# ANNUAL REPORT 2021

**COAL POWER  
GENERATION COMPANY  
BANGLADESH LIMITED**

# Annual Report 2021

**"Our goal is to light up every house of Bangladesh as we want to build Bangladesh as a hunger and poverty free nation by 2021 and a developed one by 2041."**

Honorable Prime Minister Sheikh Hasina on inauguration of Matarbari 2x600 MW USC Coal Fired Power Plant.

**COAL POWER GENERATION COMPANY BANGLADESH LIMITED**  
*(An Enterprise of Government of the People's Republic of Bangladesh)*

**We have achieved our independence. So long a Bangali lives he will not tolerate this independence to be lost. Bangladesh will continue to exist as an independent country in history. There is no power on earth which can keep Bangladesh under subjugation.**

শেখ মুজিবুর রহমান

We are celebrating the Birth Centenary of the greatest Bangali of all times the Father of the Nation Bangabandhu Sheikh Mujibur Rahman this year with deep respect and love through various events around the world. Bangabandhu Sheikh Mujib became the symbol of the dreams and aspirations of the Bangalis through his lifelong struggle, uncompromising leadership and unlimited sacrifice. Under his valiant leadership, Bangladesh gained independence in 1971 through a great war of liberation. He is the founder of the first nation-state in South Asia. His imperishable name has been anointed in the same entity with Bangladesh today. He delivered the song of breaking the shackles of exploitation and the great spirit of liberation, not only to the Bangalis, but also to all the oppressed and deprived people of the world. In the eyes of some he is the Himalayas, in the eyes of others he is narrated as a 'Poet of Politics'. In fact, over the course of history, in the verses of the triumphs of the liberation of the great mankind his name shines brightly today.

### Memorable Quotes of Distinguished Personalities on Bangabandhu Sheikh Mujibur Rahman

*"I'm broken by the news of Sheikh Mujib's death. He was a great leader. His extraordinary heroism has been a source of inspiration for the people of Asia and Africa."*

– **Indira Gandhi**  
Former Prime Minister of India

*"I have not seen the Himalayas. But I have seen Sheikh Mujib. In personality and in courage, this man is the Himalayas."*

– **Fidel Castro**  
Former Prime Minister of the Republic of Cuba

*"As long as Padma, Meghna, Gouri, Jamuna flows on, Sheikh Mujibur Rahman, your accomplishment will also live on."*

– **Annada Shankar Ray**  
Poet and Essayist

*"The speciality of Mujib's character was his uncompromising fighting leadership with a generous heart."*

– **Yasser Arafat**  
Chairman, PLO, Nobel Peace Prize Winner

## Chairman's Message

Dear Shareholders,

I along with my colleagues on the Board welcome you to the 10<sup>th</sup> Annual General Meeting of Coal Power Generation Company Bangladesh Limited (CPGCBL).

I would like to pay my profound tribute and deepest gratitude to the Father of the Nation, Bangabandhu Sheikh Mujibur Rahman, the greatest Bengali of all times and the architect of independent Bangladesh; and all Heroes of our independence.

Currently, we are celebrating his Birth Centenary, the Mujib Borsho and the Golden Jubilee of our independence which is a precious occasion in our national history. With the spectacular achievements of our government during the last 10 years, Bangladesh has already graduated to a lower-middle income country from a low-income country. To ensure the transition from lower-middle-income to upper-middle income by 2031 and high income by 2041 as envisioned in the Perspective Plan 2021-2041, there is no alternative to ensuring affordable and quality power supply. The country is now focusing on sustainable power generation through fuel diversification.

I am very pleased to know that Coal Power Generation Company Bangladesh Limited (CPGCBL), an enterprise of government of the People's Republic of Bangladesh, is going to hold its 10<sup>th</sup> AGM as well as publish the Annual Report for the FY 2020-2021. On this occasion, I express my sincere felicitations and best wishes to all officials of CPGCBL who have done this appreciable task.

CPGCBL is implementing the Matarbari 2 X 600 MW Ultra Super Critical Coal Fired Power Plant, which is the single largest ODA project in the history of JICA. This project will create about 1000 jobs. Thus, this project will also help to improve the living standard of the countrymen and will assume a pivotal role in the country's GDP growth as well.

Along with this, CPGCBL has taken initiative to implement 500-600MW capacity LNG based CCPP, a joint venture project with Mitsui, Japan. Feasibility Study of this project is completed and ESIA study is ongoing in full swing. CPGCBL is also exploring the possibility to set up a 50 MW Solar Power Plant in Matarbari Mouza of Moheshkhali Upazila in Cox's Bazar near Matarbari 2x600 MW USC CFPP.

On behalf of the CPGCBL and power division, I hope that CPGCBL will play an important role for the economic development of our country by providing quality and affordable electricity to all.

Finally, I wish grand success of the 10<sup>th</sup> AGM of CPGCBL.

(Md. Habibur Rahman)  
Chairman  
CPGCBL Board and  
Secretary  
Power Division  
Ministry of Power, Energy and Mineral Resources.

## From the Desk of Managing Director

## Dear Shareholders,

At the very outset, I would like to pay my profound respect and ardent gratitude to the Father of the Nation Bangabandhu Sheikh Mujibur Rahman, the greatest Bengali of all time. This is our colossal gratification that we are going to organize the 10<sup>th</sup> Annual General Meeting of Coal Power Generation Company Bangladesh Limited (CPGCBL), at a time when whole nation is celebrating Mujib Borsho and Golden Jubilee of our independence.

It is my privilege to welcome you all to the 10<sup>th</sup> Annual General Meeting (AGM) of CPGCBL. On this auspicious day, it is my utmost pleasure to place the Annual Report of Coal Power Generation Company Bangladesh Limited (CPGCBL) along with the Audited Financial Statements and Auditors' Report thereon for the year ended on 30 June, 2021 in front of our valuable shareholders.

COVID-19 novel coronavirus has created an unprecedented global crisis, which also affected Bangladesh at a time when Bangladesh is on the way to become middle income country. We proudly pronounce and articulate that, despite the challenging and unavoidable COVID-19 pandemic, CPGCBL has been persistently striving to achieve its highest value for shareholders since its inception in 2011.

Ever since our Hon'ble Prime Minister, Her Excellency Sheikh Hasina took the office about 13 years ago, the nation has made remarkable progress in power sector. The government has taken short-term, mid-term and long-term plans for improving the power system. According to the Vision 2021 and Vision 2041 of the Government of Bangladesh, we have to generate 24,000MW by 2021; 40,000MW by 2030, and 60,000 MW by 2041. It needs diversification of fuel sources, especially coal, renewable energy, LNG, nuclear etc. According to that plan CPGCBL has taken initiatives to generate electricity based on coal, LNG and renewable energy.

I anticipate that CPGCBL will continue to play a dynamic and outstanding role in ensuring integrity, transparency, accountability, capacity building, and efficiency in the business arena of

our growing national economy, especially in the power sector this time around.

The construction of Matarbari 2x600MW Ultra Super Critical Coal Fired Power Project has witnessed significant progress. In this fiscal year, remarkable physical progress has been achieved for steel structure erection of boiler, civil works of power house, construction of coal and oil unloading jetty, water treatment system, chimney construction, plant water intake system and civil works in the other parts of the Balance of Plant (BOP) area.

End of this fiscal year, cumulative physical progress of port and power plant works was 54.73% and now the physical progress is 60.68%. 14.3 km long, 250m wide, -18.5m deep channel construction with other facilities has been completed. The first mother vessel was moored at the deep-sea port on 29 December 2020.

Under the scopes of Rural Electrification, Installation of 2x 25/41 MVA, 132/33 KV Substation, and 33/11 KV Substation have been completed. To provide a better livelihood to the local community, the construction of distribution networks has been finished. For the well-being of the Project Affected People, CPGCBL has developed a comprehensive Resettlement Action Plan and has engaged NGO to implement the resettlement activities. So far, as per the approved Entitlement Matrix, a total number of 2173 project-affected individuals have been compensated by Tk 143 crore as top-up and one-time assistance, according to the approved Entitlement Matrix. Within this time, 938 Labors have got compensation of 27 Crore Taka. Moreover, land development and house construction for squatters (landless

family/ illegal habitation on the embankment of the Bangladesh Water Development Board) has been completed. Under the Livelihood Restoration Program, training was provided to a total of 339 Project Affected Persons on different courses, and this program is continuing.

As regards to the security issues, a number of facilities were developed at the project site, which includes Police and Ansar Barracks, Watchtower, Security Fence and Lighting, Patrol Road, procurement of security vehicles, speed boat, etc. Bangladesh Army, Navy, and Air Force have been jointly arranging mock drills at regular intervals in the Project Area to ensure the security of foreigners and local employers. Besides, NSI and DGFI are also working at the Matarbari project site.

CPGCBL has taken initiatives for implementing a 500-630 MW LNG based CCPP in joint venture with Mitsui & Co. Ltd. The Technical Feasibility study of this project has been completed. The work of ESIA is going on in full swing. Financial Advisor is going to be appointed very soon to conduct a Financial Feasibility Study of the Project.

As a part of implementing the Government's vision of generating a considerable portion of electricity from renewable energy, CPGCBL appointed TUV-SUD Bangladesh Pvt. Ltd and AWS Truepower, India as a consultant to conduct a feasibility study to explore the

possibility of wind power at Matarbari Island. The Feasibility Study has been completed, and the result shows that there is a great potentiality for wind energy in that area. CPGCBL has taken the initiative to implement a 50 MW capacity Solar Power Plant near Matarbari 2x600 MW USC CFPP and is also seeking to setup power generation project based on LNG and Combined Cycle Power Plant.

In the end, I would like to thank all our employees across the company for their hard work, and enthusiasm. Due to our employees' professional approach, and the leadership of our competent and trustworthy management team, CPGCBL has grown significantly over the time. I would like to offer my sincere appreciation to all valued Shareholders, the Board of Directors, clients, dedicated Management team, including the committed staff members and my colleagues, for their continuous support and sincere co-operation. I am also thankful and contented to Power Division, Ministry of Finance, IMED, Planning Commission, Bangladesh Bank, Japan International Cooperation Agency (JICA), Registrar of Joint Stock Companies and Firms (RJSC) and STIC & MJVC for their advice, guidance, heartfelt and passionate support.

I once again thank all esteemed shareholders and the CPGCBL Board for their confidence in the Management team. We firmly believe such confidence will remain unflinching in the years to come as well.

# DIRECTORS' PROFILE

## Chairman's Profile

Md. Habibur Rahman is serving Power Division, Ministry of Power, Energy and Mineral Resources as its Secretary. He is also the Chairman of Coal Power Generation Company Bangladesh Limited (CPGCBL).

Official Phone No: +88 02-9511030  
Email ID: secy@pd.gov.bd  
Website: powerdivision.gov.bd

**Md. Habibur Rahman**  
Secretary, Power Division  
MoPEMR

Mr. Md. Habibur Rahman, Secretary, Power Division took over the responsibility of Chairman of Coal Power Generation Company Bangladesh Ltd. (CPGCBL) on 11 December 2020.

Prior to joining the post of Secretary, Power Division, Ministry of Power, Energy and Mineral Resources on 12 November 2020, he served as Additional Secretary (Budget-1) in the Finance Division of the Ministry of Finance.

Mr. Rahman, a career bureaucrat, joined the Bangladesh Civil Service (Administration) cadre in 1991 and belongs to the 10th batch. He started his career as an Assistant Commissioner in the Office of the Divisional Commissioner Rajshahi and subsequently posted at the Office of the Deputy Commissioner, Natore and worked there as an Assistant Commissioner till February'93. Then he worked in the Refugee, Relief and Repatriation Commission at Cox's Bazar from March'93 to February'94. He was posted in the Office of the Deputy Commissioner Habiganj and went on to work as Assistant Commissioner (land) in Habiganj Sadar from April'94 to September'96. Thereafter he worked as Assistant Director in the Bureau of Anti-Corruption from October'96 to November'98. Afterwards, he was appointed as Assignment Officer in the Prime Minister's Office and worked there till September'01. As Senior Assistant Secretary he worked at Finance Division from January'03 to September'05 and at Ministry of Education from February'06 to May'07.

