Japan's Technical Cooperation for Japanese Fiscal Year 2027

Dear Ms. Sharmin,

I have the honour to request you to submit us the proposal of the Government of the People's Republic Bangladesh for Japan's Technical Cooperation for JFY 2027 (from April 2027 to March 2028). Application forms thereof are herewith enclosed.

The technical Cooperation for JFY 2027 covers the following items:

- 1) Technical Cooperation Project
- 2) Technical Cooperation (Individual Expert)
- 3) Technical Cooperation (Individual Training)
- 4) Technical Cooperation for Development Planning

Note: This needs survey does not include F/S(feasibility study).

Knowledge Co-Creation Program (KCCP, Short term Training), Long Term Training, Young Leaders Program (Training), SATREPS will be sent separately.

Application forms duly filled in should be addressed to and arrive at the Embassy by July 16, 2026, with a copy forwarded to JICA Bangladesh Office.

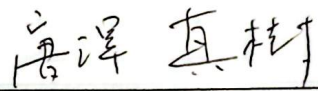

In addition, it would be highly appreciated if you could forward the application forms received to JICA one after another on an unofficial, email-basis, even if it may be before the issuance of your note verbale reply.

The applications should indicate each project's priority as clearly as possible, for example, ranking them as "A", "B" or "C" in the order of descending priorities.

I look forward to receiving submissions of well-considered mature projects for the smooth implementation.

I would like you to collectively submit all application forms and strictly meet the above mentioned deadline. Application forms submitted after the above mentioned deadline may not be considered.

Sincerely Yours,

KARASAWA Shinju

Head of the Economic Section

First Secretary

Embassy of Japan in Bangladesh
