Date: 23/05/2026

Sub: Request for Expression of Interest (EOI) for GPS-Based Vehicle Tracking and Fleet Monitoring System

Dear Sir/Madam,

Dhaka Mass Transit Company Limited (DMTCL), under the Road Transport and Highways Division, Ministry of Road Transport and Bridges, Government of the People's Republic of Bangladesh, intends to introduce a GPS-based Vehicle Tracking and Fleet Monitoring System for its official vehicles.

The objective of the initiative is to strengthen vehicle monitoring, improve operational efficiency, ensure proper utilisation of official vehicles, enhance driver accountability, and establish a centralised monitoring and control mechanism from DMTCL office.

In this regard, DMTCL invites reputed and experienced firms/service providers to submit an Expression of Interest (EOI) regarding their GPS tracking and fleet management solutions.

The proposed system is expected to include, but not limited to, the following features and services:

1. Real-time GPS vehicle tracking
2. Centralised web-based monitoring dashboard
3. Fleet monitoring and control facility from DMTCL office
4. Live vehicle status monitoring (moving/stopped/offline)
5. Route history and trip playback system
6. Geo-fencing and automated movement alerts
7. Speed monitoring and over-speed alerts
8. Driver behaviour monitoring and analytics
9. Engine on/off and excessive idle-time monitoring
10. Vehicle usage and trip reporting system
11. Historical data storage and backup facility
12. Cloud and/or dedicated server-based data management system
13. Mobile application support for Android and iOS
14. Multi-user administrative access with role management
15. Tamper alerts and power disconnection alerts

16. Optional remote engine immobilization feature
17. Daily, weekly, and monthly MIS reporting facilities
18. Export facility in Excel/PDF formats
19. API/integration capability for future expansion
20. Technical support, maintenance, and training facilities

Interested firms are requested to submit the following information:

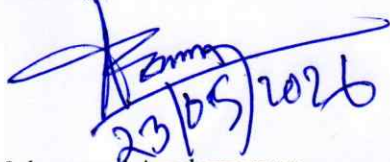

- a) Company profile and organizational details
- b) Experience in providing GPS/fleet management solutions in Bangladesh
- c) List of major government/corporate clients
- d) Detailed technical specifications and system architecture
- e) Information regarding server/storage mechanism and data retention policy
- f) Sample dashboard/screenshots/mobile application details
- g) Warranty, maintenance, and after-sales support arrangements
- h) Indicative technical and financial proposal/package information
- i) Any additional value-added services/features

The vendors may also be requested to arrange a live demonstration/presentation of their proposed system before finalization.

Interested firms are requested to submit their Expression of Interest through email within 7th of June to the undersigned.

DMTCL reserves the right to accept or reject any proposal without assigning any reason whatsoever.

Sincerely,

Mohammad Asaduzzaman

General Manager (Store & Procurement)
