- 11) During the MCQ exam, the applicant must keep the camera turned on at all times and complete the exam within the specified time limit. The candidate must also ensure an uninterrupted internet connection during the exam.

The screenshot shows the 'Department of Shipping (Online Application System)' interface. At the top, there are links for 'Dashboard' and 'Logout'. Below the header, there are tabs for '1 Online Exam Practice' and '2 Result'. The main content area displays the 'Course Name' as 'ADVANCED TRAINING FOR CHEMICAL TANKER CARGO OPERATIONS'. A question is presented: 'Q1. What is the content of Oil Record Book, Part II?'. There are four radio button options: 'Cargoballast operations (Oil Tankers)', 'Oily bilge operations', 'Slop operation', and 'Sludge operations'. Below the options is a 'Jump To' section with a grid of numbers from 1 to 20, and a 'Next' button. On the right side, there is a large green circular timer showing '14:02' and a black rectangular area representing a camera feed.

- 12) Once the MCQ exam is completed, the next column in the COP application list for Oral will display a **Get Appointment** button.

The screenshot shows the 'Department of Shipping (Online Application System)' interface with the 'My CoP Application Status' section expanded. It displays a table with 13 columns: SL, Application Type, Application ID, Course Name, DoS Number, Assessment, MCQ, ORAL, Certificate Number, Date of Issue, Date of Expire, Status, Action, and E-Certificate. The table contains 6 rows of application data. In the first row, the 'ORAL' column has a green 'Get Appointment' button highlighted with a red box and a red arrow pointing to it. A red text annotation 'Select this option' is placed next to the arrow. The 'Status' column for all rows shows 'Play Slip' and 'Details' buttons. The 'E-Certificate' column is empty for all rows.

To the right of the input field is a green button with the word "Search" in white text.

