INFORMATION FOR Applicant			
18	Brief Description of Assignment	:	The role of the consultant focuses on planning and implementing strategies, programs, and partnerships to strengthen Bangladesh's innovation ecosystem under the Digital Entrepreneurship and Innovation Ecosystem Development Project. It includes overseeing innovation activities, relevant training and mentoring support, stakeholder coordination, ecosystem research, startup and university facilitation frameworks, promotional initiatives, support for women entrepreneurs, and other duties assigned by the Project Authority.
19	Experience, Resources and Delivery Capacity Required.	:	The individual consultant for the assignment should have to meet the following requirements: Candidates should have at least a Master's degree in a related discipline and a minimum of 5 years of experience working with government, industry, and academia including strategy, consulting, program management, or related roles. They should have strong experience in digital entrepreneurship, startup or innovation ecosystem support, international innovation programs, and training, mentoring, or facilitating university students, youth, entrepreneurs, and startups. Applicants must also demonstrate strong networking skills within the national innovation ecosystem, sound knowledge of innovation, startup methodologies, early-stage investment, commercialization, leadership, research, and coordination, along with fluency in Bangla and English, excellent ICT skills, and strong administrative and analytical ability.
20	Application Details	:	Applicants are instructed to submit a complete signed CV with 04 recent passport size photograph, all academic & experience certificates and other details as per the application forms (RFA) provided by undersigned . Interested applicants may submit their applications either in person at the office on or before 03/05/2026 at 2.00 p.m. in sealed envelope delivered to the undersigned
