Dhaka-1000, Bangladesh.

ADDENDUM NO. 02
(To the Bidding Document)

Memo no-18.11.0000.181.14.593.26.888

Dated: 15 April,2026

Procurement: Hydrographic Survey and Related Equipment
Package No.: BRWTP-G2AAAA
Project: Bangladesh Regional Waterway Transport Project-1 (BRWTP-1)
Purchaser: Bangladesh Inland Water Transport Authority (BIWTA)
Financing: International Development Association (IDA), World Bank
Reference:18.11.0000.181.14.593.26.771; Dated: 05 March,2026

1. Purpose

This Addendum is issued to provide further clarification, based on market feedback, to enhance competition. Except as amended below, all other provisions remain unchanged.

2. Amendment to Technical Specification

Reference	Existing Requirement	Revised Requirement
Lot-03, Item-01: Drone Boat	Hull Type: Mono Hull	Hull Type: Mono Hull or Catamaran
Lot-03, Item-01: Drone Boat	Hull Material: Aluminum Alloy	Hull Material: HDPE

3. Performance Clarification

Regardless of hull type and material, the offered system must fully comply with all operational, stability, payload, and survey performance requirements specified in the bidding document.

4. Submission Deadline

To allow bidders sufficient time to incorporate these amendments, the bid submission deadline is extended to **28-04-2026**.

5. Notice

This Addendum forms an integral part of the bidding document. Except for the amendments stated above, all other provisions of the Bidding Document, including the addendum no. 01 shall remain unchanged and in full force.
