**Independent Auditor's Report to the Shareholder's  
of  
Panchagarh Sugar Mills Limited**

**Qualified Opinion**

We have audited the financial statements of **Panchagarh Sugar Mills Limited** which comprise the statement of financial position as at 30 June 2025, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the matters described in the basis for qualified opinion section, the accompanying financial statements referred to above give a true and fair view of the financial position as at 30 June 2025, and its financial performance for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and comply with the applicable laws and regulations.

**Basis for Qualified Opinion**

- Refer to Schedule A8; As per IAS 2: Stock of Stores & Spears reported in the Statement of Financial Position of Tk. 19,236,558, we were unable to confirm the inventory physically during the audit, absence of appropriate supporting evidence, schedules & sequential documents to arrive at Net Realizable Value (NRV). Unable to complete the roll forward schedule, vouching of addition, costing, and provisioning.
- Refer to Note # A12; Loans, Advance, Deposits & Pre-payments reported in Financial Statement Tk. 6,09,92,628 in which Loan to Cane Grower of Tk. 2,25,12,196, we could not confirm the balance.
- Refer to Note # 09; Govt. Fund & Loans reported in the Statement of Financial Position of Tk. 504,691,018, we could not confirm by balance confirmation or General Ledger to perform alternative procedure.
- We could not confirm the amount of Un- Secured Loans, Govt. Fund & Loans and H.O Current Account liabilities by confirmation or alternatively by general ledger verification.
- Refer to Schedule L2; Liabilities for Provisional Expenses reported in the Statement of Financial Position of Tk. 13,879,976, we could not confirm by third party confirmation or General Ledger to perform alternative procedure.
- Refer to Schedule L3; Liabilities for Other Finance reported in the Statement of Financial Position of Tk. 62,315,675, we could not confirm by third party confirmation or General Ledger to perform alternative procedure.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent in accordance with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

As per decision of the Government of People's Republic of Bangladesh, the production of the Panchagarh sugar mills limited has banned and closed of production due to continuous loss of production as well as loss in management accounts and as on 30 June 2025 the Company's current liabilities exceed than current assets by BDT 2,761,726,904. These events and conditions, along with other matters indicate that the company could not continue as a going concern. Our opinion remains modified in respect of this matter.

## **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with IFRSs and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Business's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Business to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### Report on Other Legal and Regulatory Requirements

We also report the following:

- a) we have obtained all the information and explanation, except described in basis for qualification section, which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the Business so far as it appeared from our examination of those books; and
- c) the statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account.

### 3.17 Financial Risk Management objectives and policies

The company has exposure to the following risks:

#### I. Credit risk

#### II. Liquidity risk

The Board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies, procedures and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. This note presents information about the Company's exposure to each of the following risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital. The Board of Directors reviews and agrees policies for managing each of these risks which are summarized below.

**I. Credit risk :** Credit risk is the risk of a financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and other parties. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of financial position.

#### Exposure to Credit Risk:

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

Particulars	Amount in Taka	Amount in Taka
	30-Jun-25	30-Jun-24

Cash and Cash Equivalents	2,991,460	4,645,191
	<b>208,240,774</b>	<b>180,469,695</b>

**II. Liquidity Risk:** Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or other financial assets. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Typically, the Company ensures that it has sufficient cash and cash equivalents to meet expected operational expenses, including financial obligations through preparation of the cash flow forecast, based on time line of payment of financial obligations and accordingly arrange for sufficient liquidity/fund to make the expected payments within due dates.

The table below analyses the company's financial liabilities that will be settled on a net basis in to relevant maturity groupings based on the remaining period at the statement of financial position to the contractual maturity date. The amount disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant:

### 3.18 Employee Benefits

#### (i) Defined Contribution Plan

The company, for its permanent employees, operates a scheme of contributory provident fund. The provident fund is administered by a Board of Trustees and is funded by equal contributions from both the employees and the company at predetermined rates. The contributions are invested separately from the company's assets.

#### (ii) Defined Benefit Plan

This company also has a gratuity fund scheme. Provision is made at 30% on the basic pay for the year of audit as per practice of BSFIC.

### 3.19 Bad and Doubtful Debts

Since all sales/exports of the company are based on letter of credit with a fixed maturity date, no provision for bad and doubtful debts (except sample receivable) have been considered in the accounts.

### 3.20 Earnings Per Share (EPS)

Earnings per share (EPS) has been calculated in accordance with IAS 33 : Earnings Per Share, which is shown in the statement of profit or loss and other comprehensive income.

### 3.21 General

a. Previous Year's Figures have been regrouped/reclassified wherever considered necessary to conform to current year's presentation.

b. Figures in the financial statements have been rounded off to the nearest taka.
