- **Provide accurate and timely financial reporting** to the MD, board of directors, and other stakeholders.
- **Manage risks and ensure compliance** with all regulatory requirements.
- **Build and mentor a high-performing finance team.**

What we are looking for

The ideal candidate will have:

- A proven track record as a CFO or a senior finance executive, preferably within the airline or transportation sectors, or other relevant service sectors.
- Very good experience with financial modelling, forecasting, and budgeting.
- **Excellent knowledge of IFRS.**
- Strong IT skills and keen to use evolving IT tools and technologies like AI to increase productivity and increase efficiencies.
- Exceptional leadership, communication, and interpersonal skills.
- A professional qualification like **FCA, FCMA or CPA.**
- Maximum age 60 years, may be relaxed for exceptional candidates.

Why Join Us?

This is a unique opportunity to be a key player in our growth story. You will have the responsibility to shape our financial future and the satisfaction of seeing your work directly contribute to our success. We provide a competitive compensation package and the chance to work in an exciting and fast-paced environment. We are offering a 3-year contractual appointment, with scope for renewal.

If you are ready for your next career ascent, we encourage you to apply. Please send your application with CV to e-mail: mgremp@biman.gov.bd no later than 24 May 2026.
