

**Independent Auditor's Report and
Audited Financial Statements
of
Chittagong Chemical Complex
As at & for the year ended 30 June 2024**

**Independent Auditors' Report
To the Shareholders of
Chittagong Chemical Complex
Report on the Audit of the Financial Statements**

Qualified Opinion

We have audited the financial statements of Chittagong Chemical Complex ("The company") which comprise the statement of financial position as at 30 June 2024, statement of profit or loss and other comprehensive income, statement of changes in equity, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, " Except for the effect of matters described in the basis for qualified opinion paragraph," the accompanying financial statements give true and fair view, in all material respects, of the financial position of the Company as at 30 June 2024 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Qualified Opinion

- We were unable to satisfy ourselves regarding the depreciation of the Fixed Asset, which has not been charged since 2002. The total uncharged amount of depreciation since 2002 was unquantified. Subsequent asset verification and valuation were not undertaken, nor was an impairment test conducted as per IAS 36 by the management, and as a result, the carrying value of Fixed Assets is overstated.
- The company's inventories are carried in the statement of financial position at Tk. 72,492,307 (Note No. 5), which has not been valued at a lower cost and net realizable value, but has been valued at cost, which constitutes a departure from IAS/IFRS. Management did not conduct the physical verification at the year-end, and we were unable to satisfy ourselves by alternative means concerning inventory quantities and values held on 30 June 2023.
- The CHITTAGONG CHEMICAL COMPLEX ceased its operation on 15 December 2002. Since then, the management has not conducted any assessment nor taken any steps regarding the going concern issues of the complex.
- We observed that inter-project receivables (Closed/Pay-off Factory/Handed over) amounted to Tk. 128,701,533 (Note 6.02), trade debtors of Tk. 6,760,314 (Note 7), and stores issued on loan of Tk. 2,366,760 (Note 11) have remained outstanding for an extended period. These balances indicate potential recoverability concerns, and accordingly, an Expected Credit Loss (ECL) provision may need to be considered in accordance with IFRS 9 Financial Instruments. In addition, as disclosed in note no 6.02 to the financial statements, inter project Receivable from North Bengal Paper Mills Ltd., Tk. 99,881,501. Whereas the Financial Statements of North Bengal Paper Mills Ltd. reflected payable to CCC Tk. 96,801,387 leading to an unresolved amount in Tk. 3,080,114. We also could not confirm the other balance with the respective company.
- As disclosed in Note 9.02 to the financial statements, Fixed Deposit Receipts (FDRs) are reported at Tk. 17,287,000; however, the balance confirmed by the bank amounts to Tk. 18,937,474. This results in a variance of Tk. 1,650,474, arising from the non-recognition of interest income for the year ended 30 June 2024.
- We are unable to confirm BCIC H.O Current Account Balance Tk. 1,144,738,505 (Note No: 28), BCIC HO C/A with Bangladesh Glass Sheet Tk. 9,786,710 (Note No. 29) and Loan from BCIC (Interest-free) balance Tk. 560,758,219 (Note No: 30).

- Preliminary expenses amounting to Tk. 866,923,154, and Deferred Revenue Expenses Tk. 47,595,985 as disclosed in Notes 3 and 13, respectively, to the financial statements, have been recognized as an asset. Such recognition is not permissible under IAS 38 Intangible Assets; accordingly, these expenditures should be expensed through the Statement of Profit or Loss, which is an understatement of expenses and net loss.
- Foreign Currency Loan amounting to Tk. 2,405,031,275, Government Loan (ADP) Tk. 814,513,744, and Non-Development Government Loan (Pay-off Employees) Tk. 177,268,000, as disclosed in Notes 19, 20, and 21 to the financial statements, have been carried forward for a prolonged period. Although certain agreements and deeds were made available for review, the outstanding balances could not be reconciled and substantiated with the evidence, as the underlying agreements date back to the period from 1980 to 2000, some of which were not legible, and no comprehensive repayment or reconciliation schedule has been maintained. Furthermore, third-party confirmations could not be obtained due to the unavailability of adequate contact details.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in (jurisdiction), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Board of Directors Report but does not the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. No Directors' Report issued by the management of Chittagong Chemical Complex at or before issuing this report and we have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs as explained and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Companies Act, 1994 require the Management to ensure effective internal audit, internal control and risk management functions of the Company.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should

not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, we also report the following:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appeared from our examination of these books.
- c) The statements of financial position and statements of comprehensive income dealt with by the report are in agreement with the books of accounts and returns.
