shown at BDT 11,908,341. However, the company has not deposited the Tax deducted at source & VAT deducted at source duly in the government treasury. This violates the 2012 Value Added Tax and Supplementary Duty Act as well as the 1984 Income Tax Ordinance.

Mahfel Huq & Co.

Chartered Accountants

E-mail: info@mahfelhuq.com
Web: www.mahfelhuq.com

4. During the audit, we could not confirm the share capital amount in the financial statements with Schedule-X, as the company has yet to update its annual return to the Registrar of Joint Stock Companies & Firms (RJSC). Also did not provide us Schedule -XII.
5. As disclosed in note 5.00 of the financial statements regarding, Capital Work in Progress which has been kept as an asset has been shown at BDT 2,334,579. However, Management did not give us the correct documentation for this asset. We were unable to physically locate the asset for this during the audit.

Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the financial statements of the Company and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Company Act, 1994 and the Bangladesh Bank guidelines require the managements to ensure effective internal audit, internal control and risk management functions of the Company. The management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the financial statement, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Mahfel Huq & Co.

E-mail : info@mahfelhuq.com
Web: www.mahfelhuq.com

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other Legal and Regulatory Requirements

In accordance with the International Financial Reporting Standards (IFRS), the Companies Act, 1994, we also report that:

- (i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) in our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of those books;

KHULNA NEWSPRINT MILLS LTD.

Notes to the financial statements

As at and for the year ended 30 June 2022

1 Company Background in Brief

Khulna Newsprint Mills was established in 1959 on the bank of Bhairab river at town Khalishpur which is situated at the South-West side of Bangladesh, 48 k.m. north from Sundarban and 129 k.m from Bay of Bengal. Annual production capacity of the mill is 48,000 M. Ton Newsprint. Besides Newsprint, Mechanical print, Book print, Wrapper, Blue match paper and grading paper and grading papers were also produced in this mill. In 1995-96 income year under open market economy, 75% import duty were gradually exempted on Newspaper and so huge amount of high quality and more brighten foreign newsprint paper imported. As a result demand of newsprint produced by the factory was reduced. For this reason huge amount of newsprint remained at mills store as unsold. On the other hand, increase royalty of Gewa from Tk.6.00 to Tk. 15.00 per ton by forest division and declared Sundarban as world heritage under the animal variation preservation project in 1997, annual supply demand of main raw material Gewa wood of the factory reduced from 50 Lac sq. ft. Thus the production of the mills became fully stopped at 08 January 2002 and pay off 30.11.2002 due to scarcity of raw materials, huge amount of Bank loan, interest burden, increase of the price of furnace oil etc.

2. Significant Accounting Policy:
