Memo No.: 46.113.633.00.00.017.2022-23/1163

Date: 22 / 02 / 2023

Corrigendum Notice-1

The following amendment is made to the Specific Procurement Notice (SPN) issued for Design and Build (DB) Contract for Reconstruction / New Construction of Sewerage Networks in Zone-C (Sabujbag, East Nandipara, Natunpara, Rajarbag, Golapbag East etc.) and Reconstruction/ Rehabilitation of South-Western Trunk Main (Package No. WD7).

(Ref.: RFP No.: WD7; dated: 16 January 2023):

	As in original SPN (Sl. No. 7)	Amended as follows
1	The Proposal, both the Technical Part and the Financial Part, in hard copy must be delivered to the address below on or before 1400 hours (GMT+6) of 14 March, 2023.	The Proposal, both the Technical Part and the Financial Part, in hard copy must be delivered to the address below on or before 1400 hours (GMT+6) of 04 April, 2023.
2	The Technical Part of the Proposals will be publicly opened in the presence of the Proposers' designated representatives and anyone who chooses to attend at the address below on 1445 hours (GMT+6) of 14 March, 2023.	The Technical Part of the Proposals will be publicly opened in the presence of the Proposers' designated representatives and anyone who chooses to attend at the address below on 1445 hours (GMT+6) of 04 April, 2023.

All other information of the SPN shall remain unchanged.

Memo No.: 46.113.633.00.00.017.2022-23/1162

Date: 22 / 02 / 2023

Subject: Minutes of Pre-Proposal meeting for Design and Build (DB) Contract for Reconstruction / New Construction of Sewerage Networks in Zone-C (Sabujbagh, East Nandipara, Natunpara, Rajarbagh, Golapbag East etc.) and Reconstruction / Rehabilitation of South-Western Trunk Main (Package No. WD7) held on 07 February, 2023 under Dhaka Sanitation Improvement Project (DSIP), Dhaka WASA.

A Pre-Proposal meeting for 'Design and Build (DB) Contract for Reconstruction / New Construction of Sewerage Networks in Zone-C (Sabujbagh, East Nandipara, Natunpara, Rajarbagh, Golapbag East etc.) and Reconstruction / Rehabilitation of South-Western Trunk Main (Package No. WD7)' was held at 1500 hours Bangladesh Local Time (GMT+6) on 07 February, 2023 at the Dhaka WASA Conference Center as per Section-II-Proposal Data Sheet (PDS), ITP 7.4 of the RFP. The meeting was also connected virtually. Representatives from the prospective proposers for the said package attended the meeting both physically and virtually. The meeting was presided over by Md. Rafiqul Islam, Project Director, Dhaka Sanitation Improvement Project (DSIP), Dhaka WASA and other PMU officials attended the meeting. A list of the attendees is attached herewith as in **Annexure-A**.

The chairperson welcomed all for attending this pre-proposal meeting and requested the participants to introduce themselves. He then gave a brief introduction on the day's meeting agenda.

After the brief introduction, the written queries received from the prospective proposers before the pre-proposal and those raised during the meeting were discussed elaborately. In addition, the chairperson requested all the participants to submit their queries in writing on or before 1600 hours BST (GMT+6) on 08 February, 2023.

As there were no other points, the meeting was ended with vote of thanks by the Chair.

N.B.: All the queries received from the prospective proposers within the aforementioned timeline along with the ones discussed during the Pre-proposal meeting and the corresponding responses/clarification on those queries are compiled as **Response Matrix-1** and attached herewith in **Annexure-B**.

An **Addendum-1** issued in this connection is also attached herewith as in **Annexure-C**.

Md. Rafiqul Islam
Project Director
Dhaka Sanitation Improvement Project
Dhaka WASA.

Attachment: As stated above.

