

Department of Physiology
Dhaka Medical College, Dhaka

1. Departmental organogram:

Post Name	Sanctioned	Vacant
Professor	2	0
Associate Professor	2	0
Assistant Professor	3	0
Lecturer	5	0

2. Faculties:

SL No.	Name	Designation	Degree	Mobile No	E-mail
1.	Professor Dr. Shahanara Yeasmin	Professor	MBBS M.Phil (Physiology)	01713246105	shahanara.tripty@gmail.com
2.	Dr. Shamima Akter	Associate Professor	MBBS M.Phil (Physiology)	01711803395	munanawfa@gmail.com
3.	Dr. Nahid Yeasmin	Associate Professor	MBBS M.Phil (Physiology)	01923619159	shefaroma@gmail.com
4.	Dr. Sayeda Tasnim Kamal	Assistant Professor	MBBS M.Phil (Physiology)	01758422207	dr.tasnim.n@gmail.com
5.	Dr. Sunjida Akter Suma	Assistant Professor	MBBS M.Phil (Physiology)	01798080807	sunjidasuma@gmail.com
6.	Dr. Tamanna Binte Habib	Assistant Professor	MBBS M.Phil (Physiology)	01750883457	tamannapompy1234@gmail.com
7.	Dr. Farhana Rahman	Lecturer	MBBS M.Phil (Physiology)	01990611715	runa.newlook@gmail.com
8.	Dr. Bithi Mallik	Lecturer	MBBS MD (Physiology)	01916622148	bithimallik1985@gmail.com
9.	Dr. Shameema Akhter	Lecturer	MBBS M.Phil (Physiology)	01714084960	shameema_rumee@yahoo.com
10.	Dr. Aditi Ara Trisha	Lecturer	MBBS MD (Physiology)	01927201269	aditytrisha04@gmail.com
11.	Dr. Sheam Ahmed Apu	Lecturer	MBBS M.Phil (Physiology)	01717466682	apusheamahmed@gmail.com

3. Departmental Activity:

Weekly	Lecture		Tutorial		Practical Class		Journal Club Presentation	Morning Session		
	Under graduation	Post-Graduation	Under graduation	Post-Graduation	Under graduation	Post-Graduation		M.Phil	MD	FCPS
	3	3	8	8	8	8	1	1	1	1

4. Departmental research activities:

Sl No	Name	Session	Guide	Title
1	Dr. Alia Hossain Sharna	Jan/2022	Prof. Dr. Shahanara Yeasmin	Serum free tri-iodothyronine, free thyroxine and thyroid stimulating hormone levels of female nurses working in night shift at a tertiary care hospital
2	Dr. Hymonti Dey	Jan/2022	Prof. Dr. Dilruba Begum	Reference values of white blood cell counts in apparently healthy adult population of Dhaka city
3	Dr. Arifa akter	Jan/2022	Prof. Dr. Dilruba Begum	Neutrophil-Lymphocyte ratio and its relationship with glycemic control in patients with type 2 Diabetes Mellitus in Bangladesh
4	Dr. Shameema akhter	July/2022	Prof. Dr. Dilruba Begum	Effects of Aloe vera gel on red blood cell parameters on phenylhydrazine-induced anemic Wistar albino rats
5	Dr. Ishrat Jahan	July/2022	Prof. Dr. Dilruba Begum	Association of thyroid disorders with the severity of alopecia areata
6	Dr. Farzana Hossain	July/2022	Prof. Dr. Dilruba Begum	Effects of oats supplementation in glycemic status and lipid profile in type 2 Diabetes Mellitus
7	Dr. Shweta Halder	July/2022	Prof. Dr. Dilruba Begum	Effects of extra virgin olive oil consumption on parameters of metabolic syndrome (Mets)
8	Dr. Sara Jahan	July/2022	Prof. Dr. Dilruba Begum	Effects of Almond consumption on parameters of metabolic syndrome
9	Dr. Kaniz Fatema	July/2022	Prof. Dr. Dilruba Begum	Effects of Apple cider vinegar on glycemic Indices and lipid profile status in type 2 Diabetes Mellitus
10	Dr. Towhidul Iqram	July/2022	Prof. Dr. Dilruba Begum	Hepatoprotective effect of Terminalia arjuna (Arjun) bark on isoniazide induced hepatotoxicity in Wistar albino male rats
11	Dr. Israt Zahan	Jan/2023	Prof. Dr. Dilruba Begum	Reference values of Serum creatinine, urea and uric acid in apparently healthy adult population of Dhaka city
12	Dr. Umme Salma	Jan/2023	Prof. Dr. Dilruba Begum	Assessment of Serum free tri-iodothyronine, free thyroxine and thyroid stimulating hormone, thyroid peroxidase antibody, thyroglobulin antibody patients with acne vulgaris
13	Dr. Israt Zahan	Jan/2023	Prof. Dr. Dilruba Begum	Reference values of serum creatinine, urea and uric acid in apparently healthy adult population of Dhaka city
14	Dr. Sheam Ahmed Apu	Jan/2023	Prof. Dr. Dilruba Begum	Assessment of liver function among male filling station workers in Dhaka city
15	Dr. Tabassum Mahjabeen	Jan/2023	Prof. Dr. Dilruba Begum	Influence of psychological stress on lipid profile, glycosylated hemoglobin and C-reactive protein among physicians in a tertiary level hospital
16	Dr. Sharmin Ferdous	Jan/2023	Prof. Dr. Dilruba Begum	Assessment of hematological parameters of filling station workers by hemoglobin

