# **CHITTAGONG PORT AUTHORITY TRAINING INSTITUTE**

**Training Calendar**  
2022-2023

## **HISTORICAL BACKGROUND OF CHITTAGONG PORT**

The history of Chittagong Port dates back to the 4th century B.C. Chittagong was known in the 9th Century onwards to 15th century as SHETGANG, an Arabic word meaning 'Delta of the Ganges'. According to history, this old port had sufficient trade and was important enough to attract fleet from the Middle East Port, China and other South Eastern Countries. The Omani and Yemeni traders landed on the Port of Chittagong in the 9th century A.D. During the 16th century the Portuguese took great interest in the locality around Chittagong which was then popularly known as 'PORTE GRANDE'. The present location of the port was, however, established in the year 1887 and by 1910 four jetties were constructed to handle 0.5 million tons of cargo annually. At that time, the port was administered jointly by port Commissioners and Port Railway. To do away with the dual administration of port Railway and Port Commissioners, the Port trust was formed in July, 1960. The Liberation of Bangladesh in 1971 set a new trend in the external trade of Bangladesh and to cope with the rapid development and expansion of the Port, the government promulgated the Chittagong Port Authority Ordinance in 1976 and dissolved the port trust thus Chittagong Port Authority came in existence.

## **CHITTAGONG PORT AUTHORITY TRAINING INSTITUTE (CPATI)**

The Chittagong Port being the principal port of Bangladesh is the nerve center of trade and commerce through which 93% of total maritime trade of the country is handled. Keeping in view the handling of ever-increasing cargo and container at the port, it is necessary to upgrade operational efficiency by improving productivity and level of services.

In order to impart on-the-job training to all categories of port officials and port users, the Chittagong port Authority established a Training institute (CPATI) on 25 April, 1980. It is located in serene natural environment and lies at a distance of 5 (Five) Kilometers from the center of the city and adjacent to the port Administrative Building (PAB) and CPA Hospital. It has an aesthetic beauty with verdant surrounding that creates the perfect ambience for training discussion, reflection and introspection.

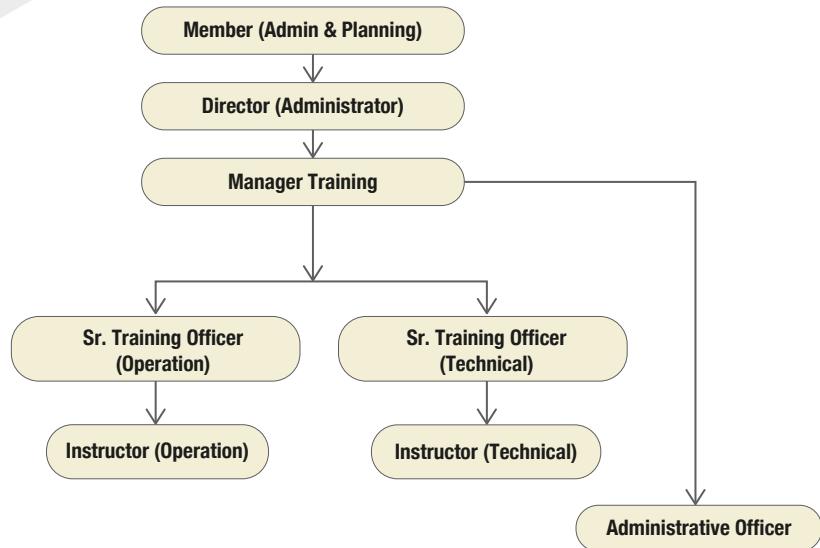

Since its inception, CPATI has been regarded as centre of excellence and offering fundamental skill building training as part of progressive development of human resources.

The institute is under the control of administration department, while the Training Institute is headed by Manager Training. He is assisted by Senior Training Officer (Technical), Senior Training Officer (Operation), Instructor (Technical), Instructor (Operation), Administrative Officer, Librarian and other staff.

CPATI has installed a combined simulator to train the container handling equipment operators and thus create a pool of skilled and efficient equipment operators. Training on combined/ integrated operations of straddle Carrier (SC), Rubber Tyred Gantry Crane (RTG) and Ship to Shore Gantry Crane (STS) are being provided through the simulator program. To cater for the demand of national and international market to develop skilled manpower, provisions have been made to extend the simulator training facilities to the public and private organizations.