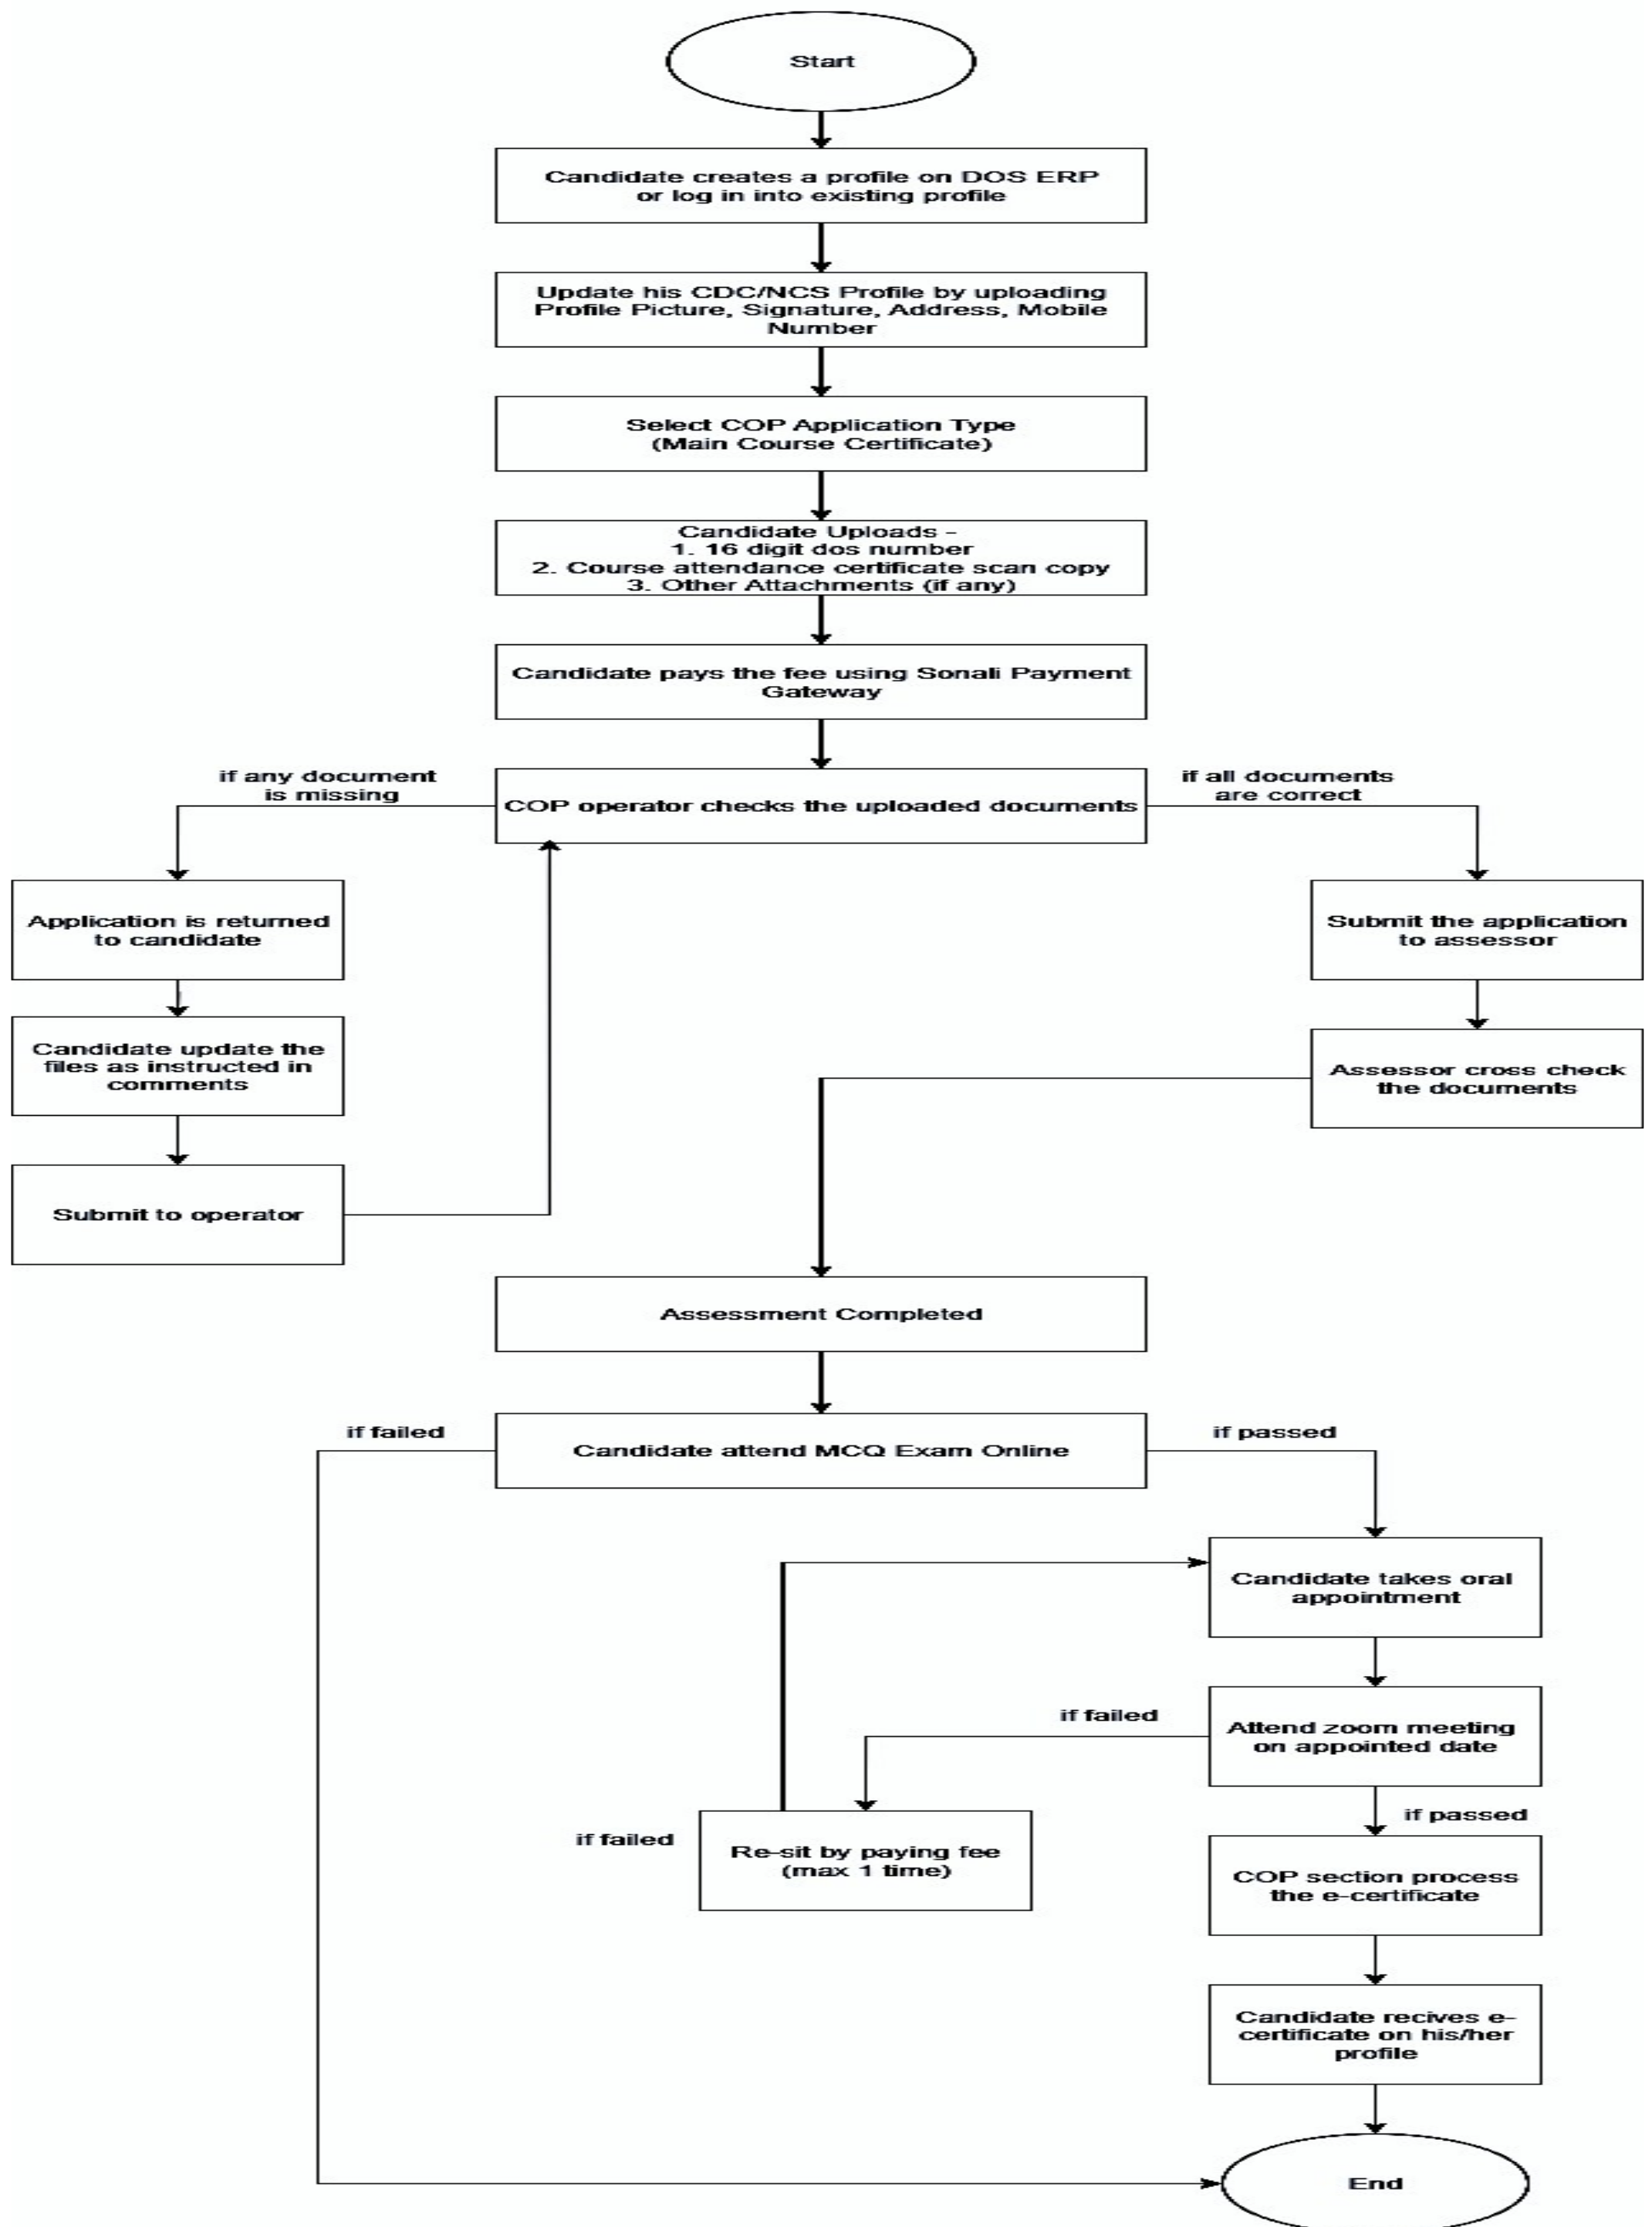

After clicking 'Search,' the system will display all relevant information, including the Issue Date, Expiry Date, CDC No, and other necessary data, allowing the authenticity of the certificate to be confirmed.

The image shows the verification result page. At the top center is the same DoS logo as in the previous image. Below the logo, the text "Certificate of Proficiency Verification Result" is displayed. Underneath this text, the following information is shown:

- The credentials supplied for CoP number 017 359 are correct.
- RATING AS ABLE SEAFARER ENGINE
- The status of this certificate is **Valid**

## COP Reissue

By selecting this certificate type, a seafarer can request the reissue of their COP.

The screenshot shows a web application interface for applying for a Certificate of Proficiency (CoP). On the left is a sidebar menu with options like Dashboard, Profile, CoP, and various application status and exam modules. The main area is titled 'Apply for CoP' and has three steps: 1. Application Types, 2. Course Information, and 3. Payment Information. Step 1 is active. Below the steps, there is a section titled 'READ FOLLOWING INSTRUCTIONS CAREFULLY BEFORE FILLING APPLICATION:'. It contains a table with four options: 'Main Course Certificate', 'Revalidation by Refresher Course', 'Revalidation by Sea Service', and 'CoP Reissue'. Each option has a description and a 'Details' button. Below the table, there are four radio buttons for selecting an option. The 'Reissue Certificate' option is selected, indicated by a red arrow pointing to it.
