POCKET EXPORT STATISTICS FY 2020-2021

Export Promotion Bureau
Bangladesh

Foreword

I am indeed happy that the 3rd edition of Pocket Statistics Book 2020-2021 is going to be published. This publication is a comprehensive picture of the country's export trade presenting key statistical figures along with other information on export trade.

As the global trade is constantly being liberalized and moving towards a regime of free trade market promotion activities and market access strategy have changed in many cases. Export promotion efforts have major changes recently. The report reveals Bangladesh's export performance, comparison of import and export performances, information on export and exportable commodities and services, major export goods and services, product and service-wise export performance, year-wise export and point to point growth, destination-wise export and so on. EPB has been doing its best and utilizing its time, resource and efforts to facilitate trade and promotion of export of the country.

I express my sincere thanks to the officials of Statistics and Research Division of EPB and others for their sincere efforts in collecting, compiling & collating data in the Pocket Export Statistics 2020-2021. I acknowledge with thanks the generous support, cooperation and services from all concerned related to the export sector, especially the ASYCUDA ++ cell of National Board of Revenue (NBR) which has provided the basic data for preparing this publication.

Export Promotion Bureau will welcome and positively consider every constructive suggestions and comments with a view to further improving the quality and content of the future editions.