The high point of his career has been his long stint of more than fifteen years in the Finance Division. He was one of the early bunches of officers who steered the transition from the traditional method of budget making to the Medium-Term Budget Framework (MTBF). There, he worked as Deputy Secretary (Budget-1), joint Secretary (Budget 1) before eventually being elevated to the position of Additional Secretary (Budget 1) and was the lynchpin of national budget preparation for more than a decade. He was also a Budget Specialist on the Financial Management Reform Programme and Deepening DMTBF and Strengthening Financial Accountability Project of the Finance Division. He has been teaching all areas pertaining to Public Financial Management at the Institute of Public Finance and most other training institutes and has been instrumental in developing a critical mass of Civil Servants steeped in Public Finance.

Mr. Rahman earned his BSc. and MSc. in Applied Physics and Electronics from the University of Dhaka. He holds another Master's degree in Economic Development Policy and Research from the University of Birmingham, UK. He also received training on Government Budget Management, Public Financial Management, Professional Development and Performance Management from India, Singapore, USA, UK and New Zealand. In addition, he attended numerous seminars, workshops, study tours and official visits at home and abroad. Mr. Rahman is a recipient of the prestigious Public Administration Award of 2017 for his outstanding contribution to public sector.

## Directors' Profile

### Engr. Md. Belayet Hossain

Chairman  
Bangladesh Power Development Board

Engr. Md. Belayet Hossain is serving Bangladesh Power Development Board (BPDB) as its Chairman. He is a Director of CPGCBL Board.

Phone: 02-9562154  
Email: chairman@bpd.gov.bd  
Website: www.bpd.gov.bd

Engr. Md. Belayet Hossain, currently serving as the Chairman of Bangladesh Power Development Board (BPDB), joined Coal Power Generation Company Bangladesh Ltd. as a Director on 10 March 2020.

He assumed the responsibility of Chairman, BPDB on 13 February, 2020. He is the 37th Chairman of his organization. Before joining as Chairman, he was the Member (Generation) of BPDB.

Mr. Md. Belayet Hossain was born in Madaripur on 1 February, 1963. He did his Bachelor of Science in Mechanical Engineering from BUET in 1984.

Mr. Md. Belayet Hossain started his career in BPDB as an Assistant Engineer on 28 October, 1984. He worked at the Ghorasal 3rd & 4th Unit Extension Projects, Ghorasal Power Station, Siddhirganj Power Station, Tongi 80 MW Gas Turbine Power Station, Renewable Energy Research & Development Directorate. He was the Project Director of Pre-Payment Metering Project and Chief Engineer, Ghorasal Power Station and Chief Engineer, (P&D) in BPDB. Moreover, he worked in lieu at a gas turbine power station under the Dubai Electricity & Water Authority (DEWA).

Currently he is also the Chairman of Ashuganj Power Station Company Ltd. & United Ashuganj Energy Ltd. and Member of the Board of Directors of Bay of Bengal Power Company Ltd., Power Grid Company of Bangladesh Ltd., Bangladesh-India Friendship Power Company Ltd., Nuclear Power Plant Company Bangladesh Ltd., Bangladesh-China Power Company Ltd.; Sembcorp North West Power Company Ltd., Bangladesh-China Renewable Energy Company Ltd., Titas Gas Transmission & Distribution Company Ltd. and Bakhrabad Gas Distribution Company Ltd.

He visited Russia, China, USA, Singapore, Thailand, India, Italy, Germany, Netherlands, Switzerland, France, Belgium etc. for training and professional purposes during his long career.

He is married and blessed with four offspring.

## Directors' Profile

### Ramendra Nath Biswas

Member (Secretary)  
Agriculture, Water Resources and Rural Institutions Division, Planning Commission

Mr. Ramendra Nath Biswas is a Member (Secretary), Agriculture, Water Resources and Rural Institutions Division, Planning Commission. He is also a member of the Royal Economic Society (UK) since 2008 and a life member of the Bangladesh Economic Association.

Phone: 02-9180799  
Email: rnbiswas@finance.gov.bd  
Website: plancomm.gov.bd

Mr. Ramendra Nath Biswas, a Member (Secretary) Agriculture, Water Resources and Rural Institutions Division, Planning Commission, joined the Board of Directors of Coal Power Generation Company of Bangladesh Limited as a Director on 09th July 2019.

Mr. Biswas is a career civil servant and has been involved in designing and implementing public policies for nearly three decades. His experiences cover public administration, public financial management, macro-fiscal policy analysis and forecasting, and training. He is a member of the national budget preparation team.

Mr. Biswas joined the Bangladesh Civil Service (Administration) Cadre (9th Batch) in 1991. He worked as an Assistant Commissioner and 1st Class Magistrate in Shariatpur District Administration and as a Senior Assistant Commissioner in Divisional Commissioner's Office, Dhaka. He joined Finance Division, Ministry of Finance as a Senior Assistant Secretary in 2003 and also had worked as Deputy Secretary and Joint Secretary before being reposted there as Additional Secretary in 2017.

Mr. Biswas obtained BSS (Honours) and MSS degrees in economics from the University of Dhaka and MSc in Development Economics from the University of Birmingham (UK). He participated in professional training courses in a number of reputed foreign institutions including Asian Institute of Technology (Thailand), Asia-Pacific Finance and Development Institute (China), IMF Training Institute (Singapore), National Academy of Public Administration (Vietnam), Carleton University (Canada), Duke University (USA), and University of the Philippines.

Mr. Biswas is a member of the Royal Economic Society (UK) since 2008 and a life member of the Bangladesh Economic Association. He is a regular trainer of Fiscal Economics and Economic Management course at the Institute of Public Finance Bangladesh (IPFB) and occasionally instructs courses at Bangladesh Institute of Administration and Management (BIAM), BCS Administration Academy and Bangladesh Public Administration Training Centre (BPATC).

In addition to CPGCBL, he sits on the Board of Directors of Jiban Bima Corporation, Bangladesh Petroleum Corporation and the Bangladesh Institute of Capital Market. He also serves the Senates of Dhaka University and Jahangirnagar University as a member nominated by the Government.

Engr. A.M. Khurshedul Alam, Chief Executive Officer of North-West Power Generation Company Limited (NWPGCL) is a Director of the Board of Coal Power Generation Company Bangladesh Limited (CPGCBL), and a member of the Technical & Engineering Committee of CPGCBL. He is also the Managing Director of Bangladesh-China Power Company (Pvt.) Limited (BCPCL) and Bangladesh-China Renewable Energy Company (Pvt.) Limited (BCRECL).

He came of a respectable Muslim family from Jamalpur District. He did his B.Sc. in Mechanical Engineering from BUET in 1976. He has illustrious experience of over 44 years in engineering management. He took the helm of North-West Power Generation Company Limited on 24 November 2008, Bangladesh-China Power Company (Pvt.) Limited on 01 October 2014 and Bangladesh-China Renewable Energy Company (Pvt.) Limited on 09 September 2020 in addition. Prior to his current assignment of Chief Executive Officer, he was an Additional Chief Engineer of Bangladesh Power Development Board and had held various positions in multifarious project works of BPDB.

Engr. A.M. Khurshedul Alam has received much prestigious recognition at home and abroad for his outstanding performance in power plant project management. For his transparent and innovative role in project implementation, he has been awarded the Integrity Award for the FY 2018-19 by the Government of the Peoples' Republic of Bangladesh. Moreover, under his dynamic leadership, North-West Power Generation Company Limited has been awarded as the Fastest Growing Power Generation Organization of Bangladesh and in this regard Hon'ble Prime Minister Her Excellency Sheikh Hasina handed over a trophy, a symbol of recognition, to him at the Inauguration of the National Power and Energy Week, 2018.

He is privileged to take part in many high profile training courses, seminars, symposiums, workshops, meetings, inspections, factory tests at home and abroad.

He is married and blessed with a daughter and a son who are Physician and Engineer respectively.

## Directors' Profile

Dr. Monwara Hakim Ali is a successful leading woman entrepreneur in Bangladesh. She was the former Honorary Consul of the Republic of Indonesia in Chittagong and the first elected woman as First Vice President of the Federation of Bangladesh Chamber of Commerce & Industry (FBCCI). She is a Director of CPGCBL Board.

She is the Author of two reader-worthy books- "Awareness & Prevention of Drug Abuse" and "Way to a Successful Career."

She is married, blessed with two sons and one daughter.

## Directors' Profile

Md. Nasir Uddin Tarafder is serving at Power Division as its Joint Secretary. He is a Director of CPGCBL Board.

Phone: 02-9871155  
Email: js.companyaff@pd.gov.bd  
website: powerdivision.gov.bd

### Md. Nasir Uddin Tarafder

Joint Secretary  
Company Affairs, Power Division

Md. Nasir Uddin Tarafder, Joint Secretary, Power Division, Ministry of Power, Energy and Mineral Resources, Government of the People's Republic of Bangladesh joined as director Coal Power Generation Company Bangladesh Limited (CPGCBL) on 11th December 2020.

He joined BCS Telecommunication Cader (10th batch) in 1991 as an Assistant Divisional Engineer. At first he took part on basic training on Telecommunications at Telecom Staff College, Gazipur, foundation training at BPATC, Savar for 02(two) years. He worked in various capacities as an Assistant Project Director, 39 KL Project, Ctg. ADE, SDET & DET, Mymensingh, DET, Rajshahi, DET, Dinajpur, DE Phones (Ext.) Gulshan. Afterwards he joined Senior Service Pool as Deputy Secretary, MOPA. He was appointed Transport Engineer and Project Director of Feasibility Study on MRT line 1&5 in Dhaka Transport Coordination Authority (DTCA), Road Transport and Highways Division. He also took part in formulation of Revised Strategic Transport Plan (RSTP), 2015 and act as a focal point officer on MRT line-6 Construction Project under implementation by DMTCL. After Promoted to Joint Secretary he was appointed Director Admin, DTCA and continued as Project Director of the same Project.

Mr. Nasir Uddin Tarafder has a bright academic career and completed his graduation in Mechanical Engineering from Bangladesh University of Engineering & Technology (BUET). He got a Scholarship and Completed Post Graduation in Advanced Production Process Engineering from Islamic University of Technology (IUT) run by OIC.

In his service career he completed foundation training, ACAD, Senior Staff Course (SSC) at BPATC, Development Administration and Management (DAM) course at Admin Academy.

He Participated a wide range of training/Workshop/Visit Programs at home and abroad.

He attended different training programs on telecom switching, transmission, optical fiber, maintenance and operation and telecom networks in France, China, Turkey & South Korea.

Mr. Tarafder also took part training on Comprehensive Urban Transport Planning in Japan, on MRT System in Japan, Thailand, India, Vietnam. Also visited UK, Germany and USA (Exposure visit of Senior Staff Course)

Now h(DAM)e is also rendering his best efforts as a Director in the Board of Bangladesh Cable Shilpa Ltd. (BCSL).

He was born in a renowned Muslim family in Jamalpur District. He is Married and blessed with a son and a daughter.

## Directors' Profile

Mr. Md. Abdus Sattar is serving at Ministry of Shipping as its Joint Secretary. He is a Director of CPGCBL Board.

Phone: 02-9515185  
Email: sattarnet552@gmail.com  
Website : www.mos.gov.bd

### Md. Abdus Sattar

Joint Secretary  
Ministry of Shipping

Md. Abdus Sattar is a joint secretary of the Ministry of Shipping. In addition to his assignment he is an honourable director of the Board of the CBGCBL.

He joined the Bangladesh Civil Service on January 26, 1991. During his long civil service career he successfully discharged his responsibilities in various capacities of the government. He served in the ministries of Posts and Telecommunications, Fisheries and Livestock, Women and Children Affairs.

He obtained his Honours and Masters degrees in English from the University of Dhaka. Also, he completed the Project Management Course from the National Academy for Planning and Development of Bangladesh. He visited a number of countries as part of his official assignments. The countries are USA, Germany, Switzerland, Sweeden, Denmark, Finland, Japan, Australia, China, India, Singapore, Turkey, Indonesia, Vietnam, Phillipines, Thailand, Mongolia and Sri Lanka.

He is married and blessed with two sons.

## Directors' Profile

### Md. Sayed Kutub

Member, Administration  
Bangladesh Power Development Board

Mr. Md. Sayed Kutub is serving at Bangladesh Power Development Board as its Member, Administration. He is a Director of CPGCBL Board.

Phone: 02-22337489  
Email: js.member.admin@bpd.gov.bd  
website: bpd.gov.bd

Md. Sayed Kutub, Member (Administration), Bangladesh Power Development Board has been appointed as a Director of Coal Power Generation Company Bangladesh Ltd. (CPGCBL) in December 2020. He is also a member of the Administrative Affairs Committee of CPGCBL Board.