CPATI has modern facilities to support its training activities. These include Air-conditioned Lecture Rooms, Computer Lab, Multimedia, Over Head Projector system and a library with numerous collection of books, periodicals, journals and magazines. There is an auditorium with 250 seats capacity with modern PA system.

## **NON-TECHNICAL COURSE**

## FOUNDATION COURSE

(for Officers)

**Objectives**

: The objectives of the course are to familiarize the participants with the management of CPA, service rule and other related rules of CPA, different aspects and procedures of personnel and office management, financial rules & regulations etc.

**For whom**

: Officials of CPA ( For Grade 09 and above)

**Coverage**

: Port Management  
Service Rule 1991  
Organogram of CPA  
Functions of various Deptt.  
Office Management  
Leave rules  
Financial & Audit rules of CPA  
Delegation of Power  
● PPR  
● Store Management

**Duration** : 10 working days

**Date (Tentative)** : 5-16 February, 12-23 March, 2023

**Number of course** : 02 (Two)

**Number of participants** : 40 numbers (Each Course)

**Teaching Methodology** : Class Lecture and Group Discussion  
Operational Area visit

**Course Director** :

**Course Co-ordinator** :

## **FOUNDATION COURSE**

(for Staff)

**Objectives**

: The objectives of the course are to familiarize the participants with the management of CPA, service rule and other related rules of CPA, different aspects and procedures of personnel and office management, financial rules & regulations etc.

**For whom Coverage**

: Staff of CPA  
: Port Management  
Service Rule 1991  
Organogram of CPA  
Functions of various Deptt.  
Office Management  
Leave rules  
Financial & Audit rules of CPA  
Delegation of Power  
● PPR  
● Store Management

**Duration**

: 15 working days

**Date (Tentative)**

: 17 July-4 August, 21 August-8 September, 11-29 September 11-31 October, 06-24 November, 04-22 December, 2022, 08-26 January, 03-23 February, 12-30 March, 02-20 April, 07-25 May, 04-22 June, 2023

**Number of course** : 12 (Twelve)

**Number of participants** : 40 numbers (Each Course)

**Teaching Methodology** : Class Lecture and Group Discussion  
Operational Area visit

**Course Director** :

**Course Co-ordinator** :

# **OCCUPATIONAL SAFETY & FIRST AID**

**(for Staff)**

## **Objectives**

: First Aid is an emergency care or treatment given to any casualty or any disease condition on the spot & without delay. After successful completion of the course the participants will be able to manage the patient until such time when a doctor is available in case of bleeding, burn, shock, drowning, heat injury, cold injury, chest pain, poisoning etc. Besides, it will also help to create awareness on occupational hazards/ accidents particularly in port operational area.

## **For whom**

: Staff of CPA(Traffic, Hydrography, Marine, Stores, Engineering and Marine Workshop) MPA, BR, BSC, Customs, ICD/Off Docks, Berth Operator, Shipping Agent etc.

## **Coverage**

: Importance of First Aid.  
The value of First Aid training.  
General principles in First Aid.  
First Aid Tools  
Rescue.  
Cardio-pulmonary resuscitation (CPR).  
Chemical-induced disturbances of consciousness, convulsion .  
Chemical-induced Bleeding, Burning shock, drowning, heat injury, chest injury.  
Poisoning.  
Occupational Hazards/ Accidents/ Diseases in port operational area.

## **Duration**

: 05 working days.

## **Date (Tentative)**

: 05-09 March, 2023

## **Number of course**

: 01 (One)

**Number of participants :** 20 Nos. (Each Course)

**Teaching Methodology :** Class Lecture and Discussion Practical.

**Course Director** :

**Course Co-ordinator** :

## **FIRE FIGHTING**

(for Officer)

**Objectives**

: The objectives of the course are to familiarize the participants with the classification and cause of fire, acknowledged them with the first hand knowledge on how to prevent, control fire and use of fire extinguisher including other modern equipment and appliances.

**For whom**

: Staff of CPA, Berth Operator, ICD/Off Docks etc.

