Dear Dr Syed Farid Uddin Farhad,

Thank you for your recent application for a RSC Research Fund grant (R20-3167). Following assessment by our reviewers, I am pleased to inform you that your application has been successful and you have been awarded £4650 for your project "Facile Synthesis of Ecofriendly Perovskite Materials for Photovoltaic Applications".

The funds provided should only be spent on those items listed in your application and should not be used to support coursework or other persons within your institution.

Please note that a condition of the Research Fund is that you send a report on the work undertaken and results obtained. We will be in touch with you about this around December 2021.

Congratulations on your successful application!

Yours sincerely,