Mr. Kutub completed his graduation and post-graduation in Accounting from University of Dhaka. After completing post-graduation he joined the Bangladesh Civil Service (Administration) Cadre in 1999. Being a career bureaucrat for more than 22 years, he worked in different level of field administration such as Assistant Commissioner, Senior Assistant Commissioner, Upozila Nirbahi Officer and Additional Deputy Commissioner. He worked as Deputy Secretary of Financial Institution Division under Ministry of Finance from 2015 to 2020. Before joining in Bangladesh Power Development Board (BPDB), he worked as Director (Training) in Bangladesh Rural Development Board (BRDB). He gathered financial and administrative experience from different fields during his bright career. He attended many training, conferences, seminars, workshops in many international forums. He explored in different countries like China, India, Philippines, Indonesia, Cambodia and Australia etc. for training and business purpose.

In addition to CPGCBL, he sits on the Board of Directors Northern Electricity Supply Company Limited (NESCO).

He is married and blessed with two daughters.

## Directors' Profile

### Barrister Moin Ghani

Advocate  
Supreme Court of Bangladesh

Barrister Moin Ghani is an Advocate of the Supreme Court of Bangladesh and a Partner at Alliance Laws, one of the leading law firms in Bangladesh. He has worked in international law firms in the U.K. and the U.S.A. He completed his LL.B and LL.M in Public International Law from the LSE in U.K. and was called to the Bar of England and Wales. He completed his Bar Vocational Course from BPP Law School, U.K. He is a Fulbright Fellow and studied international arbitration at the Washington College of Law, American University, U.S.A. Mr. Ghani has expertise in international arbitration and commercial law.  
Office Phone No :  
+88 01711 593919  
E-mail : ID :  
mghani@alliancelaws.com  
Website : alliancelaws.com

Barrister Moin Ghani is an Advocate of the Supreme Court of Bangladesh. He has the unique experience of working in international law firms in three jurisdictions - the United States (for Foley Hoag, LLP, a top ranked international arbitration firm which represented Bangladesh in the maritime boundary delimitation disputes in the Bay of Bengal with India and Myanmar); the United Kingdom (for Eversheds LLP, one of the top ranked global firms operating in the United Kingdom); and in Bangladesh as Head of Chambers, Alliance Laws.

He completed both his LL.B and LL.M/Public International Law from the London School of Economics and Political Science, London, U.K. He was called to the Bar of England and Wales from Lincoln's Inn. He is a Humphrey / Fulbright Fellow having completed one year of graduate studies in International Arbitration from the Washington College of Law, American University, Washington D.C., U.S.A.

He specializes in international arbitration, particularly those before the World Bank. He has been appointed by the Government of Bangladesh as Bangladesh's nominee to the World Bank's International Centre for the Settlement of Investment Disputes (ICSID) Panel of Arbitrators. He has represented Bangladesh as counsel in a number of international arbitration cases. Currently he represents Bangladesh and Petrobangla in an international arbitration case against a Canadian company; represents Petrobangla and BAPEX in two other arbitration cases against a Canadian owned company; and represents Bangladesh Power Development Board in an arbitration case against an American solar power company. He worked for Philippines in its maritime dispute with China, for Ecuador in an international arbitration, and for Venezuela in another arbitration.

Barrister Ghani is currently acting as counsel for the Bangladesh Telecommunications Regulatory Commission (BTRC) in a case before the United States District Court for the Southern District of New York. He is assisting the Bangladesh Ministry of Health in negotiations and drafting of contracts for the purchase of Covid-19 vaccines. He is assisting the Bangladesh Energy Regulatory Commission in litigation before the Supreme Court of Bangladesh.

Barrister Moin Ghani has been a Director of Coal Power Generation Company Bangladesh Limited (CPGCBL) since 05 September 2016. He is currently also a Director at Rupantarita Prakritik Gas Company Limited (RPGCL).

His publications include Bangladesh and 50 years of international law, White Board Policy Magazine, Centre for Research and Information (CRI) (2021); Bangladesh chapter, Asia Arbitration Guide (5<sup>th</sup> Edition), Respondek & Fan Pte Ltd., Singapore (2017); Bangladesh: Ethics and Anti-Corruption, Norton Rose Fulbright (2014); Bangladesh Chapter for Asia Arbitration, edited by Michael Moser and John Choong, Oxford University Press (2012); Court Assistance, Interim Measures, and Public Policy: India's Perspective on International Commercial Arbitration, American University (2012).

## Directors' Profile

### Mr. Golam Kibria

Managing Director  
Power Grid Company of Bangladesh Limited (PGCB)

Mr. Golam Kibria is the current Managing Director of Power Grid Company of Bangladesh Limited (PGCB). Prior to this, he served as the Managing Director of Coal Power Generation Company Bangladesh Limited (CPGCB).

Office Phone No.  
: +88 02 55046721  
E-mail ID : md@pgcb.gov.bd  
Website : pgcb.gov.bd

Mr. Kibria, having dynamic foothold in power sector, also worked as the Chief Engineer, Private Generation (IPP/RPP) of Bangladesh Power Development Board. He joined as a Director of CPGCB on 19.11.2019.

He possesses graduation degree from Bangladesh University of Engineering & Technology (BUET) in 1984, having more than 32 (thirty-two) years of diverse experience in power sector to his credit.

Mr. Kibria started his career with Bangladesh Power Development Board (BPDB) as Assistant Engineer in 1985. In his long Service, he served at various positions in the arena of Augmentation of Grid Substation, Grid Maintenance circle, Load Dispatch Division, Design & Inspection-1, Independent Power Producers (IPP) Cell-1&2, private generation (IPP/PPP) and other field of Engineering.

He participated many trainings and workshops at home and abroad as well as visited many countries as official delegation for training, joint venture projects, Inspection of Equipment & material and manufacturing process.

Mr. Kibria is also Life Fellow of the Institution of Engineers, Bangladesh (IEB) & Life Member of the BUET Alumni.

He is also a Board Director of Bangladesh Power Management Institute (BPMI), Bangladesh Rural Electrification Board (BREB) and Nuclear Power Plant Company Bangladesh Ltd (NPCBL).

Mr. Golam Kibria was born in a renowned Muslim family in Barishal District. He is married and blessed with two Daughters.

## Directors' Profile

### Ms Tanzina Haque FCMA

Associate Professor  
Dept. of Accounting & Information Systems, DU

Ms. Tanzina Haque FCMA is an Associate Professor of Department of Accounting & Information Systems, University of Dhaka, a life member of Dhaka University Accounting Alumni Association and also a member of Australia Alumni Association Bangladesh.

Email ID : tzh86@yahoo.com  
Website: www.du.ac.bd

Ms. Tanzina Haque FCMA joined CPGCB as a director on February 2, 2020. She is the convener of the Audit and Finance committee of the company. Ms. Haque is an Associate Professor of the Department of Accounting & Information Systems, University of Dhaka. She completed her BBA and MBA with distinction from the Department of Accounting & Information Systems, University of Dhaka. In her bright academic life she achieved different scholarships and also the Prime Minister's gold medal for her merit position. Under the prestigious Australian Leadership Award (ALA) program, she has attained another Master's degree in International Business from The University of Melbourne, Australia having concentration in trade and multilateral agreements. She is a certified professional Cost & Management Accountant (CMA) and Fellow member (FCMA) of Institute of Cost & Management Accountants of Bangladesh (ICMAB).

Ms. Haque has obtained numerous training programs on Management Accounting Practices and Cost Audit in Textile and Oil sector, Cost Audit implementation in Fuel and Sugar Industries, WTO and Bangladesh Trade Policy and also attended various national and international seminars and conferences related to Recent Change in Accounting and Reporting Standards, Corporate Governance: CIMA's Role in the Change Process, Resource Mobilization and Management of Economic Growth, Shaping the Future Through Inclusive Development, Spectrum of Opportunities through Innovation and Technology, Interdisciplinary Solutions for Business Challenges in a New Global Order.

In addition to her vibrant academic career in public university she also taught as an adjunct faculty in different private universities including professional bodies ICAB and ICMAB. She has written numerous articles published in national and international journals.

She is a life member of Dhaka University Accounting Alumni Association and also the member of Australia Alumni Association Bangladesh.

## Directors' Profile

Mr. Md. Abdul Mottalib is the current Managing Director of Coal Power Generation Company Bangladesh Limited (CPGCBL). He carried out his duties as the Member (Distribution) of Bangladesh Power Development Board (BPDB) prior to his current responsibilities. He is also a director of NWPGL Board.

Official Phone No: +88 02 9338529  
Email ID : mdcpcb@yahoo.com  
Website: cpgcbl.gov.bd

### Md. Abdul Mottalib

Managing Director  
Coal Power Generation Company Bangladesh Limited (CPGCBL)

Mr. Md. Abdul Mottalib was born in Faridpur on 30th December 1960. He joined as the Managing Director of Coal Power Generation Company Bangladesh Limited (CPGCBL) on 05th January 2020. He is the 07th Managing Director of CPGCBL. Before his journey with CPGCBL, he served Bangladesh Power Development Board (BPDB) as Member (Distribution).

