Bangladesh designs and produces for the world's leading brands and retailers

Currently Bangladesh has got about 5000 RMG factories with more than 4.5 million workers, mostly females from underprivileged social classes

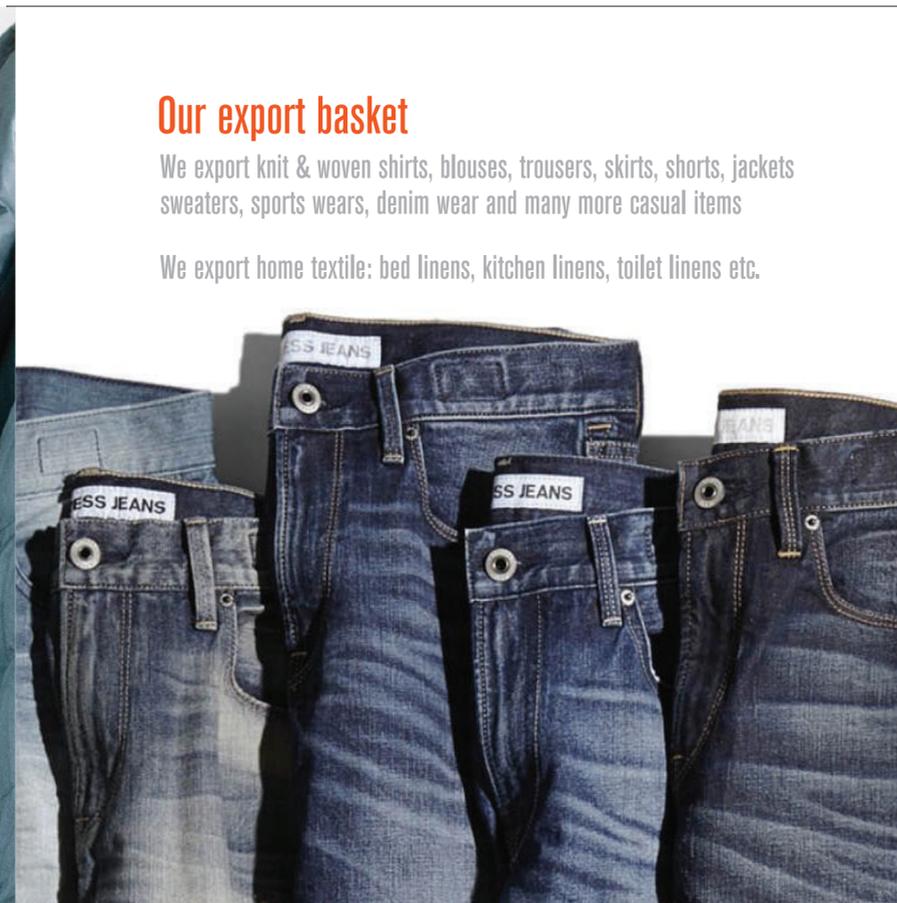

Readymade Garments of Bangladesh

Bangladesh is the 2nd largest readymade garments (RMG) exporter.

Countries 81% of total export comes from RMG sector, and it contributes around 20% to our GDP.

It is the major driving force of our economy

Our export basket

We export knit & woven shirts, blouses, trousers, skirts, shorts, jackets sweaters, sports wears, denim wear and many more casual items

We export home textile: bed linens, kitchen linens, toilet linens etc.
