

**Independent auditor's report
and audited financial statements
of
KARNAPHULI RAYON & CHEMICALS LTD.
As at & for the year ended 30 June 2022**

**Independent Auditor's Report
to the Shareholders of
KARNAPHULI RAYON & CHEMICALS LTD.
Report on the Audit of the Financial Statements**

Qualified Opinion

We have audited the financial statements of KARNAPHULI RAYON & CHEMICALS LTD. ("the Company"), which comprise the statement of financial position as at 30 June 2022, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion, "except for the effect of the matters described in basis for qualified opinion paragraph, the accompanying financial statements give true and fair view, in all material respects, of the financial position of the Company as at 30 June 2022 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in notes.

Basis for Qualified Opinion

1. Operation of the Company is being stopped for last 20 years, thus property, plant and equipments (Note No. 4) are not in useable condition and have no useful life, there also have no alternative use of these assets except land.
2. Inventories are lying without any maintenance. But the value of the inventories were valued at cost year to year at Tk 57,998,265 (Note No. 6) which is not in compliance with the IAS 2.
3. Ledgers balance are not agreed with the balance of Financial Statements(FS). Creditors for Expenses as per ledger showed balance of Tk. 3,247,969 whereas Financial Statements (FS) showing Tk. 2,844,980 (Note No. 12) and Inter Project Current Account as per ledger showed balance of Tk. 97,517,835 whereas Financial Statements(FS) showing Tk. 99,842,815 (Note No. 7).
4. We could not verify inter enterprises balances as on 30 June 2022. There are Inter Project Current Account (assets) Tk. 99,842,815 (Note No. 7), Inter-Company Current Account (Liability) Tk. 4,248,293 (Note No. 17), BCIC Current Account (Liability) Tk. 118,066,414 (Note No. 18), and Loan from BCIC Tk. 1,725,000,000 (Note No. 19).
5. We could not verify Total Non-current Liabilities Tk. 2,678,945,035.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified Opinion.

Material Uncertainty on Going Concern.

We draw attention to Note 2.09 to the financial statements, which states that the Company's operations have been suspended for a long period and there is no intention to resume operations in the near or foreseeable future. However, BCIC is providing support to the Company to maintain and safeguard its assets until liquidation, which is subject to the decision of the Government. Despite the absence of the going concern conditions, the financial statements have been prepared on a going concern basis. Our opinion is not modified in respect of this matter.

Other Matter:

We have audited this client for the first time. However, Shaha & Co., Chartered Accountants was the predecessor auditors' of this Company for the year ended 30 June 2021 and they have issued unqualified opinion on 30 January 2023.

Other Information:

Management is responsible for the other information. The other information comprises the information included in the Board of Directors Report, but does not the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. No Directors' Report issued by the management of KARNAPHULI RAYON & CHEMICALS LTD. at or before issuing this report and we have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs as explained in notes 02 to 03, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Companies Act, 1994 require the Management to ensure effective internal audit, internal control and risk management functions of the Company.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of accounts as required by law have been kept by the Company so far as it appeared from our examination of these books;
- c) the statements of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of accounts and returns;

KARNAPHULI RAYON & CHEMICALS LTD.
NOTES TO THE FINANCIAL STATEMENT
For the year ended 30 June 2022

1.00 BRIEF HISTORY

The Company was originally incorporated on the 7th day of September, 1961 in the name of "KARNAPHULI RAYON & CHEMICALS LTD. " under the Companies Act. 1913. By passing a special resolution in the Extra Ordinary General Meeting held on Tuesday 24th December 1963, the Name of the company was changed to "Karnaphuli Rayon Chemicals Ltd." Its main objective was to manufacture Caustic Soda, Chlorine, Sulphuric Acid, Rayon Yarn, Rayon Staple Fibres and other chemicals. Now the Company is being managed by Bangladesh Chemical Industries Corporation (BCIC) as per Nationalized Order No. PO-27 of 1972.

Business Activities of the Company:

The main business activities of the Company were manufacturing and marketing of Caustic Soda, Chlorine, Sulphuric Acid, Rayon and Rayon Staple Fibres (RSF) products. The operation of the Company has been closed since 15th December 2002 as per Govt. decision. The Chemical plant of the Company has been transferred to KPM as per decision taken in the KPM Enterprise Board Meeting No. 229 and 246 The Carbon-Di-Oxide. R.G. Pulp Plant. Water Plant, Colony and other Establishments have been transferred to KPM as per decision of Assets and Liabilities valuation Analysis meeting held on 03.11.2007 in the Chamber of M.D. KPM and KRC and as per tripartite discussion meeting on Draft Accounts of 2006-2007 held on 19.11.2007 in Chamber of Director (Finance). BCIC. Dhaka. The total value of the above transfers was Taka 120,979,499 only.

2.00 Basis of Preparation

2.01 Statement of compliance

These financial statements have been prepared in accordance with International Accounting Standards (IAS), International Financial reporting Standards (IFRS) and Interpretations of IASs & IFRSs.

2.02 Presentation of Financial statements

The financial statements have been presented in the format prescribed by BCIC which is consistent with that prescribed by the Companies Act, 1994

2.03 Regulatory compliance

The company is required to comply with amongst others, the following rules and regulations:

- (i) The Companies Act, 1994.
- (ii) The Income Tax Ordinance 1984.
- (iii) The Income Tax Rules 1984.
- (iv) The Value Added Tax (VAT) Act, 2012.
- (v) The Value Added Tax (VAT) Rules 2016, etc.

2.04 Basis of measurement

These financial statements have been prepared on a going concern basis under historical cost convention.