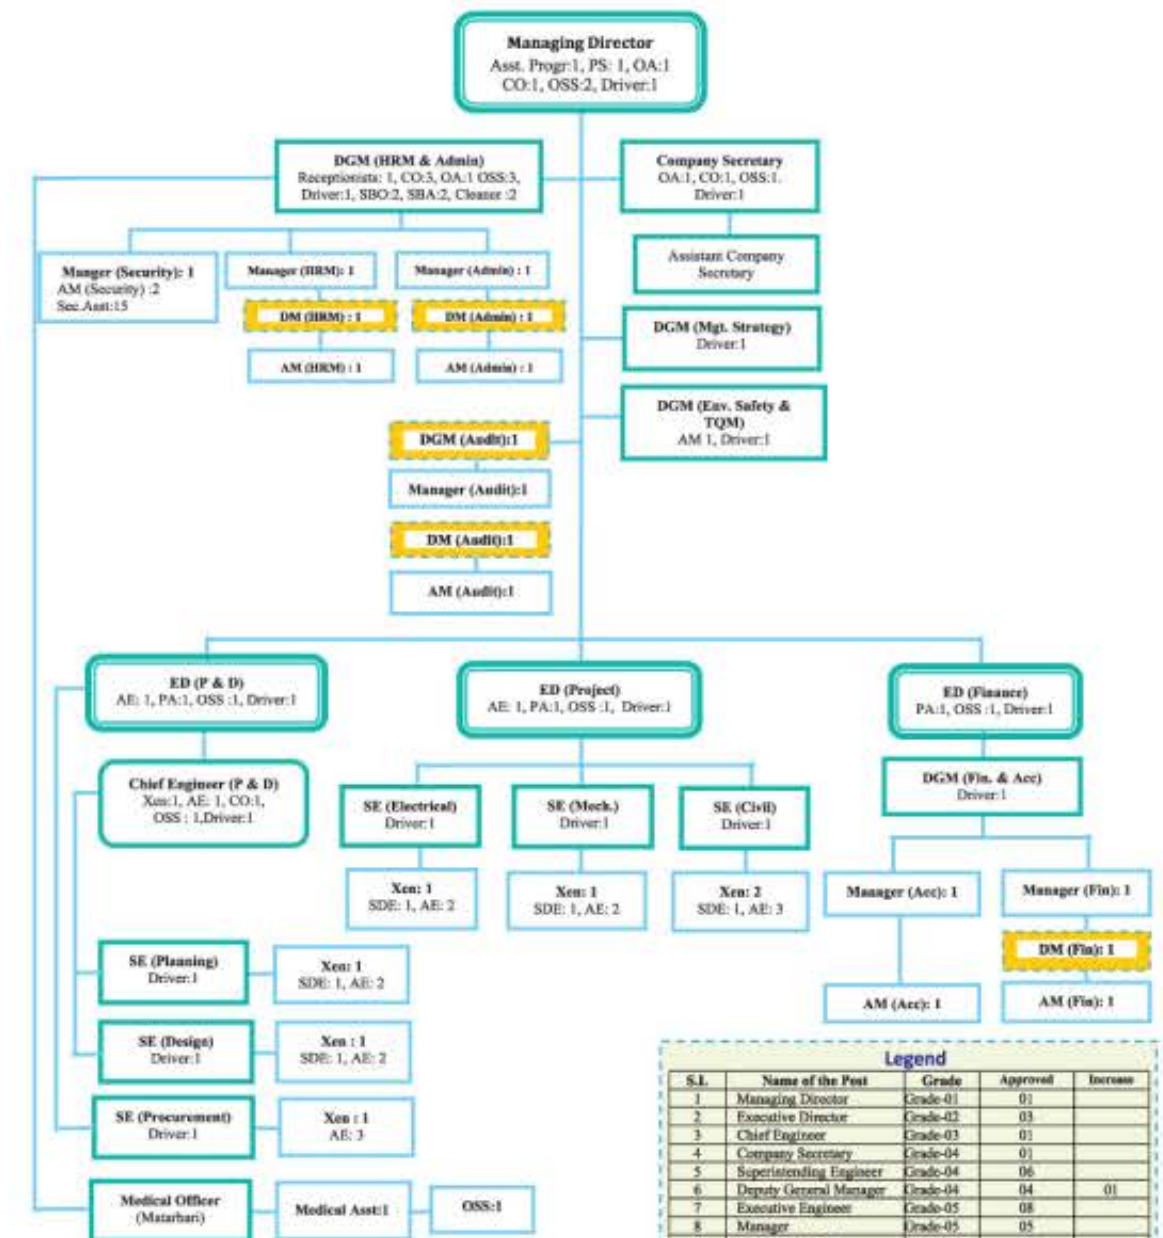

Mr. Mottalib completed his graduation in Electrical and Electronic Engineering (EEE) in 1982 from Bangladesh University of Engineering and Technology (BUET). Then he started his career as an Assistant Engineer of Bangladesh Power Development Board (BPDB) in 1984. He holds more than 36 (thirty-six) years of diverse experience in the power sector in his credit. In his long career, he has worked in planning & designing of distribution lines & transformers; construction, operation and maintenance of substations, and many other Engineering fields. In his service life, he also contributed in reducing system loss and increasing revenue collection. He supervised and implemented various projects of BPDB of which the installation of world standard submarine cable for the first time in Bangladesh to connect Sandwip island with the national grid via Sitakunda is worth mentioning. He served in various engineering posts before joining as the Member (Distribution) of BPDB.

He took part in many trainings and workshops at home and abroad, visited many countries as an official delegate.

He is also a Director of North-West Power Generation Company Bangladesh Limited's Board.

In his personal life, Mr. Mottalib is blessed with two sons.

# DIRECTORS' REPORT

"The government is very much optimistic to bring 1200 MW power from Matarbari Coal Fired Power Plant by 2024, as its construction progresses fast."

- Nasrul Hamid, State Minister for Power, Energy and Mineral Resources.

## Directors' Report

### Honorable Shareholders,

The Board of Directors of Coal Power Generation Company Bangladesh Limited (CPGCBL) has the pleasure of submitting the directors' report and the company's audited financial statements for the fiscal year 2020-21.

### Preface:

This year we are celebrating the birth centenary of the father of the nation Bangabandhu Sheikh Mujibur Rahman, the Mujib Borsho. This year also marks the fiftieth anniversary of Bangladesh's independence - the golden jubilee of our glorious independence, being celebrated at home and abroad. The year is like the confluence of two great streams - an estuary of time. In this great estuary, another feather is added: we are graduating from the status of a Least Developed Country to a Developing Country, a major achievement in the nation's journey.

Bangladesh, once one of the ten poorest countries in the world, is now the 41st largest economy in the world. According to the Center for Economic and Business Research (CEBR), a British economic research organization, Bangladesh will become the 25th largest economy in the world by 2035 if the current trend in economic growth continues. The extraordinary pace of development of Bangladesh has stunned the world today. On the auspicious occasion of the birth centenary of the Father of the Nation and the golden jubilee of independence, we as a nation are hitting the ground running and turning things around, following his footprint and the roadmap he laid down for our economic emancipation.

It is obvious that the pace at which Bangladesh has achieved economic growth during the last several years, has created a consistent growth pattern in our development trajectory. Unfortunately, the COVID-19 pandemic hit us hard in March 2020, and it is still raging across the country. Despite that inconvenience and handicap, under the strong leadership of Hon'ble Prime Minister Sheikh Hasina, we are trying to continue our economic development

by putting emphasis on lives and livelihoods. With the improvement of the socio-economic condition of the people, we are certain that we can achieve our planned targets of 2030 (sustainable development goals), 2031 (upper middle-income country), 2041 (high income country) and 2100 (implementation of Bangladesh Delta Plan).

In line with the process of developing the country's socioeconomic condition, the government is striving to meet the growing demand for energy and increase the use and supply of sustainable and safe energy. It is appreciated that the government has been focusing more on the energy sector. The power and energy sector has made significant progress in ensuring access to electricity over the last decade.

### Background:

With the impressive and eye-catching socio-economic development in Bangladesh, the demand for electricity in agriculture, industry and service sector, and daily life is increasing thick and fast. The COVID-19 crisis has underlined the importance of a reliable, affordable and secure electricity supply that is able to accommodate sudden changes in behavior and economic activity while continuing to support vital health and information services.

The government, with its firm commitment and dedication to ensure uninterrupted and quality power supply in the Mujib Centenary, together with "Sheikh Hasina's commitment to extend electricity to all households", has been relentless in facilitating a coordinated development in power generation, transmission and distribution. As part of the Mega Plan to generate 60,000 megawatts by 2041, we have already been able to enhance the electricity generation capacity to 25235 megawatts including captive and renewable energy, extend the electricity facility to 99.75 percent of our population, and raise the per capita electricity generation to 560 kilowatt-hours.

In order to secure fuel supply, the government has taken plans for fuel diversification. Electricity generation from gas/LNG, Liquid fuel,

coal, nuclear, hydro, renewable energy and import from neighboring countries has also been included in this plan. As per this plan, coal, nuclear, gas/LNG based combined cycle power plant will be operated as base load power plants.

Coal has been a comparatively cheaper fuel for electricity generation worldwide. Bangladesh has opted not to extract its own coal available in the northern districts but has decided to use imported coal for power generation. Due to logistical constraints, coal power plants will face difficulties in importing coal for power generation at a 'cheaper' price. The impediment is linked to the absence of deep-sea port and large coal import vessel movement restrictions due to the shallow depth of the existing port channels. As a result, small ships are to be used for coal imports in the country (involving multiple transshipments and high handling costs), imported coal becomes costly. If the coal power plant location is away from the ports, the cost of coal imports for the plant will become costlier. In order to address this complication, Coal Power Generation Company Bangladesh Limited (CPGCBL) was established in 2011 and the commercial operation date of the first power plant of CPGCBL is in early 2024.

The prime initiative of Coal Power Generation Company Bangladesh Limited (CPGCBL) is to

construct a 2x600 MW Ultra Super Critical Coal Fired Power Plant at Matarbari in Maheshkhali Upazila of Cox's Bazar District. This project includes deep-sea port facilities such as the 18.5MSL, 14.3km long, and 350m wide Matarbari Channel, as well as the construction of jetty and coal handling facilities for coal import, coal storage, power plant construction, township development, rural electrification, transmission facility construction, and road communication. Environmental and Social Impact Assessment (ESIA) and Feasibility Study of this project were conducted in the year 2013-2014. A loan agreement between the Government of Bangladesh & Japan International Cooperation Agency (JICA) was signed on 16th June, 2014. The estimated project cost as per approved Development Project Proposal (DPP) is Tk. 35,984 crore, among which Tk. 7045 crore is from Government and CPGCBL's fund, rest amount Tk. 28,939 crore as Project Aid from JICA. Implementation of this project will increase electricity generation, create employment opportunities and develop skilled manpower through transfer of modern technology. CPGCBL has a joint venture with Mitsui & Co. Ltd., Japan for 500-600 MW LNG based Combined Cycle Power Plant project. Besides, as per advice of power division, CPGCBL is seeking to setup power generation project based on renewable energy, LNG and Combined Cycle Power Plant.

#### Financial Position in the FY: 2020-21

In the financial year 2020-21, the Company's financial position was as follows:

Figures in million Taka

Particulars	FY 2020-21	FY 2019-20	% Change
Total Assets	189,771	144,991	30.88%
Total Liabilities	79,038	59,775	32.23%
Total Equity	110,733	85,215	29.95%
Net Fixed Assets	189,165	144,586	30.83%
Current Assets	606	405	49.63%
Current Liabilities	920	114	707.02%

figure: Financial Position of CPGCBL

In the financial Year 2020-21 total assets of the company increased by 30.88% while total liabilities increased by 32.23% compared to the previous year. Total equity & net fixed assets increased by 29.95% and 30.83% respectively.

figure: Financial Year 2020-21, CPGCBL's Financial Position (% Change)

During the Period, the Company received fund from GOB & JICA are as follows:

Figures in Crore Taka

Particulars	Equity	Loan	Total
(a) Fund from JICA	2,280.79	1,520.53	3,801.32
(b) Fund from GOB	270.52	179.21	449.73
(c) Grand Total (a+b)	2,551.31	1,699.74	4,251.05

figure: Percentage of fund (JICA & GOB)

## Current Projects of CPGCBL

### 1. Matarbari 2x600 MW Ultra Super Critical Coal Fired Power Plant Project (Phase 1) Progress

1608 acres of land have already been acquired for the construction of 2x600 MW Ultra Super Critical Coal Fired Power Plant including port facility. "Matarbari Joint Venture Consultant (MJVC)" performing as Owner's Engineers by CPGCBL. MJVC prepared the technical specifications, drawing of power plant and port facility, Bid Document for EPC (Engineering, Procurement and Construction) contractor. The Consortium of Sumitomo Corporation, Toshiba Energy Systems & Solutions Corporation and IHI Corporation (formerly known as Ishikawajima-Harima Heavy Industries Co., Ltd.) is engaged as EPC contractor for construction of 2x600 MW Ultra Super Critical Coal Fired Power Plant on 27th July 2017. On August 22nd, 2017, the EPC Contractor began work on the power plant. Honorable Prime Minister of the Govt. of the People's Republic of Bangladesh Sheikh Hasina laid down the Foundation Stone of

Matarbari 2x600 MW Ultra Super Critical Coal Fired Power Plant on 28th January, 2018. Currently, Boiler Steel Structure & ESP Structure Erection, Transformer foundation & Coal yard foundation works, Unit 1 and Unit 2 Power House and associated areas above ground works and erection of structures, Coal Unloading Jetty-Superstructure works and installation of fenders and bollards, Water Treatment Plant and CW Intake Structure construction works are ongoing against Power Plant & Coal & Ash Handling Component. Moreover, dredging works are almost complete and Security fence installation and embankment works are ongoing against Port work, besides that Slope Protection works (Retaining Walls) Construction works are ongoing. Also, the design & drawing review of power plant and port works are also ongoing. At the end of this fiscal year, cumulative physical progress of port and power plant works was 54.73% and at present the physical progress is 60.68%.