CC:

1. Deputy Managing Director (RP&D), Dhaka WASA.
2. Addl. Chief Engineer (RP&D), Dhaka WASA.
3. PA to Managing Director, Dhaka WASA (for kind information to the Hon'ble Managing Director).
4. M/s
5. Office copy.

Pre-Proposal Meeting (RFP) for Design and Build (DB) Contract for Reconstruction / New Construction of Sewerage Networks in Zone-C (Sabujbagh, East Nandipara, Natunpara, Rajarbagh, Golapbag East etc.) and Reconstruction / Rehabilitation of South-Western Trunk Main (Package No. WD7) under Dhaka Sanitation Improvement Project (DSIP), DWASA.

Venue: Dhaka WASA Conference Centre (Shitalokhya), 3rd Floor, WASA Bhaban, DWASA.

Date: 07 February, 2023

Time: 03:00 p.m. (GMT+6)

Response Matrix-1; dated 22 February 2023

on the queries received under RFP for

“Design and Build (DB) Contract for Reconstruction / New Construction of Sewerage Networks in Zone-C (Sabujbagh, East Nandipara, Natunpara, Rajarbagh, Golapbag East etc.) and Reconstruction / Rehabilitation of South-Western Trunk Main (Package No. WD7)”.

Ref: RFP No. WD7, Issued on: 16 January 2023

Sl. No.	Ref: Section, Clause & Page no.	RFP Specifications	Bidders Query	DWASA Response
1	Clause 1.18 Permit Required: Road Cutting and Restoration-Permissions, Coordination and Costs; Section G – General of Volume 2 – A. Part 2 (Employer’s Requirement) _Zone-C & B. Part 2 (Employer’s Requirement) _Trunk Main	In accordance with Clause 1.18 Permit Required: Road Cutting and Restoration-Permissions, Coordination and Costs; Section G – General of Volume 2 – A. Part 2 (Employer’s Requirement) _Zone-C & B. Part 2 (Employer’s Requirement) _Trunk Main, the Employer will take necessary measures to issue bank cheque for the payment of the Road cutting and Restoration Costs. But it doesn’t clearly mention regarding the Security Deposit and who will be responsible for the Security Deposit of the Road Cutting and Restoration Costs. Please Clarify this.	The Employer will take necessary measures to issue bank cheque for the payment of the Road cutting and Restoration Costs. But it doesn’t clearly mention regarding the Security Deposit and who will be responsible for the Security Deposit of the Road Cutting and Restoration Costs. Please Clarify this.	It is clearly stated that the Employer will take necessary measures to issue the payment of the road cutting fees/charges against the demand note of respective road owning authority. Since the security deposit is a part of the demand note so it implies that the Employer will also bear the security deposit fees/charges. However, the temporary restoration / reinstatement costs shall be borne by the Contractor.
2	Sub-clause 19.2.3 of Section IX, Vol.-1 (PC), Page-143	Period of insurance required for liability for breach of professional duty-2 years after Defects Notification Period.	We request that such period of insurance should be till end of Defect Notification Period i.e. 1 year.	No change in RFP

Sl. No.	Ref: Section, Clause & Page no.	RFP Specifications	Bidders Query	DWASA Response
3	-	-	Manufacturer's Factory Visit for imported materials is not found in the RFP document. Is it required or not?	Refer to RFP both part of Volume 2, Chapter 4.1.9.
4	Sub-clause A-1.5 of Section III, Vol.-1 (E&Q Criteria), Page-56	Qualification of Manufacturers: uPVC Pipes and/or fittings	There is no GRP pipes & fittings. Is it supplied by the Employer? DI or Steel Pipes is required or not?	Please follow the RFP. Moreover, in both Design section of Volume 2, it has been clearly stated that, for pipe material, UPVC for pipe: Diameter \leq 450 mm GRP for pipe: Diameter $>$ 450 mm. For requirement of DI or Steel Pipes: Since, it is a DB lump sum contract, the proposer may propose the use of DI or Steel Pipes (if it is necessary to use) but subject to the approval of the Engineer.
5	Sewerage Network Zone C:	-	Required shapefile of Zone boundary	Shapefile of the Zone boundary will not be provided since Conceptual Design Report (CDR) already contain sufficient information for tender preparation.
6	Sewerage Network Zone C:	-	How to apply peak factor – Area basis/Each MH	The conceptual design applied a peak factor (using Babbit formula) based on the service population of each manhole.
7	Sewerage Network Zone C:	-	The required projected population of the network zone. Shapefile of zone boundary and thana boundary (including part) within the Network Zone needs to be provided	Refer to supplementary information in RFP.
8	Southwestern Truck Main:	-	The shapefile and geo location of southwestern trunk manhole and connected pipe location needs to be provided	Refer to Conceptual Design of trunk Main
9	Southwestern Truck Main:	-	The flow rates of southwestern trunk manhole need to be provided	Refer to Conceptual Design and supplementary information of trunk Main