**Coverage**

: Classification of fire.  
Causes of fire at key/vulnerable points.  
Preventive measures.  
Immediate action on fire hazard.  
Precautionary measures on fire hazard.  
Fire fighting appliances/equipment .  
Uses of fire extinguisher.  
Emergency rescue  
Evacuation.

**Duration** : 05 working days

**Date (Tentative)** : 18-22 September, 2023

**Number of course** : 01 (One)

**Number of participants** : 30 numbers

**Teaching Methodology** : Class Lecture and Discussion Drill & Exercise.

**Course Director** :

**Course Coordinator** :

# CONDUCT AND DISCIPLINE COURSE FOR CPA OFFICERS

<b>Objectives</b>	: To increase participants knowledge and skill with regards to the theoretical and practical aspects of conduct and discipline.
<b>Course Contants</b>	: The Government Servants(Conduct) Rules, 1979, The Government Servants (Discipline and Appeal) Rules, 1985, The public Employees ( Ounctual Attendance) Ordinance, 1982, National Integrity Strategy(NIS).
<b>For Whom</b>	: CPA Officers
<b>Duration</b>	: 01 days
<b>Date (Tentative)</b>	: 05 January, 2023
<b>Number of Participant</b>	: 25
<b>Number of Course</b>	: 01
<b>Training Methodology</b>	: Class room lecture and discussion, Case Study.
<b>Evaluation</b>	: Exercise, .Class Attendance.
<b>Course Director</b>	:
<b>Course Co-ordinator</b>	:

## ISPS CODE

**Objectives** : The course intends to revision of the security related rules and regulations in general and ISPS Code in particular.

**For whom** : Officials of all departments of CPA & stake holders (C&F Agent, Customs, Shipping Lines, ICD, Trucker etc.)

**Coverage** : KPI Regulation 2013

ISPS Code

The Chittagong Port Entry into Protected area Act 1948, Rules 1968

**Duration** : 4 (Four) Working days

**Date (Tentative)** : 22-25 August, 23-26 October, 04-07 December, 2022, 05-08 February, 09-12 April, 12-15 June, 2023

**Number of course** : 06 (Six)

**Number of participants** : 30 (Each Course)

**Teaching Methodology** : Class Lecture and Discussion

**Course Director** :

**Course Co-ordinator** :

## **ISPS CODE (NON-SECURITY PERSONNEL)**

**Objectives**

: The course intends to revision of the security related rules and regulations in general and ISPS Code in particular.

**For whom**

: Officials of all departments of CPA & stake holders (C&F Agent, Customs, Shipping Lines, ICD, Trucker etc.)

**Coverage**

: KPI Regulation 2013  
ISPS Code  
The Chittagong Port Entry into Protected area Act 1948,  
Rules 1968

**Duration**

: 02 (Two) Working days

**Date (Tentative)**

: 26-27 July'22  
12-13 February'23

**Number of course**

: 02 (Two)

**Number of participants** : 50 (fifty) Each Course

**Teaching Methodology** : Class Lecture and Discussion

**Course Director** :

**Course Co-ordinator** :

## **SAFETY INDUCTION COURSE**

(for Dock Workers)

**Objective** : To Increase the Safety culture of the dock-workers at the Chattogram port.

**For Whom** : All categories of blue color officials employed by the Berth Operators (Supervisor, Lashing men, Hatch Men, Crane/equipment operator, Tally Clerk etc.)

**Course Contents** : What is safety/ safety culture and importance of having same.  
List of Risk items when working in a port environment  
Basic safety training, items and use of PPE  
Interactive questions and Answers