Fig: Bird's Eye View of the Port Area

Fig: Bird's Eye View of the Power Block Area

The S-Curve which delineates the overall planned and actual project progress is shown below:

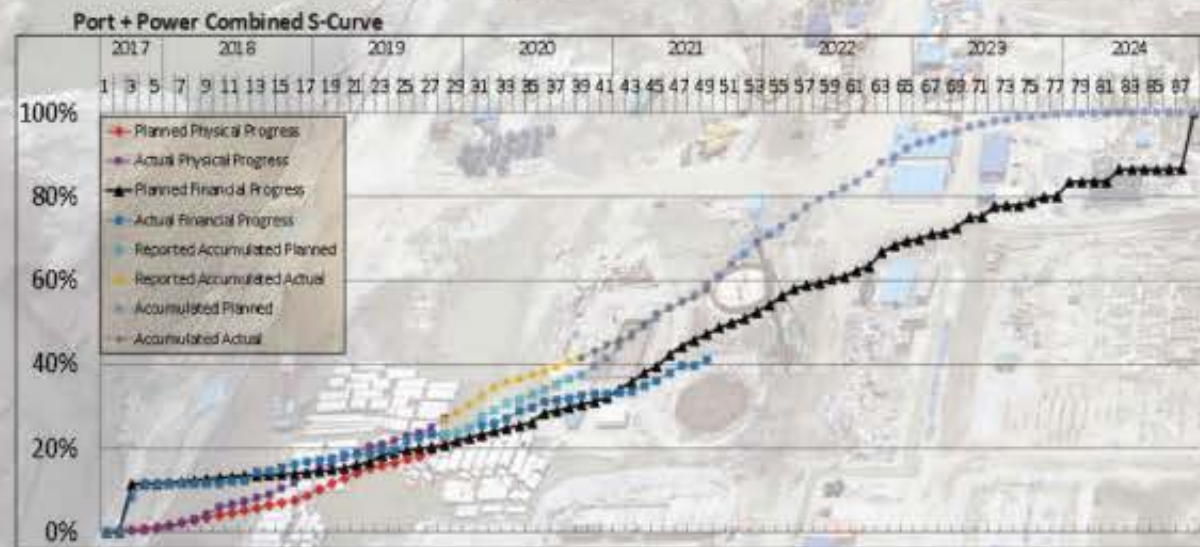

Figure: S-Curve for overall Project (EPC)

Fig: First ship docks in Matarbari Deep-sea Port

#### First ship docks in Matarbari Deep-sea Port

The first ship was moored at the deep-sea port at Matarbari in Cox's Bazar on 29 December 2020. The foreign ship reached the Matarbari Deep-sea Port in order to conduct an experimental capacity test of the newly built port. Loaded with steam generator parts, the Panama flag carrier "Venus Triumph" docked around 10:20am, sailing off from Indonesia's Pt. Pelabuhan Cilegon Mandiri port on December 22. A total of 736 tons of steel structures in 313 packages including beams, columns, graters and towers for Matarbari Power Project were brought in the ship. The vessel was brought to the temporary jetty of the power plant. With the aim of navigating the ship, the CPGCBL created a 14.3-kilometer channel with the width of 250 meter and depth of -18.5 meter. The ship entered into the channel from the Bay of Bengal. The idea of the deep-sea port in Matarbari was conceived after the government started a coal-based power plant project in the area, as a wider channel and a port would be required to bring in the fuel for the plant. Export and import activities have increased significantly in recent years, so the country needs a deep-sea port to support the growing international trade and the economy. The depth and width of this channel will be enlarged gradually. Now, a maximum 320-meter-long vessel can sail through this channel.

Fig: Civil ongoing Construction Works

#### 1.1 Milestones of Matarbari 2x600 MW Ultra Super Critical Coal Fired Power Plant Project:

S/N	Activities	Target	Achievement
01	DPP (Development Project Proposal) Approval	31 March, 2013	12 August, 2014
02	EIA Report Approval of Matarbari USCFPP	31 October, 2013	10 October, 2013
03	Subsidiary Loan Agreement with GoB	April, 2014	28 July, 2015
04	Issuance of Request for Proposal to Select Consultant	April, 2014	8 May, 2014
05	Signing Loan Agreement with JICA	16 March, 2014	06 June, 2014
06	Land Acquisition	-	14 August, 2014
07	Selection of Consultant (MJVC)	October, 2014	7 January, 2015
08	Issuance of Final Bid Document for EPC Selection	March, 2016	24 March, 2016
09	EPC Selection	April, 2017	27 July, 2017
10	EPC Contract Signed	-	27 July, 2017
11	Commencement of EPC Works	-	22 August, 2017
12	Unit-1: Piling Works start of the Boiler	07 April, 2020	05 March, 2020
13	Successful completion of first coal storage yard pile		28 February, 2021
14	Pilling of boiler and turbine hall area completed		28 March, 2021
15	Start erection of boiler main steel structure Unit-01 (1st Steel Column)		08 March, 2021
16	Turbine Foundation Unit-01 completed		30 March, 2021
17	Testing & Commissioning (Unit 1)	January, 2024	
18	Testing & Commissioning (Unit 2)	July, 2024	

Preparatory works for Power Plant and Port Facilities were conducted by M/s Penta-Ocean Construction Co. Ltd, Japan. The Matarbari channel with -18.5m depth, 250m wide at bottom and approximately 14.3 km long channel have already been constructed.

132 kV Chakaria-Matarbari transmission line (Single circuit) and Matarbari 132/33 kV sub-station have been constructed for power supply during power plant construction phase and rural electrification of that locality.

Moreover, rural electrification is a great part of the project which has brought Matarbari and Dhalghata union under electricity coverage and thus it has helped the Govt. of Bangladesh to achieve the target of electrifying 100% citizens of the country.

### 1.2 Resettlement Program

CPGCBL has developed a comprehensive Resettlement Action Plan (RAP) to address the resettlement issues of the people who are affected by the project. For implementing this resettlement action plan, an NGO has been engaged to conduct census and socio-economic survey for the project affected households and persons. CPGCBL Board has approved the Entitlement Matrix and estimate for the implementation of the resettlement action plan for the project affected persons. CPGCBL has started the training programs for project affected persons. Up to June 2021, a total number of 2173 project affected individuals have been compensated as top-up and one-time assistance according to the approved Entitlement Matrix. Within this time 938 Labors have received compensation. Moreover, land development and house construction for squatters (land less family/ illegal habitation on the embankment of Bangladesh Water Development Board) have already been completed. Until June 2021, the overall progress of the resettlement program is 95.85%.

**Fig: Aerial View of constructed resettlement houses for the Squatters**

**Fig: Construction Works in Progress**

### 1.3 Ultra Super Critical (USC) Technology:

In Matarbari 1200 MW Coal Fired Power Plant, Ultra Super Critical technology will be used. Though Ultra Super Critical (USC) power plant has relatively higher construction cost, its efficiency is higher relative to sub-critical technology-based power plant. These types of plant have efficiency range from 38% to 42.5% where a sub-critical plant has efficiency up to 36%. That's why a USC coal-based power plant requires less coal to generate the same amount of power than a sub-critical coal fired power plant. As the coal consumption is low at a USC coal fired power plant, the amount of CO<sub>2</sub>, SO<sub>x</sub>, NO<sub>x</sub> etc. emission is relatively low. In this regard, categorically we can say, USC coal power plant is environment friendly.

### 1.4 Clean Coal Technology:

Environment friendly Clean Coal Technology will be implemented in Matarbari 2x600 MW USC Coal Fired Power Plant. Low-NO<sub>x</sub> (nitrogen oxide) burners reduce the creation of nitrogen oxides during the combustion process. Flue gas desulfurization (FGD) process will be used to remove oxides of Sulfur (SO<sub>x</sub>) from exhaust flue gas. Electrostatic precipitators (ESP) remove very small particulates from flue gas by charging particles with an electrical field and then capturing them on collection plates.

### 1.5 Security at Matarbari Project Site

CPGCBL has taken the necessary initiatives to ensure the security of the Matarbari project area and the personnel involved with the project. Firstly, a detailed security survey has been conducted over the total project area and security measures have been taken as per the recommendation of the security survey report. A sufficient number of police, Ansar, Battalion Ansar, Navy, and Coast-Guard members are stationed at the project site to ensure its security. In addition, modern security devices (i.e., Binoculars, Walkie-Talkie, Metal detector, CCTV) are provided to the security personnel.

To coordinate the security activities, CPGCBL's own Security Officials are appointed. Four-wheeler vehicles and speed boats have been provided for security patrolling inside the project area; the surrounding river/sea and to facilitate the security patrolling, 6 peripheral roads have been constructed around the project area. To prohibit unauthorized entry into the project area, chain-link fencing with barbed wire at the top has been constructed surrounding the project area. Security camp/ check post/ watchtower have been constructed by CPGCBL at different points of the project area and CCTV surveillance system has been installed at the site office and the surrounding area to enhance the overall security of the area.

## 2. 500-600 MW LNG Based Combined Cycle Power Project:

Coal Power Generation Company Bangladesh Limited (CPGCBL) and Mitsui & Co. Ltd., Japan are seeking to develop jointly imported LNG based gas-fired combined cycle power plant with an approximate capacity of 500MW to 600MW at Matarbari Union, Maheshkhali Upazila of Cox's Bazar. In this regard, a

Memorandum of Understanding (MoU) was signed between CPGCBL and Mitsui & Co. Ltd, Japan on 8th November, 2017. This plant will be established within the acquired land of Kohelia 700 MW USC Coal Fired Power Project. The Development Project Proposal (DPP) for "To Conduct Feasibility Study for installation of 500-600 MW LNG Based Combined Cycle Power Plant along with Gas Transmission Line Construction" was approved on 30th October 2018. In order to conduct Environmental and Social Impact Assessment (ESIA) study and Technical Feasibility Study (TFS) contracts have been signed with Environmental Resources Management (ERM), Japan and Tokyo Electric Power Services Co. Ltd. (TEPSCO), Japan respectively in February, 2019. TEPSCO, Japan has already completed the Final Feasibility Study Report and was approved by CPGCBL Board. Also, all the activities of ESIA study are ongoing in full swing. Moreover, the advisor selection procedure is at the final stage for Financial Advisory Services (FAS). Furthermore, CPGCBL has already taken initiatives for Land Acquisition for construction of Gas Pipeline associated with this project.

### Total Milestones Achieved by CPGCBL:

SL.No.	Events	Year
1.	Registration, Incorporation and Commencement of Business	September, 2011
2.	Signing of Memorandum of understanding by and between CPGCBL, REB and PGCB for the implementation of RE Components.	September, 2013
3.	Signing of MoU by and between CPGCBL, BPDB & MPEMR on Establish Support Agreement (ESA)	October, 2013
4.	Approval of EIA Report	October, 2013
5.	Issue of EOI for Consultant Selection	February, 2014
6.	Issue of RFP for Consultant Selection	May, 2014
7.	Signing of Loan Agreement by and between JICA and GoB	June, 2014
8.	Approval of DPP	August, 2014
9.	The first Inter-Ministerial Steering Committee meeting was held.	November, 2014.
10.	Contract Signing for Consultant Selection	January, 2015
11.	Submission of Inception Report by Consultant	March, 2015
12.	Issue of PQ Document for Selection of EPC Contractor	03 June, 2015
13.	Invite Tender for Package 1.1: Procurement of Preparatory work for Power Plant & port Facilities Under Matarbari Ultra Super Critical Coal Fired Power Project.	July, 2015

14.	Contract Signing for Package 1.1: Procurement of Preparatory work for Power Plant & port Facilities Under Matarbari Ultra Super Critical Coal Fired Power Project with the contractor Penta-Ocean Construction Ltd. Japan.	03 February, 2016
15.	Works started under package 1.1: Procurement of Preparatory work for Power Plant & port Facilities Under Matarbari Ultra Super Critical Coal Fired Power Project	24 March, 2016
16.	Issuance Bid Documents for Package 1.2: Procurement of Power Plant & port Facilities Under Matarbari Ultra Super Critical Coal Fired Power Project send to Pre-qualified Bidders. (Main EPC)	March, 2016
17.	Contract Signed for Package: 4.2: Construction of 132/33 kV Substation	March, 2016
18.	Contract Signed for Package 4.1: Construction of 132 KV Transmission Line	April, 2016
19.	Contract Signed for Package 4.5-1: Local Electrical Consultant	February-2017
20.	Contract Signed for Package 4.11: Construction of 33/11kv REB Substation	April-2017
21.	Contract Signed for Package 1.2 Procurement of Power Plant & port Facilities Under Matarbari Ultra Super Critical Coal Fired Power Project.	27 July 2017
22.	EPC Work started	22 August 2017
23.	Mou Signed with Sumitomo Corporation for 2x600 MW Coal based	05 October 2017
24.	Contract Signed Package-4-W-1: Construction of Distribution Networks for 33/11/6.35 kv Line Under Matarbari Union	23 October 2017
25.	Package-4-W-2: Construction of Distribution Networks for 33/11/6.35 kv Line Under Dhalghata Union	06 November 2017
26.	MoU signed for 500-600 MW LNG Based Combined cycle Power Plants with Mitsui & Co.Ltd.	08 November 2017
27.	Contract signed for Environmental & Social Impact Assessment (ESIA) of the CPGCBL - Mitsui 500-630 MW LNG Based Combined Cycle Power Plant with Environmental Resources Management (ERM)	07 February 2019
28.	Contract signed for Feasibility Study of the CPGCBL - Mitsui 500-630 MW LNG Based Combined Cycle Power Plant with Tokyo Electric Power Services Co., Ltd. (TEPSCO)	27 February 2019
29.	Completion Land Acquisition (1429 Acres) to Setup 2x700 MW Ultra Super Critical Coal Fired Power Plant	July 2021
30.	Contract Signed for Technical Feasibility Study (TFS) for 2x700 MW Ultra-Super Critical Coal Fired Power Plant with Fichtner GmbH & Co. KG, Germany	August 2018
31.	Contract Signed for Financial Advisory Service (FAS) for 2x700 MW Ultra Super Critical Coal Fired Power Plant with SMBC, Japan.	May 2016
32.	Contract Signed for Environmental & Social Impact Assessment (ESIA) for 2x700 MW Ultra Super Critical Coal Fired Power Plant with AECOM India (Pvt.) Ltd.	July 2017
33.	Contract Signed for Technical Feasibility Study (TFS) for 1200 MW Ultra-Super Critical Coal Fired Power Plant with Ramboll UK Ltd.	22 September, 2019
34.	Contract Signed for Environmental & Social Impact Assessment (ESIA) for 1200 MW Ultra Super Critical Coal Fired Power Plant with ERM, Japan.	16 October, 2019
35.	Contract Signed for Financial Advisory Service (FAS) for 1200 MW Ultra-Super Critical Coal Fired Power Plant with SMBC, Japan.	26 December, 2019

## Upcoming Projects:

### Renewable Energy Projects:

The Government of Bangladesh has set a target of generating 10% of total electricity from renewable energy by 2025 as per the 8th Five Year Plan (2021-25). Moreover, SREDA has taken initiative to prepare the National Solar Energy Road Map 2021-2041. According to the draft report, the Target of Energy Generation through RE will be 6,000 MW by 2041. In this regard, the Power Division sets a target for CPGCBL to implement 100 MW Wind Power and 50 MW Solar PV Power Project.

