

# Standardized Crediting Framework (SCF) in Bangladesh

## Listing notification template for solar home systems

*This template is used by the Climate Change and International Convention Wing of the Department of Environment (DoE) as the A6 DNA Secretariat to create the letter to the Activity Participant<sup>i</sup> informing them of the successful listing of the proposed activity<sup>j</sup> (i.e., project or program). The template should be completed with the relevant information, and the letter sent to the Activity Participant, with a copy to the members of the Article 6 DNA Governing Board.*

<b>Version</b>	1.0	<b>Date approved</b>	DD/MM/YYYY
----------------	-----	----------------------	------------

**To:**

Activity contact: Name	
Activity contact: Email	
Activity contact: Phone	

**Regarding listing of activity:**

Activity title:	
National activity lead institution:	
Activity ID#:	
SCF methodology and version:	Solar home systems in Bangladesh, Version 1.0
Activity start date (DD/MM/YYYY):	
Crediting period start date (DD/MM/YYYY):	
Official listing date (DD/MM/YYYY):	

On behalf of the A6 DNA Secretariat, this letter serves to announce officially the listing of the activity cited above as part of the Standardized Crediting Framework in Bangladesh. The official listing date is specified in the table above. The activity therefore may have emission reductions issued under the SCF, subject to successful verification.

Please contact the A6 DNA Secretariat if you have any questions.

With best wishes,

A6 DNA Secretariat