**Duration :** : 01 (One) Day

**Date (Tentative)** : 21 August, 04 September, 16 October, 03 November, 2022,  
02 March, 04 May, 2023

**Number of Course** : 06 (Six)

**Number of Participants** : 100 (Each Course)

**Teaching Hethodology** : Lecture, Multimedia, Presentation, Video Show, Displays, Posters etc.

**Course Director** :

**Course Co-ordinator** :

# **FINANCIAL RULES AND REGULATIONS OF CPA**

**(for Staff)**

<b>Objectives</b>	: To improve participants knowledge and skill about the basic matters and rules & regulations related to financial management of CPA.
<b>For Whom</b>	: Staff ( Class III) - All Departments of CPA.
<b>Course Contents</b>	: <ul style="list-style-type: none"><li>● Important aspects of Financial Rules</li><li>● Budget Estimate &amp; approval procedure</li><li>● Rules relating to TA &amp; DA</li><li>● Salary &amp; allowances</li><li>● Pension &amp; Gratuity Rules,</li><li>● Imprest</li><li>● General Provident Fund, Benevolent Fund and Group Insurance Rules etc.</li><li>● Auditing System Raising of Audit Objection and its Disposal.</li></ul>
<b>Duration</b>	: 05( Five) Days
<b>Date (Tentative)</b>	: 11-15 December, 2022
<b>Number of Courses</b>	: 01(One)
<b>Number of Participants</b>	: 20 (Twenty)
<b>Teaching Methodology</b>	: Class lecture (Multimedia Presentation)  Group Exercise Case study
<b>Course Director</b>	:
<b>Course Co-ordinator</b>	:

## **CHATTOGRAM PORT AUTHORITY (CPA) FIREFIGHTING TRAINING**

**❖ Course Synopsis**

The Synopsis of the course is stated in table below:

- Duration of course - 02 weeks
- Days per week for instruction - 05 days
- Periods per day - 06 periods
- Total period per week - 30 periods
- Total periods available for instruction - 60 periods

### **CHATTOGRAM PORT AUTHORITY (CPA) FIREFIGHTING TRAINING (DURATION: 01 WEEK)**

<b>Ser</b>	<b>Topics</b>	<b>Allocation of Periods</b>			<b>Remarks</b>
		<b>Theory</b>	<b>Practical</b>	<b>Total</b>	
1.	Fire Fighting Theory	14	14	28

## TECHNICAL COURSES

# **COURSE ON** **e-FILING SYSTEM**

(for Officers)

**Objective**

: Ensuring convenience to citizens through faster movement of files and documents through different layers of CPA offices, improving service delivery and ensuring accountability.

**For Whom**

: For Officer

**Course Contents**

- : ● Dak Upload, Application Trucking, Memo print, Registration Book, Maintain of draft dak.
- Dak forward, Dak Trucking, settlement of dak.
- Preparation of Nothi, Types of Nothi, Approved the nothi, Edit previous Nothi, To write paragraph. Submit the dak
- Attached document with note sheet.
- Prepare draft letter, Edit letter & circulation of letter
- IDash Board, Mobile Apps.

**Duration** : 05 (Five) Working days

**Date (Tentative)** : 6-10 November, 2022, 05-09 February, 2023

**Number of Courses** : 2 (Two)

**Number of Participant** : 25 (Twenty Five) in each course

**Teaching Methodology** : ● Class Lecture and Discussion  
● Practical Demonstration  
● Individual & Group Exercise

**Facilities** : Multimedia & OHP presentation system

**Course Fee** : Tk. 700/- (Seven Thousand) per participant.

**Course Director** :

**Course Co-ordinator** :

# FOUNDATION COURSE FOR ECM DRIVERS

## Objective

: To impart a thorough general knowledge and technical competence in all aspects of the functioning, repair maintenance of motor vehicles and various cargo handling equipment.

## For whom

### Course Contents

: ECM Drivers .  
: ● Duties and Responsibilities of ECM Drivers.  
● Measuring Tools and Hand Tools.  
● Lubricants and Lubrications.  
● General idea on equipment components.  
● Engine components & trouble shooting.  
● Hydraulic system & trouble shooting.  
● Transmission system & trouble shooting.  
● Operational procedures.  
● Operation of switches and control.  
● Check point.  
● Various Cargo Handling equipment and its operation.  
● Loading and Unloading procedures.  
● Traffic Rules and signals.  
● Preventive maintenance.  
● Engine Overhauling (sequence of dismantling, sequence of re-assembling and trail run procedure).  
● Safety Rules and Personal Protective Equipment.

## Duration

: 05 (Five) working days.

## Date (Tentative)

: 02-06 April, 2023.

## Number of Courses

: 01(One) .