17	Dr. Afsana Rahima	July/2023	Prof. Dr. Dilruba Begum	Association of socio-demographic factors with depression among post-menopausal women
18	Dr. Sumaia Khan	July/2023	Associate Professor Dr. Nahid Yeasmin	Relationship of liver enzymes ALT,AST and ALP with lipid profile in Obese adolescents
19	Dr. Arpita Saha	July/2023	Prof. Dr. Dilruba Begum	Assessment Fracture risk by fracture risk assessment tool in post-menopausal women with type-II Diabetes Mellitus
20	Dr. Fatima Farhana	July/2023	Associate professor Dr. Shamima Akhter	Diagnostic efficacy of mean peak systolic blood flow velocity of superior thyroid artery to differentiate Graves' Disease from Non-autoimmune thyrotoxicosis in pregnancy
21	Dr. Nuzat Tasnim	July/2023	Prof.Dr.Shahanara Yeasmin	Assessment of sleep quality in patients with type-II Diabetes Mellitus
22	Dr. Tamanna Hasan	July /2023	Prf. Dr. Dilruba Begum	Prevalence of depression, anxiety and stress among undergraduate students of Dhaka Medical College and Dhaka University
23	Dr. Farzana Haque	Jan/2024	Prof. Dr. Dilruba Begum	Association of obesity with migraine and its frequency and severity in adults in a tertiary level hospital of Dhaka city
24	Dr. Most.Tausif Sanzeem	Jan/2024	Prof.Dr.Shahanara Yeasmin	Association between premenstrual syndrome with obesity in medical college students
25	Dr.Suvra Mandol	Jan/2024	Prf. Dr. Dilruba Begum	Total leucocyte count, neutrophil count, erythrocyte sedimentation rate and serum c-reactive protein levels in different stages of COPD patients
26	Dr. Jannat Ul Alam Jisa	July/2024	Prof. Dr. Dilruba Begum	Association between digital device usage and early symptoms of visual impairment among the undergraduate students of dhaka medical college
27	Dr. Pronoti Paul	July/2024	Prof. Dr. Dilruba Begum	Correlation of serum uric acid and lung functions in patients with chronic obstructive pulmonary disease
28	Dr. Farah Tasnim Disha		Prof. Dr. Dilruba Begum	Effect of ciagarette smoking on hematological parameters in apparently healthy adult male smokers"
29	Dr. Fouzia Yeasmin Muna		Prof. Dr. Dilruba Begum	Role of hematological indices in differentiating iron deficiency anemia from anemia due to beta thalassemia trait"
30	Dr. Rubaiya		Prof. Dr. Dilruba Begum	Assessment of serum triiodothyronine, free thyroxine and thyroid stimulating hormone in children with attention deficit hyperactivity disorder
31	Dr. Munmun		Prof. Dr. Dilruba Begum	Assessment of serum Zinc, Iron & Magnesium in children with attention deficit hyperactivity disorder"
32	Dr. Silviya Siddika Akanda		Prof.Dr Shahanara Yeasmin	Status of Lipid profile, Glycosylated Haemoglobin level and its relation with Hypothyroidism"
33	Dr. Noor sourav		Dr. Nahid Yeasmin	Assessment of Hematological Parameters of Automobile Mechanics in Dhaka City"
34	Dr. Kaniz Fatema Lima		Dr. Shamima Akter	Assessment of glycemic status during pregnancy among pregestational hormonal contraceptive users

Professor Dr Shahanara Yeasmin
Head, Department of Physiology
Dhaka Medical College, Dhaka