#### (a) Wind Power

CPGCBL has already completed the Feasibility Study for the installation of Wind Farm in Matarbari Island by A Joint venture Company of TUV-SUD Bangladesh Pvt. Ltd and AWS True power, India.

There are plans to build a wind power station on the embankment under construction around the Matarbari power project by CPGCBL. Once the construction of the dam/Embankment is completed, the project will be implemented.

#### (b) Solar Power

As per decision of power division, CPGCBL has taken initiative to implement a 50 MW capacity Solar Power Plant in Matarbari Mouza of Moheshkhali Upazilla in Cox's Bazar near Matarbari 2x600 MW USC CFPP. Meanwhile, a letter regarding the funding prospect of the said

solar power project at Matarbari Area has been sent by ERD to the Japanese Embassy as well as JICA. The PDPP of the project titled "50 MW Grid-Tied Solar Power Project at Matarbari, Cox's Bazar" has been sent to the Planning Commission for policy approval by the Planning Commission with a view to obtaining foreign funding. The policy approval of the Planning Commission on the PDPP is currently in process. Discussion with JICA regarding financing and implementation of a Solar Power Project in Matarbari is ongoing.

### Coal Transshipment Terminal (CTT)

For the convenience of coal supply for the Coal based Power Plants of CPGCBL in Cox's Bazar area and other Coal Based Power Plant at different region of Bangladesh owned by different authorities, CPGCBL has set a plan for establishing a Coal Transshipment Terminal (CTT) in Dhalghata Mouja of Moheshkhali Upazilla. The administrative approval for the acquisition of 327 acres of land has been given by the Power Division, Ministry of Power, Energy and Mineral Resources. Bangladesh Economic Zone Authority (BEZA) has already planned to allocate 43.32 hectares (107.04 acres) land for construction of CTT (1st Phase). In this regard, necessary initiatives are being taken by CPGCBL. Considering the current scenario, discussion with JICA to conduct a revisit of the Feasibility Study regarding the implementation of CTT in Matarbari is ongoing.

## Shareholding Information of CPGCBL:

SL No.	Name of Shareholder	Represented by	No-of Share	Value Par Share	Amount (TK)
1	Government of the Peoples Republic of Bangladesh (GOB)	Secretary/Senior Secretary, Power Division	986,050	1,000	986,050,000
2	Bangladesh Power Development Board	Chairman, BPDB	2	1,000	2,000
3	Government of the People's Republic of Bangladesh (GOB)	Secretary/Senior Secretary, Energy and Mineral Resources Division	1	1,000	1,000
4	Government of the People's Republic of Bangladesh (GOB)	Secretary/Senior Secretary, Finance Division	1	1,000	1,000
5	Government of the Peoples Republic of Bangladesh (GOB)	Secretary/Senior Secretary, Ministry of Shipping	1	1,000	1,000
6	Government of the People's Republic of Bangladesh (GOB)	Joint Secretary (Dev), Power Division	1	1,000	1,000
7	Office of the Member (Company Affairs), BPDB	Member (Company Affairs), BPDB	1	1,000	1,000
Total			986,057		986,057,000

### Board of Directors of CPGCBL:

In this financial year (FY 2020-21), CPGCBL Board has been reformed due to four changes in honorable director's positions. These changes occurred because of change in the honorable director's professional responsibility. Dr. Sultan Ahmed has retired as the Secretary of the Power Division; Mr. Md. Nurul Alam and Mr. Selim Abed have been promoted to additional secretary of power division. Subsequently, Mr. Md. Habibur Rahman, Secretary, Power Division; Md. Nasir Uddin Tarafder, Joint Secretary, Power division, Mr. Md Sayed Kutub, Member (Admin),

Joint Secretary, Bangladesh Power Development Board, Mr. Md. Abdus Sattar, Joint Secretary, Ministry of Shipping have been appointed as director with the advice of Power Division. There are 12 distinguished Directors in CPGCBL Board for supervising and policy making including two independent directors, one is from apex body of business community (FBCCI) and another one is from University of Dhaka specialized in accounting and finance and also having affiliation with the professional body (ICMAB). The Managing Director of CPGCBL is the 'ex-officio Director' of the Board.

Fig: Board Meeting of CPGCBL

#### Election of Directors:

In pursuance to section 91(2), (schedule 1: section 79,80,81) of Companies Act 1994 and Article 115,116 and 117 of Articles of Association of the Company, Engineer Md.

Belayet Hossain, Mr. Golam Kibria, Md. Nasir Uddin Tarafder and Mr. Ramendra Nath Biswas will retire from the Board at this 10th Annual General Meeting and they are eligible to offer themselves for re-election.

#### Directors Meeting and Their Gracious Appearance:

Ten Board Meetings were held during this fiscal year (FY2020-21). The record of honorable directors' gracious presence is given below:

S/N	Directors	Meetings held (within their tenure)	Presence
01.	<b>Dr. Sultan Ahmed</b> Secretary Power Division	7	7
02.	<b>Md. Habibur Rahman</b> Secretary Power Division	3	3
03.	<b>Engineer Md. Belayet Hossain</b> Chairman Bangladesh Power Dev. Board	10	10
04.	<b>Mr. Ramendra Nath Biswas</b> Member (Secretary) Agriculture, Water Resources and Rural Institutions Division Planning Commission	10	06
05.	<b>Mr. Selim Abed</b> Additional Secretary, Power Division	10	10
06.	<b>Dr. Monowara Hakim Ali</b> Director & 1 <sup>st</sup> Vice President, FBCCI	10	10
07.	<b>Barrister Moin Ghani</b> Barrister-at-Law Bangladesh Supreme Court.	10	10
08.	<b>Md. Nasir Uddin Tarafder</b> Joint Secretary Company Affairs, Power Division.	3	3
09.	<b>Mr. Md. Abdus Sattar</b> Joint Secretary Ministry of Shipping.	3	3
10.	<b>Engr. A.M. Khurshedul Alam</b> Chief Executive Officer, NWPGL	10	10
11.	<b>Mr. Golam Kibria</b> Managing Director, PGCB.	10	09
12.	<b>Ms. Tanzina Haque</b> Associate Professor Department of Accounting & Information System, Faculty of Business Studies, DU	10	10
13.	<b>Md. Abdul Mottalib</b> Managing Director, CPGCB	10	10
14.	<b>Mr. A S M Mamunur Rahman Khalili</b> Member (Finance) Bangladesh Handloom Board	07	07
15.	<b>Mr. Md. Nurul Alam</b> Additional Secretary (Development-1) Power Division.	07	07

## VARIOUS BOARD COMMITTEES

In order to get assistance for discharging Board's functions, the Board has constituted 4 (four) standing committees according to the Article of 136 of Articles of Associations of the company. The Board Committees are responsible to report to the Board on the committee's work. The committees are as following:

- (a) Administrative Affairs Committee
- (b) Audit & Finance Committee
- (c) Legal Affairs Committee
- (d) Technical & Engineering Committee

Fig: Administrative Affairs Committee Meeting of CPGCBL

### (a) Administrative Affairs Committee:

The major responsibilities of this committee are to provide valuable recommendations to the board regarding administrative matters of the company. The Committee met 02 (two) times in the fiscal year 2020-21.

The committee consists of the following Board Directors:

1	<b>Md. Habibur Rahman</b> Secretary Power Division, MoPEMR	<b>Convener</b>
2	<b>Engineer Md Belayet Hossain</b> Chairman Bangladesh Power Development Board	<b>Member</b>
3	<b>Md. Sayed Kutub</b> Member, Administration Bangladesh Power Development Board	<b>Member</b>
4	<b>Md. Nasir Uddin Tarafder</b> Joint Secretary Company Affairs, Power Division.	<b>Member</b>
5	<b>Mr. Md. Abdul Mottalib</b> Managing Director CPGCBL	<b>Member</b>

### (b) Audit & Finance Committee:

The major responsibility of this committee is to address crucial accounting and financial matters of the company and provide recommendation. The Committee met 5 (five) times in the fiscal year 2020-21.

The committee consists of the following Board Directors:

1	<b>Ms. Tanzina Haque FCMA</b> Associate Professor Department of Accounting & Information System, Faculty of Business Studies University of Dhaka.	<b>Convener</b>
2	<b>Mr. Ramendra Nath Biswas</b> Member (Secretary) Agriculture, Water Resources and Rural Institutions Division Planning Commission	<b>Member</b>
3	<b>Dr. Monowara Hakim Ali</b> Director and Former 1st Vice President FBCCI, Dhaka	<b>Member</b>

#### (c) Legal Affairs Committee:

The major responsibilities of this committee is to provide valuable recommendations considering legal issues of the company. The Committee met once in the fiscal year 2020-21.

The committee consists of the following Board Directors:

1.	<b>Barrister Moin Ghani</b> Advocate Bangladesh Supreme Court	<b>Convener</b>
2.	<b>Dr. Monowara Hakim Ali</b> Director and Former 1st Vice President FBCCI, Dhaka	<b>Member</b>
3.	<b>Mr. Md. Abdus Sattar</b> Joint Secretary Ministry of Shipping	<b>Member</b>
4.	<b>Mr. Md. Abdul Mottalib</b> Managing Director CPGCBL	<b>Member</b>

#### (d) Technical & Engineering Committee:

The major responsibilities of this committee are to consider all the important engineering issues of the company and give advice based thereon. The Committee met 09 (nine) times in the fiscal year 2020-21.

The committee consists of the following Board Directors:

1	<b>Engineer Md Belayet Hossain</b> Chairman Bangladesh Power Development Board	<b>Convener</b>
2	<b>Engr. A.M. Khurshedul Alam</b> Chief Executive Officer North-West Power Generation Co. Ltd.	<b>Member</b>
3	<b>Mr. Golam Kibria</b> Managing Director Power Grid Company of Bangladesh Limited	<b>Member</b>
4	<b>Mr. Md. Abdul Mottalib</b> Managing Director CPGCBL	<b>Member</b>

#### CPGCBL's activities on Mujib Borsho

We are celebrating the birth centenary of the greatest Bangali of all time, the Father of the Nation Bangabandhu Sheikh Mujibur Rahman, with deep respect and love through various events around the world. The Government of Bangladesh has announced 2020–2021 as the Mujib Year as a tribute to the Father of the Nation. In accordance with the declaration, Coal Power Generation Company Bangladesh Limited has taken several programs in line with the action program taken by the Power Division. The following activities are being performed by CPGCBL during the Mujib Borsho:

- ✓ Mujib Corner has been established in CPGCBL's corporate office as a token of gratitude to the Father of the Nation Bangabandhu Sheikh Mujibur Rahman. There is a digital display board in the Mujib Corner of CPGCBL corporate office where the statements of Bangabandhu Sheikh Mujibur Rahman are being displayed continuously.
- ✓ CPGCBL is maintaining both of its corporate office and site office clean under the program "Clean Village, Clean City" and proper action plan has been taken to maintain hygiene and cleanliness in both corporate office and site office of CPGCBL according to the program "Beautification of workplace."
- ✓ Under the program "Amar gram, Amar Shohor", following activities have been taken in the Matarbari area:
  - Community road construction, maintenance of existing community road, housing facilities for homeless people etc.
  - For the smooth communication of the inhabitants of Matarbari and Dhalghata union, tomtom service has been provided by CPGCBL.
  - Approximately, 4000 people have been brought under electricity coverage with newly constructed distribution lines and substation.
  - Construction work of a new training center for local people in the Matarbari area is under planning. Upon approval of the RDPP of phase-I project, this training center construction work will be initiated.