Sl. No.	Ref: Section, Clause & Page no.	RFP Specifications	Bidders Query	DWASA Response
10	Southwestern Truck Main:	-	How to estimate the quantity of construction requirements for connected pipe? Also, the shapefiles for the connected pipes need to be provided	A number of household connections have been provided in RFP (refer to Vol II, A. Part 2 (Employer's Requirement) _Zone-C, Section D, Chapter 1.1).
11	Southwestern Truck Main:	-	What will happen if exposed any unexpected connections with existing trunk main during construction?	Since, it is a DB lump sum contract, this shall be fully contractors' responsibility to find the way to overcome any complexity at Contractor's cost but definitely, that shall be done with the approval of the Engineer.
12	Southwestern Truck Main:	-	Nawabpur Road to end point of southwestern trunk - How to quote considering both for rehabilitation (Cleaning + Lining) and replacement (if physical condition is very bad)?	There are several parameters to determine replacement or rehabilitation of those pipelines. Method of Rehabilitation shall not be limited to cleaning + lining but the Contractor shall have to use such method as required subject to the approval of the Engineer. Although part of trunk main is designated as rehabilitation the Employer's Requirements but replacement might be the only option when the pipe size is not adequate for the expected sewage flow.
13			Can we get the files containing topography, zone's border, and houses location in Autocad or GIS format?	All available data from the conceptual design stages are included in the supplementary data of the RFP.
14			Since the pipe tables are merged of existing and new pipelines, whether, the contractor should consider the entire table or just the new pipeline is the question (however, the worst-case scenario is to consider the entire pipeline to be redesigned and installed).	Please follow the RFP.
15			Question is about Manholes and house connections. Whether we need to replace the existing ones in the design or we can leave them as they are.	All existing household connections and manholes are required to be replaced or newly constructed.
16	Request an extension of the deadline for	With due respect, we would like to request an extension of the deadline for submitting proposal for the package no. WD7, DSIP.		Please see sl. 1&2 of addendum-1 (Annexure-C).

Azeem

Sl. No.	Ref: Section, Clause & Page no.	RFP Specifications	Bidders Query	DWASA Response
	submitting the proposal	<p>We understand that the current deadline for submission of proposal is 14 March, 2023, however, due to some unforeseen circumstances, we need more time to put together a competitive proposal.</p> <p>So, we are requesting an additional 30 days so that we can properly assess the proposal and ensure that we are able to submit a competitive proposal.</p> <p>We understand the importance of timely submissions and will do our best to ensure that the bid is submitted within the requested timeline.</p> <p>Thank you for your consideration and we look forward to hearing from you.</p>		
17			Can we use GRP pipes for DN>300mm when there is economic advantage versus PVC pipes?	No change in RFP.
18			In what currency will the payments be when submitting quotes in a mix of Taka and foreign currency? Would the foreign currency portion be paid in the same foreign currency or in equivalent Taka at the time of payment?	Refer to Section II, Proposal Data Sheet (PDS) ITP 16.1.
