TRAINING CALENDAR

2026 – 2027

Bangladesh Institute of Management (BIM)
Ministry of Industries, Govt. of the People's Republic of Bangladesh
www.bim.gov.bd

Brief Profile of BIM

The origin of what today is known as the Bangladesh Institute of Management (BIM) can be traced back to 1961 when its precursor, the Management Development Centre, East Pakistan, was established. In 1970 the East Pakistan Government Educational and Training Institutions Ordinance, 1961 (East Pakistan Ordinance No. XXVI of 1961) was made applicable for Management Development Centre with effect from 1-7-1970 thereby providing the center with autonomous status. Currently, it is serving as a statutory body after the enactment of a dedicated act titled "Bangladesh Institute of Management Act, 2023".

In 1966 apart from offering short term, subject specific training programs, a specialized, yearlong Post Graduate Diploma in Personnel Management was introduced by the Centre.

After the liberation of the country in 1971, the institute was vested with the responsibility of building up human resources of the newly independent country. Between 1972-75, the public sector was the predominant sector of the economy and the majority of the clients of the institute were drawn from the public sector enterprises. During the late 70's to mid-80's, the institute was recipient of major Technical Assistance Projects, which resulted in a major transformation of the institute. It became a hub of management training with participants being drawn from public, private and NGOs sectors. In the year 1981, another year long, Post Graduate Diploma in Industrial Management was introduced.

VISION STATEMENT

“Management Excellence in Bangladesh.”

During early nineties, in the context of opening up of the market, structural changes and private sector driven growth strategy for rapid development, requirement for qualified human resources was anticipated. Against that backdrop the Bangladesh Management Development Centre (BMDc) started the process of restructuring itself so as to enable it to offer academic programs designed to create professionals.

MISSION STATEMENT

“Human Resource Development and Institutional Capacity Building through Management Education, Training, Research and Consultancy Services.”

It was in that light the Bangladesh Management Development Centre (BMDc) was converted into an institute-the Bangladesh Institute of Management (BIM) on August 04, 1997 for opening up opportunities to offer post graduate degree Programs in Business Administration like, Executive MBA, Masters in Human Resource Management etc.

While Training Research and Consultancy are the three mandated activities of BIM; the major thrust during the last decade has been on training and Post Graduate Diploma Programs.

BIM is presently exploring the feasibility of introducing the idea of Public Private Partnership (PPP) in all its training and academic activities. As a part of that, initiatives have already been taken to examine such possibilities. In due course of time programs like Distance Learning and Master of Business Administration (MBA), if appears feasible, shall be offered to our stakeholders.

Short Training Courses in 2026-2027

ACCOUNTING & FINANCIAL MANAGEMENT

<i>Title of the training</i>	<i>Duration</i>
• Internal Audit Management	July 25-28, 2026
• Advanced Certificate Course on Financial Management: Valuation and Analysis (FMVA)	November 22, 2026 - December 10, 2026

Activities of the Institute

Training

BIM offers two types of courses: short courses of one to two weeks long and diploma courses of six months to one-year duration.

a. Short Courses

During the course of the last decade, BIM has organized over 80 courses and seminars annually of varying duration ranging from one to four weeks, sometimes of longer duration for request programs. The courses offered by BIM cover the whole gamut of management studies viz. General Management, Financial Management, Project Management, Rural Development, Entrepreneurship Development, Marketing Management, Supply Chain Management, Digitalization and Industrial Engineering etc. Till the year ending June 2025, a total number of 66,884 participants have received training from the number of 80 short courses.

b. Diploma Courses

Presently, BIM offers the following six post-graduate diploma courses of one year each (i) Human Resource Management, (ii) Industrial Management, (iii) Marketing Management, (iv) Financial Management and (v) Computer Science & (vi) Supply Chain Management. Apart from the above Post-Graduate Diploma courses, BIM offers 6-month Diploma courses in Social Compliance, Productivity & Quality Management & Advance Certificate Course on Business Administration (ACBA).

Consultancy

BIM has vast experience in consultancy services and has rendered services to various national and international agencies and organizations. The clientele include among others, Ministry of Planning, Ministry of Finance, Trading Corporation of Bangladesh, Petro Bangla, Power Development Board, Export Promotion Bureau, Bangladesh Chemical Industries Corporation (BCIC), BPC, RAJUK, Bangladesh Railway, Sadharan Bima, Bangladesh Agriculture Research Council (BARC), Civil Aviation Authority, Dhaka WASA, Bangladesh Steel and Engineering Corporation (BSEC), Bangladesh Textile Mills Corporation (BTMC), Bangladesh Jute Mills Corporation (BJMC), Chittagong Port Authority, United Nations Industrial Development Organization (UNIDO), Asian Development Bank (ADB), United Nations Population Fund (UNFPA), Bureau of Manpower, Employment and Training (BMET), Bangladesh Industrial and Technical Assistance Center (BITAC), Directorate of Primary Education, Bangladesh Police, Bangladesh Coast Guard etc. In-house services are also provided to various organizations on need basis.

Research

BIM also undertakes research projects. Such research projects deal with Training and Management Development, Corporate Management, Choice of Technology, Incentive Schemes, Managerial Motivation, Quality Circles, Recruitment and Selection, Performance Appraisal etc.

Publication

‘Management Development’, a quarterly journal carrying articles and research findings of eminent national and international teachers and professionals, has been a regular publication of BIM.
