জাতীয় সংগীত

আমার সোনার বাংলা, আমি তোমায় ভালোবাসি।
চিরদিন তোমার আকাশ, তোমার বাতাস, আমার প্রাণে বাজায় বাঁশি ॥
ও মা, ফাগুনে তোর আমের বনে ঘ্রাণে পাগল করে,
মরি হয়, হয় রে—
ও মা, অঘ্রাণে তোর ভরা ক্ষেতে আমি কী দেখেছি মধুর হাসি ॥
কী শোভা, কী ছায়া গো, কী স্নেহ, কী মায়া গো—
কী অঁচল বিছায়েছ বটের মূলে, নদীর কূলে কূলে।
মা, তোর মুখের বাণী আমার কানে লাগে সুধার মতো,
মরি হয়, হয় রে—
মা, তোর বদনখানি মলিন হলে, ও মা, আমি নয়নজলে ভাসি ॥

প্রভাতি প্রার্থনা

হে পরম করুণাময় সৃষ্টিকর্তা
আমাদের উপর কল্যাণ বর্ষণ করুন।
রোগ, জরা, ব্যাধি থেকে আমাদের রক্ষা করুন।
লোভ, হিংসা, দুর্নীতি ও পরশ্রীকাতরতা থেকে মুক্ত রাখুন।
আমরা যেন নিজেকে উন্নীত করতে পারি
স্বার্থপরতা থেকে পরার্থপরতায়
কুপমন্ডকতা থেকে আলোকিত মানসিকতায়
সংকীর্ণতা থেকে উদারতায়, নৈতিকতায় ও মানবিকতায়।
হে করুণাময়,
আমরা যেন কাজ করতে পারি দেশের এবং বিশ্বের কল্যাণের জন্য
সবার উপরে যেন স্থান দিতে পারি জনস্বার্থকে।

COURSE CURRICULUM

1.1 INTRODUCTION

1.1.1 Foundation Training Course

Foundation Training Course (FTC), the first and compulsory training course for the new recruit civil servants of Bangladesh, is not merely a training programme-it is a transformative journey. It is the bridge between academic brilliance and administrative responsibility. During foundation training, knowledge is tested against discipline and individuality is reshaped into collective purpose. Within classrooms, during field attachments, on the playground and through rigorous routines, efforts are made to cultivate integrity, resilience, empathy and a mindset committed to public service excellence. The FTC teaches entry level civil servants that governance is not about files and signatures, but about people and impact.

The contents of the FTC are designed in a way that the entry level civil servants can get an overall understanding of different aspects of governance, development and different national institutions and policies to undertake their roles as civil servants. Since FTC participants come from diverse academic areas and social background, it is important to ensure that they have a common understanding of various theories, concepts and issues of administration and development in general and of rules, regulations, processes, procedures of the public sector in particular. However, apart from enhancing professional knowledge, the course also intends to enrich the behavior and character of the participants to enable them to perform their roles in the work place with due sincerity, commitment, fairness and objectivity. The course also provides an opportunity for the officers to familiarise themselves with various dimensions of history, culture and socio-economic development of the country. Instilling the spirit of liberation war and patriotism in the minds of participants is also a major expectation of the course.

While the foundation course has set different evaluation methods, it gives special attention to individual assignments as this method presents an opportunity to the participants to be more analytical, argumentative and illustrative in putting arguments. Therefore, participants are expected to be more engaged and active in the training to deepen their learning and enrich their analytical reasoning. It is worth noting that public servants must possess the analytical insight to provide prudent input in decision making while they work on the ground.

2.2 BPATC AT A GLANCE

2.2.1 Introduction

Every modern state generally strives to establish a public administration training institute at the national level for mitigating the demands for ready human resources for running the state affairs effectively and for rendering the best services to the citizenry. Bangladesh Public Administration Training Centre (BPATC), as a centre of excellence and a premier regional hub, is dedicated to providing effective, inclusive and self-mandated and bespoke training for civil servants in the public sector in Bangladesh. The Centre is entrusted to meet national and global challenges of the modern era through imparting state-of-the-art training in the public sector.

The core of spirit of our struggle for freedom and great liberation war is to build a glorious nation, a developed and prosperous Bangladesh-free from all kind of exploitation and injustices. To build a prosperous, developed and exploitation-free nation a contingent of public officials need to be shaped as a member of an institute with specific degree of professionalism and integrity, and a good knowledge of national and global issues. To attain National Visions and Sustainable Development Goals (SDGs) by 2030, the government officials must have a specific degree of professionalism and integrity and capability of translation of knowledge of administrative and constitutional laws into action. They must possess analytical insight to constructs, functions and responsibilities in an appropriate manner across all public administration settings.

The main mandate of BPATC is to provide the highest quality training to groom up the officers of entry- level, mid-level, and even at the senior-level as the best administrative leaders of the soil. The Centre is relentlessly working to perform its assigned duties properly. We believe any training institution is preaching and practicing a house of good governance. Therefore, we try to encourage the participants by saying the best words and by demonstrating the best practices. We would like to reiterate that we religiously believe in transparency, accountability, justice, and fairness. Our humble expectation from our participants is that they will also avail themselves of the opportunity to reinforce their positive attitude, pro-activeness and working spirit through the training received here. We are always with our esteemed participants to provide the best services as much as possible.

2.2.2 Foundation of BPATC

With the dire necessity of fulfilling the demand for ready human resources of a newly born independent country and creating a core of efficient, dynamic, competent, citizen-focused, proactive, and patriotic public servants for rapid and sustained development, BPATC emerged in 1984 as an autonomous organization amalgamating the then four institutions:

1. Bangladesh Administrative Staff College (BASC)
2. National Institute of Public Administration (NIPA)
3. Civil Officer Training Academy (COTA)
4. Regional Staff Training Institute (STI)

2.2.3 Location and Landscape

Set amidst a landscape of the velvet of lush green natural environment and aesthetic beauties blended with planned trees with the abode of chirping birds, flowers, gardens, water body- a habitat of flora and fauna surrounded by a mini tea garden, a herbal garden, and plants and modern infrastructures, the Centre lies in Savar at a surface of 54 acres land which is 28 kms away from the maddening crowd of the capital city Dhaka.