2.05 Functional and presentation currency

These financial statements are presented in Bangladesh Taka (Taka/Tk) which is the company's functional and presentation currency. The figures of financial statements have been rounded off to the nearest Taka

2.06 Reporting Period

The financial period of the Company covers one year from July 1 to June 30 which is consistently followed.

2.07 Use of estimates and judgments

The presentation of financial statements requires management to make judgments, estimates and assumption that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and assumptions are reviewed on an ongoing basis.

2.08 Comparative information

Comparative information has been disclosed in respect of the year 2021-2022 for all numeric information in the financial statements and also the narrative and descriptive information where it is relevant for understanding of the current year's financial statements.

2.09 Going Concern

The companys' operation is entirely closed over 20 years thus no adequate resources and intention to continue its operation in foreseeable future. However, BCIC is supporting Company to maintain and ensure security of assets till liquidation which is subject to Government decision. Thus Company does not meet going concern to prepare financial statements.

3.00 Significant Accounting Policies

3.01 Foreign currency

Transactions in foreign currency are translated to the Bangladesh Taka at exchange rates at the date of transactions. Monetary assets and liabilities denominated in foreign currencies at reporting date are re-translated into Bangladesh Taka at the exchange rates ruling at the reporting date. Non-monetary assets and liabilities denominated in foreign currencies, stated at historical cost, are translated into Bangladesh Taka at the exchange rate ruling at the date of transaction. Foreign exchange differences arising on translation are recognized in the Statement of Profit & Loss and Other Comprehensive Income.

3.02 Property, Plant and Equipment

3.02.01 Recognition and measurement

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Cost includes expenditures that are directly attributed to the acquisition of the asset. The cost of self constructed/installed assets includes the cost of materials and direct labor, any other cost directly attributable to bringing the asset to a working condition for its intended use, and the cost of dismantling and removing the items and restoring the site on which they are located and capitalized as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The gain or loss on disposal of an item of property, plant and equipment is determined by comparing the proceeds from disposal with the carrying amount of the property, plant and equipment, and is recognized by netting off within other income/other expenses in profit or loss.

3.02.02 Subsequent Cost

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The cost of the day to day servicing of property, plant and equipment are recognized in profit and loss as incurred.

3.02.02 Depreciation

Depreciation on Property , Plant and Equipment excepting land and land development is calculated on the straight line method applying the rate so as to write off the cost of the assets over their estimated useful lives. In respect of additions fully year's depreciation is charged on Property, Plant and Equipment acquired during any part of the year while on depreciation is charged on assets disposed during the year. The principal annual rates are as follows:

Category	Rate %
Building	5%
Other Construction	5%
Machineries	10%
Factory Apparatus & Equip.	
Loose Tools	25%
Furniture and Fixtures	10%
Play Ground	5%
Others Assets	10%
Motors Vehicles	

3.03 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.03.01 Financial Assets

The Company initially recognizes receivables and deposits on the date that they are originated. All other financial assets are recognized initially on the date at which the company becomes a party to the contractual provisions of the transaction.

Financial assets include cash and cash equivalents and trade debtors.

(a) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, cash at bank which are available for use by the company without any restriction.

(b) Trade Debtors

Trade And other Debtors represent the amount due from customers or parties for delivering goods or any other purposes. Trade and other debtors are initially recognized at cost which is the fair value of the consideration given in return. After initially recognition these are carried at cost less impairment losses due to uncollectibility of any amount so recognised.

3.03.02 Financial Liabilities

A financial liabilities is recognised when it contractual obligations arising from past event are certain and the settlement of which is expected to result in an outflow from the company of resources embodying economic benefits. The company initially recognises financial liabilities on the transaction date at which the company becomes a party of the contractual provisions of the liability. The company derecognises a financial liabilities when its contractual obligations are discharged or cancelled or expired. Financial liabilities include trade creditors, payables against expenses and accruals, sundry creditors and other non-current liabilities.

3.04 Inventories

Items	Basis of Valuation
Raw Chemicals & Packing Materials	At costs
Spares, Accessories & Store	At costs
General Store	At costs

3.05 Impairment

3.05.01 Property, Plant and Equipment

The carrying amount of the company's assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists then the asset's recoverable amount is estimated. An impairment loss is recognized if the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount.

3.05.02 Receivables

Company policy is to provide for impairment loss on debtors, if any receivables is not realised within three years from due date.

3.06 Provisions

A provision is recognized in the financial statements when the Company has a legal or constructive obligation as a result of past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

3.08 Revenue Recognition

Sales are recognized when goods are delivered to the buyers.

3.09 Tax

3.09.01 Current tax expenses

Income tax expenses are recognized in the Statement of Profit or Loss and Other Comprehensive Income as per the provisions of Income Tax Ordinance 1984. Provision for minimum income tax has been made @ 0.6% on Gross Receipt of the year as the company has been made net loss during the year.

3.09.02 Deferred tax expenses

Deferred tax has not been recognized in the financial statements as required under IAS-12, as the operation of the company is suspended since long and no revenue is generated.

3.10 Financial Income and Costs

Financial income comprises interest income on funds invested. Interest income is recognized on cash basis. Financial costs comprise interest expenses on Bank loans and Bank charges. All financial costs are recognized in the Statements of Profit of Loss and Other Comprehensive Income.

3.2 General

Previous years' figures have been restated/rearranged wherever required to conform to current years' presentation.

3.3 Authorisation for issue

The financial statements were authorized for issue by the Board of Directors of the company on 20 December, 2025.
