Circular

Subject: Information on Bangladeshi diaspora/ Non-Resident Bangladeshi specialist/ professionals

Dear Community Members,

The Bangladesh High Commission in Canberra is pleased to inform that the Finance Division, Ministry of Finance, Government of the People's Republic of Bangladesh, supported by the Asian Development Bank (ADB), is preparing a database of Non-Resident Bangladeshi specialist professionals including; scientists, engineers, academics and industrial experts to support industry-oriented R&D under the Skills for Industry Competitiveness and Innovation Program (SICIP).

The Ministry of Foreign Affairs, in collaboration with the Ministry of Expatriates' Welfare and Overseas Employment, is also developing a comprehensive Diaspora Policy to better engage skilled Bangladeshi professionals abroad in advancing Bangladesh's national interest, industrial transformation and sustainable development. SICIP is expected to play an important role in achieving these objectives.

In this regard the High Commission has been requested to submit a consolidated list of eminent Bangladeshi diaspora/NRB specialist professionals by 14 June 2026.

Therefore, community members who are interested in contributing to Bangladesh's national development, industrial advancement and knowledge-driven growth are kindly requested to share their information in the following format at: mission.canberra@mofa.gov.bd by the stipulated time.

Name	Present Workplace	Designation (if applicable)	Occupation/ Field of Expertise	Contact details (Address, including email & mobile number)

Your kind cooperation in this regard would be highly appreciated.

Sincerely Yours,
