LETTER OF RECOMMENDATION

It is my great pleasure to recommend Rifat Sarkar, a dedicated and hardworking student of the Faculty of Animal Science and Veterinary Medicine at Sher-e-Bangla Agricultural University. He successfully completed his internship from 27th August, 2025 to 25th September, 2025 under my supervision at the Upazila Livestock Office, Chirirbandar, Dinajpur.

During his internship, Rifat consistently demonstrated exceptional enthusiasm for learning, professionalism and commitment to his duties. He actively participated in clinical case handling, disease diagnosis, vaccination campaigns and livestock management programmes. His ability to apply theoretical knowledge into practical fieldwork was impressive and reflected his strong academic foundation.

Rifat possesses excellent communication skills and maintained a positive rapport with both colleagues and livestock farmers. His sense of responsibility, punctuality and problem-solving abilities set him apart as a promising future veterinarian. I am confident that he will excel in any academic or professional endeavor he pursues.

I wholeheartedly recommend Rifat Sarkar for higher studies, professional opportunities or any programme where a motivated and skilled veterinary student is required.