#### Innovation of CPGCBL in this fiscal year:

The present democratic government is working relentlessly in order to make Bangladesh a resourceful and modern country. In order to be able to benefit from this increasingly globalized environment, we have to improve their skills and innovation capabilities. So, it is important to stimulate, support, and carefully nurture the spirit of creativity and innovation. Innovation means initiating new and creative plans, policies, and strategies to bring change to the administrative sector, accelerate the market economy, and bring stability to politics and society. In this fiscal year, CPGCBL implemented the innovation of installing online cloud storage (Online Drive), so that CPGCBL employees can access data from anywhere using the internet. This innovation became a necessity during covid-19 pandemic, when the government announced strict lockdown and instructed to work from home.

#### Pros of using Drive storage at CPGCBL

- During the Covid-19 pandemic, lockdown was imposed countrywide but there were important office works to perform within the deadline of different projects of Power Division. So, all office works have not been stopped rather it has become dynamic and virtual.
- For internal communication, dependence on email, google drive, drop box, one drive, pen drive etc. have been reduced at a greater extent.
- According to ICT policy, official documents should be stored inside the territorial region of Bangladesh. This goal is achieved by using the drive.
- Paperless office is implemented.
- To use this online drive we only need a computer and internet connectivity. We can access it from a remote place or home.
- Multiple users can get access at a time and there is no issue of slowing down of access time.
- It is very much cost efficient according to its significance.
- Probability of losing data is very low as RAID is being maintained in the drive.

## Human Resource Management (HRM)

### Department overview:

The Human Resource department is led by a management team that oversees the core business functions of HR i.e. workforce planning and development, labour relations and HR advisory services, compensation and benefits, and employee safety, health, and well-being. We deliver our services, programs, systems and policies in the spirit of the corporate values, following applicable laws, regulations and contractual agreements. We support a transparent and collaborative work environment

### HR Vision:

Yearn to amplify a diverse and engaged workforce to lead CPGCBL to the excellence

### HR Mission:

- » To serve as an effective department by providing efficient and solution-focused services for the stakeholders;
- » Dedicated to attracting, developing, rewarding and retaining a talented and diverse workforce;
- » To support the company's mission of fostering excellence in Power Generation.

### Employee information in CPGCBL:

CPGCBL being a newly established organization and tentative COD of "Matarbari 2x600 M.W USC Coal Fired Power Project" is January, 2024 employees of different divisions are recruited in different phases and that will be continued until commissioning. Recruitment and employee related information of the last 02 years is as below:

Description	FY: 2019-2020			FY: 2020-2021		
	Officers	Staff	Total	Officers	Staff	Total
Number of Employees (Permanent)	53	53	106	75	54	129
Number of Employees (On Lien)	01	-	01	01	-	01
<b>Total Employees</b>	<b>54</b>	<b>53</b>	<b>107</b>	<b>76</b>	<b>54</b>	<b>130</b>

## Employee Information (By Office):

Description	FY: 2018-2019			FY: 2020-21		
	Corporate Office	Matarbari Site Office	Total	Corporate Office	Matarbari Site Office	Total
Officers	36	18	54	52	24	76
Staffs	36	17	53	37	17	54
<b>Total=</b>	<b>72</b>	<b>35</b>	<b>107</b>	<b>89</b>	<b>41</b>	<b>130</b>

## Recruitment, Selection, Employee Retention:

### Recruitment, Selection, Employee Retention:

CPGCBL's human resource management addresses recruitment needs using different recruitment sources and methods suited to different positions in the organization. The company also uses power sector specific criteria in its selection process. To optimize employee retention, CPGCBL's human resource management strategy includes a continually evolving compensation program, together with high employee-management relations and career development.

### Career Advancement & Equal Opportunities:

A well-established talent management system comprising of Performance Management System, Leadership Development System, Career Development Scheme and Succession Planning Scheme is in place to ensure that we fulfill our promise of meaningful growth and relevant challenges for our employees. The career development of individuals is linked to diverse job exposure, learning input through planned interventions, clearance of e-learning, functional & administration of assessment tools

etc. Since we recognize the value of diverse workforce, CPGCBL is committed to provide equal opportunities in employment and creating an inclusive work place and work culture in which all employees are treated equally with respect and dignity.

#### Rewards & Recognitions:

We recognize the importance of Rewards and Recognition in building the performance culture of the organization. To this end, we have created a culture of rewards and appreciation through National Integrity Strategy (NIS) and recognizing the contributions behind each success.

#### Training & Development:

CPGCBL's employee training and performance management are determinants of the

company's human resource management capability in supporting its expansion. CPGCBL's training programs are designed to provide specific knowledge, skills and abilities for developing a truly knowledgeable workforce to ensure effectiveness in handling daily tasks, and capacity to adjust to emergent conditions in the power sector.

In 2020-21 financial year, in order to improve the efficiency of employees, different trainings were arranged by the company. In that financial year total 130 (One Hundred and Thirty) employees participated in those trainings. In 2020-21 FY total 8,822 M/H training was arranged in CPGCBL

Types of Training	FY:2019-2020	FY:2020-2021
	No/Man-hr	No/Man-hr
Local Training (Number of employees)	107	130
Local Training (Man/hour)	6,631	8,822
Foreign Training (Man/hour)	1,056	0
Total Training (Man/hour)	7,687	8,822
Average Man-hour/person (hour)	71.8	67.9

#### Appointment of Auditor:

Pursuant to Section 210 of the Companies Act 1994, The Company's statutory Auditors M.J ABEDIN & Co. Chartered Accountants retires at the 10th Annual General Meeting as Auditors of the Company. The Board of Directors endorsed the recommendation of Audit & Finance Committee for re-appointment of M.J ABEDIN & Co. Chartered Accountants as the Auditors of the Company further for the FY 2021-22 at fees of Tk 1,70,000.00 plus VAT.

#### Management Appreciation:

On behalf of the Board of Directors, I would like to take the opportunity to express our heartiest thanks to the shareholders of the company, Power Division, Planning Division, Ministry of Finance, Ministry of Law, Justice and Parliamentary Affairs, Ministry of Shipping, Chittagong Port Authority (CPA), Bangladesh Power Development Board, Rural Electrification Board, Power Grid Company of Bangladesh Ltd. (PGCB), and other companies of power sector, banks, auditors and other stakeholders for their continuous support and belief in us. As we perform for a common cause, I would like to convey my heartfelt gratitude to our esteemed development partner Japan International Cooperation Agency (JICA), our truest friend in any aspect for their able support. The board also appreciates the contributions of contractors and consultants in implementing the project of the company. We would like to express our sincerest gratitude to Her Excellency Prime Minister Sheikh Hasina for her guidance.

Though the Novel Corona Virus has hit the world hard, I would like to exhibit my profound appreciation to the employees of CPGCBL for their relentless efforts and commitment to ensure the continuous growth of the Company in this COVID-19 pandemic. I wish this will be extended into excellence.

For and on behalf of the Board of Directors'

(Md. Habibur Rahman)

Chairman, CPGCBL

&

Secretary, Power Division, MoPEMR

**INDEPENDENT AUDITORS' REPORT  
 TO THE SHAREHOLDERS OF  
 COAL POWER GENERATION COMPANY BANGLADESH LIMITED  
 Report on the Audit of the Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Coal Power Generation Company Bangladesh Limited (the "Company"), which comprise the Statement of Financial Position as at 30 June 2021, the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity, Statement of Cash Flows for the year ended 30 June 2021 and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the company as at 30 June 2021, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards, the Companies Act 1994 and other applicable laws and regulations.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other Information**

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

**Independent Auditors' Report  
 and Audited Financial Statements  
 of  
 Coal Power Generation Company Bangladesh Limited  
 As at and for the year ended 30 June 2021**

If, based on such work we perform, we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements of the Company in accordance with IFRSs, the Companies Act 1994 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on other Legal and Regulatory Requirements

In accordance with the Companies Act, 1994 we also report that:

- We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- In our opinion, proper books of accounts as required by law have been kept by the company so far as it appeared from our examination of those books;
- The company's Statement of Financial Position and Statement of Profit or Loss and Other Comprehensive Income dealt with by this report are in agreement with the books of accounts.

**Coal Power Generation Company Bangladesh Limited**  
(An Enterprise of the Government of the People's Republic of Bangladesh)  
**Notes to the Financial Statements**  
As at and for the year ended 30 June, 2021

**1 Background of the Company**

Coal Power Generation Company Bangladesh Limited is an enterprise of the Government of the People's Republic of Bangladesh (hereinafter the 'Company') was incorporated in Bangladesh on 5th September, 2011 as a Public Limited Company with Registrar of Joint Stock Companies & Firms (RJSC) bearing Registration #C-95239/11 under the framework of the Government Power Sector Reform Policy and the provision of the Companies Act, 1994. The Government of Bangladesh owns 100% share of the Company.

**1.1 Address of Registered Office**

The Registered Office of the Company is situated in Bangladesh. The present address of the Head Office is at 117, Kazi Nazrul Islam Avenue, Unique Heights (Level-17), Dhaka-1217.

**1.2 Nature of Business**

This power sector company has been formed with a view to producing power based on coal mainly but not solely. Four power generation projects including three coal based and one LNG based projects are currently being implemented by the Company. Eco-friendly Ultra Super Critical Technology based first 2x600MW Matarbari project is scheduled to be in operation in January 2024. Full swing operation of the company shall yield 5000 MW of power to the National Grid by 2030.

The following Projects are under implementation :

SL. No.	Coal Based Projects	Schedule date of Operation
1	Matarbari 2x600 MW Ultra Super Critical Coal Fired Power Project	Phase-I, January 2024 Phase-II, July 2024
2	Land Acquisition & Protection and Feasibility Study Project of Bangladesh-Singapore 700 MW Ultra Super Critical Coal Fired Power Plant.	New project shall be taken in continuation with the existing project for commercial operation of Bangladesh-Singapore 700MW project.
3(i)	Land Acquisition and Related activities for Construction of CPGCBL-Sumitomo 1200 MW Ultra Supercritical Coal Fired Power Project.	New project shall be taken in continuation with the existing project for commercial operation of CPGCBL-Sumitomo 1200 MW project.
3(ii)	Feasibility Study for Construction of CPGCBL-Sumitomo 1200 MW Ultra Super Critical Coal Fired Power Project.	
<b>LNG Based Project</b>		
4	Feasibility Study & Construction of Gas Transmission Line for 500-600MW LNG Based Combined Cycle Power Plant Project.	New project shall be taken in continuation with the existing project for commercial operation of LNG Based 500-600 MW project.

**1.3 Objectives of Businesses of the Company**

As per Memorandum of Association (MOA), the objectives for which the Company was established are all or any of the followings:

1. Establish and operate facilities for the generation, distribution and supply of electricity based mainly but not solely on coal.
2. Acquire concessions or licenses granted by or enters into contracts with the Government of Bangladesh or local authority, company or person for the construction and maintenance of any installation for the production of electricity.
3. Acquire and develop land and build necessary infrastructure for installation of coal power station.
4. Carry on the business as consultants and contractors in setting all types of facilities for generation, distribution and supply of electrical energy.
5. Carry on any land, tenements, building easement, machinery, plant and stock-in-trade and on any such lands to erect factories, buildings, or other structures for the works and purchases of the company.
6. Acquire sale, lease or exchange lands, buildings, flats, easements in Bangladesh or elsewhere for residential, business, manufacturing or other purposes required for the company and
7. Enter into Partnerships, Joint Venture, Takeover or Amalgamate with any other Company.

**2 Summary of significant accounting policies and basis of preparation of the financial statements**

The main accounting policies applied in the preparation of the financial statements are as follows:

**2.1 Basis of Measurement**

Financial statements have been prepared on the basis of historical cost convention. The preparation of financial statements in conformity with IFRS allows Management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses.

**2.2 Accounting Assumptions**

**i) Accrual Basis of Accounting**

The financial statements have been prepared, excepting Statement of Cash Flows and Bank Deposits, under accrual basis of accounting in accordance with applicable International Accounting Standards as adopted in Bangladesh which do not vary from the requirements of the Companies Act, 1994 and other laws and rules as applicable in Bangladesh.