## Number of Participant

: 15 (Fifteen)

## Teaching Methodology

: ● Class Lecture and Discussion  
● Practical Demonstration.  
● Individual & Group Exercise.

## Facilities

: Multimedia & OHP presentation system.

## Course Fee

: Tk. 1500/- (One Thousand Five Hundred) per participant.

## Course Director

:

## Course Co-ordinator

:

## **VHF RADIO EQUIPMENT OPERATION COURSE**

<b>Objectives</b>	: At the end of the course the participants will acquire knowledge for developing communication skill in conversation, maintenance & servicing of the VHF equipment effectively.
<b>For whom</b>	: Employees of Marine , Security, Traffic, Medical, Electrical & Mechanical, Hydrography, Marine engineering Department dealing with radio communication.
<b>Course contents</b>	<ul style="list-style-type: none"><li>● Classification of Radio Waves, Radio waves and its transmission and reception, Frequency, Time period, Amplitude, Modulation, Demodulation, Side Bands, Channel Distress Frequency, Distress Signal.</li><li>● Different types of Radio communication, Radio Telegraphy , Radio Telephony, Simplex &amp; Duplex, RPTR.</li><li>● Radio Transmitter and Radio receiver, Operation procedure of VHF equipment.</li><li>● Radio communication and its characteristics, Effective Communication and Barriers of Communication.</li><li>● Radio Communication network of Chittagong Port .</li><li>● Phonetic Alphabet and speaking procedure.</li><li>● Volume Squalach, Dual watch, Base, Mobile , Handy Talkie Antenna.</li><li>● Battery charging &amp; its maintenance.</li><li>● Stand by Battery &amp; instant supply.</li><li>● Super heterodyne Radio receiver and its application in Radio Communication.</li></ul>
<b>Duration</b>	: 03 (Three) working days.
<b>Date (Tentative)</b>	: 14-16 February, 2023
<b>Number of Courses</b>	: 01 (One).
<b>Number of Participant</b>	: 20 (Twenty)
<b>Teaching Methodology</b>	<ul style="list-style-type: none"><li>● Class Lectures and Discussion</li><li>● Practical Demonstration.</li><li>● Individual &amp; Group Exercise.</li></ul>
<b>Facilities</b>	: Multimedia & OHP presentation system.
<b>Course Fee</b>	: Tk. 700/- (One Thousand Five Hundred) per participant.
<b>Course Director</b>	:
<b>Course Co-ordinator</b>	:

# ADVANCE ELECTRICAL MAINTENANCE COURSE

## Objectives

: At the end of course the participants will be able to, understand electricity and its uses, identify electrical machines and their components, maintenance functions of the electrical installations of Chittagong Port Authority.

## For whom

### Course Contents

: Mistry ,Skilled I & II of electrical personnel.  
: ● Electricity. Maintenance and its functions.  
● Different types of maintenance.  
● Maintenance of electrical installations of CPA.  
● principles of generation of electricity.  
● Tool used for maintenance work.  
● ohm's law, Kirchhoff's law, electrical circuits and wiring.  
● switch gears, common electrical faults.  
● Safety practices.  
● Benefits of maintenance.

## Duration

: 05 (Five) working days.

## Number of Course

: 03

## Date (Tentative)

: 11-15 September, 11-15 December, 2022, 14-18 May, 2023

## Number of Participant

: 20 (Twenty) .

## Teaching Methodology

: ● Class Lecture and Discussion  
● Practical Demonstration.  
● Individual & Group Exercise.

## Facilities

: Multimedia & OHP presentation system.

