Rajshahi City Corporation

August 5, 2026

Message

On the occasion of the July Mass Uprising Day 2026 on August 5, the Honorable Administrator of Rajshahi City Corporation, Md. Mahfuzur Rahman Riton, has issued a message. In his message, the RCC Administrator said:

"August 5 is the July Mass Uprising Day 2026—an unforgettable day in the history of Bangladesh, marking the second anniversary of the fall of Awami fascism and the victory of the student-masses. On this occasion, I extend my heartfelt greetings and congratulations to the beloved residents of Rajshahi city.

On this significant day, I recall with deep respect and gratitude the heroic martyrs of the July Mass Uprising, whose supreme sacrifice, indomitable courage, and patriotism inspired the nation to unite against injustice, discrimination, and oppression. Their sacrifice will remain immortalized in our national history. At the same time, I pay my profound respects to all July fighters, including those injured in the uprising, and wish them sound health and long life. The nation remembers their sacrifice and contribution with immense gratitude.

The July Mass Uprising has taught us that the power of a united nation is the greatest strength in the struggle to establish people's rights, justice, good governance, accountability, and democratic values. Upholding this spirit, under the dynamic leadership of the Honorable Prime Minister of the People's Republic of Bangladesh, Mr. Tarique Rahman, the present government is working tirelessly to build a discrimination-free, democratic, safe, and prosperous Bangladesh.

On this solemn day, let us all rise above personal interests and dedicate ourselves to the welfare of the country and its people. Let building an advanced, prosperous, and dignified Bangladesh under the leadership of Honorable Prime Minister Mr. Tarique Rahman be our firm pledge."