**ii) Going Concern**

The financial statements are prepared on a going concern basis. As per management's assessment, there is no material uncertainty relating to events or condition which may cast doubt upon the company's ability to continue as a going concern.

**iii) Use of Estimates and Judgements**

The preparation of Financial Statements requires management to make judgements, estimates and assumptions that effect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and underlying assumptions are based on past experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

**2.3 Statement of Compliance**

The Financial Reporting Act 2015 (FRA) was enacted in 2015. Under the FRA, the Financial Reporting Council (FRC) was formed in 2017 and has since then adopted International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs) as the applicable Financial Reporting Standards for public interest entities such as State-Owned Enterprises with effect from 2 November 2020.

- i) The Income Tax Ordinance, 1984 and amendments thereon;
- ii) The Value Added Tax and Supplementary Duties Act, 2012; The Value Added Tax and Supplementary Duties Rules, 2016 and amendments thereon.

**2.4 Date of Authorization**

The financial statements were authorized for issue by the Board of Directors on 22 November 2021.

**2.5 Events After Reporting Period.**

Event after reporting period that provide additional information about the Company's position at the date of Statement of Financial Position or those that indicate the going concern assumption is not appropriate are reflected in the Financial Statements. Events after reporting period that are not adjusting events are disclosed in the notes when material. No such material event is seen after the reporting period of the entity.

**2.6 Retrospective Application**

**Application of Accounting Policy**

Paragraph 14 (b) of IAS 8 requires that an entity shall change an accounting policy in case when the change results in providing reliable and more relevant information about the effects of transactions, other events or conditions on the entity's financial position, financial performance or cash flows. The entity deems it more relevant to treat advance Security Service Salary and Advance Ansar Salary as long term security deposits instead of current assets due to the items being unadjusted for longer periods (Note No. 7 and 9). Retrospective adjustment has been made to accommodate the change in policy as per the paragraph 22, 29 (a),(b),(c) of IAS 8.

#### Prior Period Error

IAS 8 requires retrospective restatement of Financial Statements to adjust prior period errors as if the prior period error had never been occurred. CPGCBL Employees' Gratuity Fund was recognized by the National Board of Revenue (NBR) on September 03, 2018. Inadvertently, the company did not separate the gratuity fund before the current financial year. Besides, the entity addresses an issue of understatement of CWIP Balance for expense related to customs duties and corresponding overstatement of Advance Tax asset due to an erroneous entry. Retrospective adjustment has been made to rectify these errors as per the Paragraph 42 (a), (b) and 43 of IAS 8.

#### 2.7 Foreign Currency Transactions

Foreign currencies are converted into Bangladesh Taka at the rates and date of the corresponding withdrawal from the Loan Account as per Section 2.09 of Subsidiary Loan Agreement (SLA) between Government of Bangladesh and Coal Power Generation Company Bangladesh Limited dated 28th July 2015. The Government of Bangladesh shall bear the gain / loss arising out of foreign currency translation as per (Section no.2.03) of SLA.

#### 2.8 Components of Financial Statements

The financial statements include the following components as per IAS-1: "Presentation of Financial Statements"

- Statement of Financial Positions;
- Statement of Profit or Loss and Other Comprehensive Income;
- Statement of Changes in Equity;
- Statement of Cash Flows;
- Accounting Policies and Explanatory Notes.

#### 2.9 Consistency of presentation

The presentation and classification of all items in the financial statements have been retained from one period to another period except where it is apparent that another presentation or classification would be more appropriate with regard to the selection criteria and application of accounting policies or changes required by another IFRSs.

As required under the provision of the International Financial Reporting Standards in the presentation of financial statements, Statement of Comprehensive Income for the preceding year have to reflect the results of continuing operations and discontinued operations.

For the year under review, no such disclosure is required because there is no such indication of discontinuation of business during the year and in foreseeable future.

#### 2.10 Reporting Period / Comparative information

The financial statements of the Company are made up for the period from 01 July 2020 to 30 June 2021. Comparative information has been presented accordingly.

#### 2.11 Functional and Presentation Currency

These financial Statements are presented in Bangladesh Taka (BDT) which is the Company's functional currency. Indicated figures have been rounded to the nearest Taka (BDT).

#### 2.12 Statement of Cash Flows

Cash Flow Statement has been prepared under the Indirect method for the period, classified by operating, investing and financing activities as prescribed in paragraph 10 and 18 (a) of IAS 7 Statement of Cash Flows.

#### 2.13 Assets and their Valuation

##### 2.13.1a. Capital Work in Progress

The entity recognizes its ongoing projects cost as Capital Work in Progress. Capital Work in Progress consists of all directly attributable costs related to individual projects. No depreciation is charged on CWIP balance. After the completion of each project the amount expended for that particular project shall be transferred to fixed assets. Financing of CWIP expenses comprises of CPGCBL own fund, GoB ADP allocation and project aid (PA) from JICA.

#### b. Resettlement Assistance Policy

CPGCBL has ongoing Resettlement Assistance program for matarbari 2\*600 MW USCCFP Project and Bangladesh-Singapore 700MW USCCFP Project. Resettlement Assistance is provided to Entitled Persons (EPs) based upon the "Entitlement Matrix" Approved by CPGCBL Board.

#### c. Capitalization of Borrowing costs

The entity applies the principle of capitalizing the borrowing cost to comply with IAS-23 Borrowing Costs. Borrowing costs are capitalized with the Capital Work in Progress because its a directly attributable cost with the acquisition of power plant [ Paragraph 01 of IAS 16]. As per the requirement of IAS-23 Borrowing Costs, an entity is required to capitalized the borrowing costs on qualifying assets [Paragraph 5, 7, 10,12,17 ].

#### d. Schedule of Outstanding Loan & Interest

Source of Fund	Opening Balance on 1 July 2020	Addition	Closing Balance on 30 June 2021	Rate of Interest	Outstanding Interest
GOB -PA Loan from JICA	42,604,993,668	15,205,270,753	57,810,264,422	2%	2,507,969,550
GOB Loan	14,284,926,987	1,792,126,744	16,077,053,731	3%	1,181,315,763
Total	56,889,920,655	16,997,397,497	73,887,318,153		3,689,285,313

#### 2.13.2 Property, Plant & Equipment

##### a. Recognition & Measurement

Tangible fixed assets are accounted for according to IAS-16 : Property, Plant & Equipment at historical cost less accumulated depreciation. Historical costs include expenditure that are directly attributable to the acquisition of items. Subsequent costs are included in the asset's carrying amount or recognized as separate assets, as appropriate, only when it is probable that future economic benefits associated with the items flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenances are charged to the Un-allocated Expense head during the financial period in which they are incurred.

##### b. Depreciation

Depreciation of all property and assets is computed using the straight line method. But no depreciation is charged on Land and Land Development. Depreciation on opening balance is charged at the full rate while on additions during the year depreciation is charged at half of the full rate. In case of disposal of fixed assets, no depreciation is charged in the year of disposal.

Particulars	On Opening Balance	On Addition (Half of the rate)
Building	3.20%	1.60%
Office Space at Eskaton	3.20%	1.60%
Plant and Machinery	3.20%	1.60%
Furniture and Fixture	3.20%	1.60%
Civil Works	3.20%	1.60%
Office Equipment	20%	10.00%
Vehicles	9%	4.50%

#### 2.13.3 Intangible Assets

Intangible assets are identifiable non-monetary assets which lack physical substances; is separable and thus saleable and whose economic benefits are expected to flow to the entity. The Company currently did not recognize any such intangible asset under IAS 38.

#### 2.14 Impairment of Assets

As per IAS-36 Impairment of Assets, there is no technological, market, economical or legal indication of impairment of assets.

## 2.15 Cash and Cash Equivalent

Cash and Cash Equivalents comprise of cash and short-term deposit balances having maturity of less three months or less which are subject to insignificant change in fair value from the date of acquisition. The company utilizes the fund to meet its short term obligations.

## 2.16 Advance & Prepayments

Advances are initially measured at cost. The company's advances are usually not subject to change in fair value subsequently. Prepayments comprise of Advance tax deducted against Interest income earned on FDR and SND Accounts.

## 2.17 Share Capital

The Authorized Share Capital of the Company amounts to Tk.10,000 (Ten Thousand) Crore (100,000,000 No. of Ordinary Share of Tk.1000 each) and Paid-up Capital amounts to Tk.670,625,000.00 (670,625 Ordinary Shares of Tk.1000 each) issued to Government of the Peoples Republic of Bangladesh as shown in Notes 13.

## 2.18 Non-Operating Income

This comprises of bank interest, office rent and others.

## 2.19 Income Tax

Current Tax

The applicable Tax Rate for the Company is 30 %. (See Note 30)

Tax deducted at sources is shown as advance income tax which are recovered/adjusted against tax liability at the time of assessment.

Deferred Tax

Deferred tax is computed on taxable and deductible temporary differences. Currently no such temporary difference arises for the company since it is not claiming any depreciation allowance as per the third schedule of ITO 1984 before commencement of commercial operation.

## 2.20 Interest on long term loan from BPDB

From the initial stage, to meet the pre-operational day to day expenses of the corporate office, the Company has been taking long term loan from BPDB at 3% compound interest per annum as per Establishment Support Agreement(ESA).

## 2.21 Contingent Liabilities and Assets

Contingent liabilities and assets are current or possible obligations or assets, arising from past events and whose existence is due to the occurrence or non-occurrence of one or more uncertain future events which are not within the control of the Company. In accordance with IAS 37: Provision, Contingent Liabilities and Contingent Assets the entity has Provisions for Taxation, Gratuity Fund in the financial year ended on June 30, 2021. All provisions are recognized according to the best estimates of the current obligation as a result of past events. Apart from that CPGCBL has a number of pending lawsuits in different courts including one pending in Appellate Tribunal with a claim amount of taka Thirty Two crore approximately. All the lawsuits have been filed by the effected persons(EPs) under resettlement program against the Govt. and co-defendant CPGCBL. CPGCBL's projects being owned by the government and land being acquired by Cox's Bazar DC office; we are confident that the verdict of the lawsuits shall be in favor of CPGCBL.

## 3 Employee Benefit Schemes

### 3.1 Contributory Provident Fund

The Company maintains a Contributory Provident Fund (CPF) account for all regular employees. This is a defined contribution scheme as per IAS 19: Employee Benefits. All permanent employees contributes 10% of their basic salary to the Provident Fund and the Company also makes equal contribution.

### 3.2 Gratuity Fund

The Company maintains an approved Gratuity Fund (GF) account for all regular employees. This is a defined benefit scheme as per IAS 19: Employee Benefits. The amount of gratuity is computed at the rate of 2.5 (two & half) month's basic pay for each completed year of service or any part thereof of minimum 180 days. The pay last drawn shall be the basis for such computation.

## 3.3 Group Insurance Scheme

The company maintains a group life insurance scheme with Delta Life Insurance Company Ltd. All regular employees are entitled to the group life insurance benefit from the date of joining.

## 4 Responsibility of preparation and presentation of accounts

The management of the Company is responsible for the preparation and presentation of Financial Statements of Coal Power Generation Company Bangladesh Limited for the period ended 30 June, 2021.

<b>552,171,586</b>	<b>550,607,386</b>

### 15.1 Share Money Deposit

Opening Balance as at 1st July  
Add: Received during the period  
Total  
Less: Transfer to Paid up Capital  
Balance as on 30th June

During the period the Company received tk. 236,739,200.00 as equity from the Government for essential expenses (i.e. Salary, Allowances and Administrative Expenses) of CPGCBL. This proceed from the Government is initially recorded as 'Share Money Deposit' against which CPGCBL issues shares time to time in favor of the Government. CPGCBL transferred to Paid Up Capital an amount of Tk. 235,175,000.00 ( 235,175 shares of tk. 1000 each) against the accumulated balance of Share Money Deposit during this period.

The Share Money Deposit should be converted into paid-up capital within six (6) months as per guideline issued by Financial Reporting Council (FRC) dated 11 February 2020. Share Money Deposits is eligible for conversion into paid-up share capital upon obtaining consent from the appropriate authority.

### 15.2 Equity from the Government against ADP

Opening Balance at 1st July  
Add: Equity through GOB (Note:15.2.1)  
Add: Equity from GoB through JICA  
Balance as on 30th June