## Course Fee

## **ADVANCE MECHANICAL MAINTENANCE COURSE**

<b>Objective</b>	: To impart a sound understanding of the construction and functioning of mobile plant and equipment and competence in maintenance under skilled supervision.
<b>For Whom</b>	: Mechanic Grade I, II, III and Mechanical khalashi of mechanical workshop of CPA, MPA and ICD/Off dock.
<b>Course Contents</b>	: <ul style="list-style-type: none"><li>● Hand Tools</li><li>● Measuring Tools</li><li>● Lubricants &amp; Lubrication.</li><li>● Engine</li><li>● Preventative Maintenance</li><li>● Auto Electricity</li><li>● Welding</li><li>● Safety Procedure</li><li>● House Keeping</li><li>● Engine Overhauling (Practical)</li></ul>
<b>Duration</b>	: 05 (Five) Working days
<b>Date (Tentative)</b>	: 19-23 March, 2023
<b>Number of Courses</b>	: 01 (one)
<b>Number of Participant</b>	: 20 (Twenty)
<b>Teaching Methodology</b>	: <ul style="list-style-type: none"><li>● Class Lecture and Discussion</li><li>● Practical Demonstration</li><li>● Individual &amp; Group Exercise</li></ul>
<b>Facilities</b>	: Multimedia & OHP presentation system
<b>Course Fee</b>	: Tk. 700/- (Seven Thousand) per participant.
<b>Course Co-ordinator</b>	
<b>Course Director</b>	

# WORKSHOP ON HANDLING OF DANGEROUS GOODS

<b>Objective</b>	: To enhance the safe transport of dangerous goods while facilitating the free unrestricted movement of goods.
<b>For Whom</b>	: Staff & Officers of Traffic and Security Department.
<b>Contents</b>	: <ul style="list-style-type: none"><li>● Over view of IMDG Code, Dangerous goods declaration,</li><li>● Classify dangerous goods and Identify PSNs of dangerous goods,</li><li>● Pack dangerous Goods in packages,</li><li>● Mark, label or placard Dangerous Goods,</li><li>● Pack and unpack cargo transport units,</li><li>● Storage and handling of Dangerous goods at port,</li><li>● Prepare transport documents for Dangerous Goods,</li><li>● Offer Dangerous goods for transport,</li><li>● Accept Dangerous Goods in Transport,</li><li>● Handle Dangerous Goods in Transport,</li><li>● Prepare Dangerous Goods loading and Stowage plans,</li><li>● Load and unload Dangerous Goods into or from ships,</li><li>● Recommendations on the safe Transport of dangerous cargoes.</li><li>● Emergency Response plan &amp; MFAG</li></ul>
<b>Duration</b>	: 02 Working days.
<b>Date</b>	: 23-24 April, 17-18 May, 2023
<b>Number of Courses</b>	: 02 (Two)
<b>Number of Participants</b>	: 30 (Thirty)

# **COURSE ON SHIP TO SHORE GANTRY CRANE (STS) OPERATION BY SIMULATOR**

## **Objectives**

- : To gain understanding of safe operation of STS equipment and handling of containers, to have necessary knowledge of handling of containers, to have necessary knowledge of system, components, functions, to have knowledge of common faults of the real equipment that can be happened during operation through simulation.

## **For whom**

- : Junior Operator, Sr. Operator, Master Operator, Gantry Master, ECM Operator of CPA & MPA, ICD/Off Dock Operator and Others who are interested and eligible.

## **Course Contents**

- : Simulator Overview  
Student station-  
Main display  
Audio(Volume)  
Motion System  
Retractable Stairs  
Seat control  
Control Consoles for STS  
Touch Screen display(STS)  
Intercom  
Motion Control

### **Instructor Operator Station(IOS)-**

- IOS Display & Mimic Panel  
SID(Situation Display) & Controls(Joystick)  
Student Camera  
Intercom  
Motion Emergency stop.  
System Startup Procedure-  
Initial Startup  
Verification of Visual Startup

### **Troubleshooting locked systems**

- Starting and Shutting down Visual Display.

### **IOS Launcher**

### **Twin-Lift Controls**

### **Auto Park**

### **Trim controls**

### **Introduction to Scenario Design.**

### **Creating a Scenario-**

- Opening the Scenario Editor

- Simulated Training Arena.

Loads & Traffic Toolbar.  
Scenario Creation Cursor.  
Placing the crane.

