### AGRICULTURAL INCOME CERTIFICATE

This is to certify that Mr. Tanvir Ahmed, son of Md. Nazrul Islam, and Mst. Latifa Begum, permanent resident of Village: Kulbaria, Post Office: Adarsha Andulia (7310), Upazila: Harinakundu, District: Jhenaidah, is personally known to me. He owns approximately 85 decimals of agricultural land in his own name where he has cultivated an orchard of oranges and malta (citrus fruits). Currently, there are a total of 275 orange and malta trees in the orchard. Alongside his studies, he is actively involved in the care, maintenance, and production activities of the orchard. Every year, an average of approximately 4.00 Metric Tons of citrus fruits are harvested from the orchard, which is considered a significant source of his agricultural income. According to local verification and documents, the total annual crop production on the said agricultural land is as follows:

Year	Cultivable Land	Total Crop Produced (Metric Tons)	Total Income (Taka)
2024-2025	85 decimals	Approximately 4.00 Metric Tons	500,000.00

Total Income: 500,000.00 Taka

Note:

1 Metric Ton = 1000 kg (approximately 2205 pounds)

Approximate price per ton = 125,000.00 Taka

This certificate has been issued based on the report of the Sub-Assistant Agriculture Officer, the self-declared cultivation activities of the farmer, and verification by the concerned Revenue Inspector.

I wish him every success in his life.
