

TAMANNA SULTANA

tamannasultana570@gmail.com • +8801779833686 • Dhaka, Bangladesh
Office: Chemical Research Division, BCSIR Laboratories, Dhaka
Bangladesh Council of Scientific and Industrial Research (BCSIR)
Dr. Qudrat-E-Khuda Road, Dhaka 1205, Bangladesh

EDUCATION	University of Dhaka, Bangladesh Master of Pharmacy (M. Pharm) Department of Pharmaceutical Chemistry	2021- 2022
	University Of Dhaka, Bangladesh Bachelor of Professional Pharmacy Department of Pharmacy	2016- 2020
	Rajbari Govt. College, Rajbari Higher Secondary School Certificate (HSC) Passing Year: 2015	2013 – 2015
	Rajbari Govt. Girls' High School, Rajbari Secondary School Certificate (SSC) Passing Year: 2013	2008-2013

RESEARCH EXPERIENCE

M. Pharm Thesis: Phytochemical and Biological Investigation on *Ludwigia octovalvis*.
Advisor: Dr. A.T.M. Zafrul Azam
(Professor)
Department of Pharmaceutical Chemistry

Project Name: Literature review on "How use of antibiotics impact immunity that causes immune disorders".

Advisor: Dr. Md. Al Amin Sikder
(Professor)
Department of Pharmaceutical Chemistry

PROFESSIONAL
EXPERIENCE

- Scientific Officer
Bangladesh Council of Scientific and Industrial Research
07 August, 2025 – Present
 - Assistant Director
Pharmacy Council of Bangladesh
09 July, 2024 – 06 August, 2025
-

ACHIEVMENTS

- NST scholarship 2023
 - S.S.C. Board Scholarship 2013
-

TRAINING

- Operation and Maintenance of Nuclear Magnetic Resonance (NMR) Spectrometer.
Bangladesh Council of Scientific and Industrial Research
24-28 August, 2025
-

PUBLICATION

- Isolation of Flavonoids and a Triterpene Ester with Potential Bioactivity from *Ludwigia octovalvis* (Jacq.) P.H. Raven (Onagraceae) Leaves.
Dhaka University Journal of Pharmaceutical Sciences 23 (2), 171-179, 2024
URL/DOI: <https://doi.org/10.3329/dujps.v23i2.78574>