**Container Tab-**

Adding a container stack  
Modifying a Container stack  
Configuring Containers  
Adding faults  
Changing Weights/Balances.  
Adding Vehicles  
Adding Waypoints  
Cargo list  
Container Ship Configuration  
General cargo and general cargo ships & feeder ship.  
**Scenario Building for STS**  
**Advanced scenario Building for STS**  
**Scenario Editing for STS**  
**Weather Condition for STS**  
**Practice, Practice & Practice.**

<b>Duration</b>	: 10 (ten) days
<b>Number of Course</b>	: 04 (Four). per Year
<b>Date (Tentative)</b>	: 04-15 September, 11-22 December, 2022 05-16 March, 11-22 June, 2023
<b>Number of Participants :</b>	08, per Course
<b>Qualification</b>	: (i) SSC/Equivalent with basic Computer knowledge. (ii) Candidate should not have height phobia. (iii) Height minimum 5'-4", Chest mini 30" (Normal) 32"(expansion) with sound health and eye vision.
<b>Teaching Methodology :</b>	Class Lecture and Discussion Practical Demonstrations Individual Exercise.
<b>Evaluation</b>	: Practical Test ( For 30 Min) 100 Marks.
<b>Course Fee</b>	: Free for CPA Participants. Tk. 10,000/- (Ten Thousand) per participant for other Participants.
<b>Course Director</b>	:
<b>Course Co-ordinator</b>	:

# **COURSE ON RUBBER TYRED GANTRY CRANE (RTG) OPERATION BY SIMULATOR**

## **Objectives**

- : To gain understanding of safe operation of RTG equipment and handling of containers, to have necessary knowledge of handling of containers, to have necessary knowledge of system, components, functions, to have knowledge of common faults of the real equipment that can be happened during operation through simulation.

## **For whom**

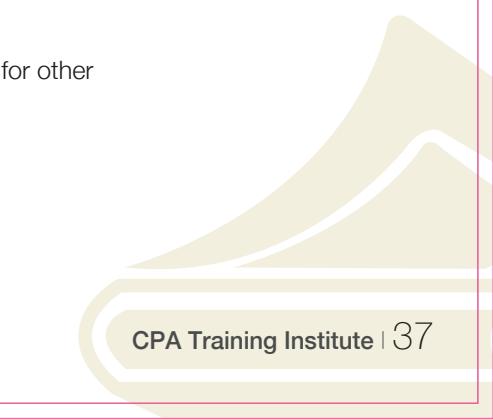

- : Junior Operator, Sr. Operator, Master Operator, Gantry Master, ECM Operator of CPA & MPA, ICD/Off Dock Operator and Others who are interested and eligible.

## **Course Contents**

- : Simulator Overview  
Student station-  
Main display  
Audio(Volume)  
Motion System  
Retractable Stairs  
Seat control  
Control Consoles for RTG  
Move Order(RTG)  
Intercom  
Motion Control

### **Instructor Operator Station(IOS)-**

- IOS Display & Mimic Panel
- SID(Situation Display) & Controls(Joystick)
- Student Camera
- Intercom
- Motion Emergency stop.
- System Startup Procedure-
- Initial Startup
- Verification of Visual Startup
- Troubleshooting locked systems
- Starting and Shutting down Visual Display.
- IOS Launcher
- Twin-Lift Controls
- Auto Park
- Trim controls
- Introduction to Scenario Design.
- Creating a Scenario-
- Opening the Scenario Editor
- Simulated Training Arena.

Loads & Traffic Toolbar.

Container Ship Configuration  
General cargo and general cargo ships & feeder ship.  
Scenario Building for RTG  
Advanced scenario Building for RTG  
Scenario Editing for RTG  
Weather Condition for RTG  
Practice, Practice & Practice.

**Duration** : 10 (ten) days

**Number of Course** : 04 (Four).

**Date (Tentative)** : 10-25 August, 16-27 October, 06-17 November, 2022  
07-18 May, 2023

**Number of Participants** : 08 per Course

**Qualification** : (i) SSC/Equivalent with basic Computer knowledge.  
(ii) Candidate should not have height phobia.  
(iii) Height minimum 5'-4", Chest mini 30"(Normal)  
32"(expansion) with sound health and eye vision.

**Teaching Methodology** : Class Lecture and Discussion  
Practical Demonstrations  
Individual Exercise.

**Evaluation** : Practical Test ( For 30 Min) 100 Marks.

**Course Fee** : Free for CPA Participants.  
Tk. 10,000/- (Ten Thousand) per participant for other Participants.
