Sub.: Invitation to Participate in TEKNOFEST Competitions 2026, Türkiye

Ref: 1. Embassy of Türkiye in Dhaka's note verbale no: 41384295, dated 04 February 2026  
2. Embassy of Bangladesh, Ankara, Türkiye's Letter no. 19.01.9001.300.01.001.26/12, dated 30 January 2026

The undersigned is directed to forward herewith two self-explanatory communications, received from the Embassy of Türkiye in Dhaka and the Scientific and Technological Research Council of Türkiye, regarding information on the TEKNOFEST Aerospace and Technology Festival and the invitation of participants from Bangladesh. The Türkiye Technology Team Foundation (T3 Foundation) cordially invites all primary, Secondary, High School and University level students to participate in its various competitions and activities. TEKNOFEST, Türkiye's premier aerospace and technology festival, offers participants opportunities for financial support, awards, international exposure, and collaboration with relevant teams. Applications are open until 20 February 2026. Application Guide and press release will follow via email once received from the Embassy of Türkiye in Dhaka.

02. In this regard, the Ministries/Divisions/Institutes/Authorities are requested to take kind necessary action, as deemed appropriate.

**Subject: Request for Circulation of Participation Opportunity in TEKNOFEST, Türkiye**

Director General (East Europe & CIS Wing) from Commercial Counsellor

With reference to the communication received from The Scientific and Technological Research Council of Türkiye (TÜBİTAK) vide letter No. E-779113051-724.01-887596 dated 27 January 2026, regarding the dissemination of information on the TEKNOFEST Aerospace and Technology Festival and the invitation of participants from Bangladesh.

02. TEKNOFEST is Türkiye's premier aerospace and technology festival, jointly organized by TÜBİTAK in collaboration with several public and private sector institutions. The festival hosts a wide range of activities, including technology competitions, air shows, exhibitions, seminars, workshops, panel discussions, and cultural events, with the objective of fostering innovation, increasing public interest in science and technology, and promoting Türkiye's transformation into a technology-driven and production-oriented society. Students from primary, secondary, higher secondary, and university levels are eligible to participate in various competitions and activities. Notably, selected participants may receive financial and logistical support from the organizers. Detailed information on the festival, including competition categories and participation guidelines, is available on the official website: [www.teknofest.org](http://www.teknofest.org) (poster attached).

03. In view of the above, the Ministry is kindly requested to take necessary steps to circulate information about TEKNOFEST at the earliest convenience among the concerned, so that interested students from different academic levels in Bangladesh may avail themselves of the opportunity to participate in this internationally recognized technology festival.

Encl.: As stated- 02 pages.

*With Respectful Regards,*

  
30/01/2026  
(Md. Akram Ali)

Commercial Counsellor

Subject : TÜBİTAK Competitions organized within  
the scope of TEKNOFEST

REPUBLIC OF TÜRKİYE  
THE SCIENTIFIC AND TECHNOLOGICAL RESEARCH COUNCIL OF TÜRKİYE

27.01.2026

TO THE EMBASSIES

We would like to provide information on the competitions organized by The Scientific and Technological Research Council of Türkiye (TÜBİTAK) within the scope of TEKNOFEST Aerospace and Technology Festival, organized by the Ministry of Industry and Technology of the Republic of Türkiye and the Türkiye Technology Team Foundation (T3 Foundation) and kindly ask you to call all primary, secondary, high school and university students and graduates to the competitions in the attached poster.

TEKNOFEST is Türkiye's first and only aerospace and technology festival organized with the partnership of many organizations that play a critical part in the development of national technology in Türkiye. TEKNOFEST Aerospace and Technology Festival, the first of which was held in 2018, hosts a wide range of activities such as technology competitions, air shows, concerts, talks and events on various topics with the aim of increasing public interest in technology and raising awareness of Türkiye's transformation into a society that develops and produces technology. Within the scope of TEKNOFEST, technology competitions in various disciplines and categories are organized for hundreds of thousands of young people to realize their dreams.

We financially support participants from around the world. In this context, we provide financial and material support and awards to successful teams.

We offer for all the teams to have good opportunities to improve their technologies by meeting with many relevant team members and to have an exciting week in Türkiye.

Applications for the competitions will continue to be received until February 20, 2026.

Detailed information is available on TEKNOFEST's official website ([www.teknofest.org](http://www.teknofest.org)).

Within the scope of the competitions, financial support is provided to teams, and awards are granted to successful teams.

We kindly request that our competitions are announced to all interested parties and that the necessary support is provided to encourage their participation.

We look forward to see participants from your country to beat all in our competitions.

Sincerely yours,

Prof. Dr. Orhan AYDIN  
President
