

**Independent Auditor's Report
to the shareholders of GAZI WIRES LIMITED
Report on the Audit of the Financial Statements**

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Gazi Wires Limited** which comprise the statement of financial position as at **30th June, 2025** and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements give a true and fair view in all material respects of the financial position of the **Gazi Wires Limited** as at **30th June, 2025** and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), the Companies Act 1994 and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organization in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), together with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh and we have fulfilled our ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters:

Without qualifying our opinion, we draw attention to the following:

1. Gazi Wires Ltd. did not submit required annual returns to the RJSC as mandated by the Companies Act 1994. This non-compliance limits our ability to assess related penalties or obligations, contrary to ISA 250 requirements and IAS 1 disclosure principles. Accordingly, our opinion is qualified regarding the possible effects of this matter.
2. Based on the information available, Gazi Wires Ltd. claims ownership of 3.89 acres land under BS Khatian No. 02 and BS Dag Nos. 567 and 569 at Char Rangamatiya, Chandgaon, Chattogram, Due to the land has been recorded by latest BS survey the name of Abandoned Property Management, Government of Bangladesh. The matter is currently under litigation through LST Case No. 27372/2024, dated on 28.10.2024 pending before the Land Survey Tribunal, Chattogram. Subject to the final outcome of the case, the ownership of the land remains uncertain. Consequently, the GWL has been unable to pay land tax since fy- 2022-2023.
3. As part of our audit procedure, balance confirmation letters were sent to various parties for confirming balances of Trade Debtors (Note 09.00), Inter Project Current Account (Note 10.00) and different parties under current liabilities (Note 23.00, 25.00). But response from many parties was yet to be received till the date of our final report.
4. A discrepancy of Tk. 381,585 was noted between the schedule and the related note in Accounts Receivable and Advance Against Sales.

5. We have sent balance confirmation letter in respective Banks. We received One (01) bank balance confirmation letter (Sonali Bank PLC AC-00049) and rest of the bank balance confirmation letters are yet to be received.

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with ethical requirement that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Key audit matters for the audit of financial statements are as under:

Risk	Our Respond to the risk
<p>Sales Revenue Recognition</p> <p>At the reporting date, the position of sales revenue amounting to Tk. 212,115,939.00 for the company as a whole, which represents major amounts comparing of total assets of the company. Evidently, the company is highly dependent on earning on sales revenue.</p>	<p>We obtained an understanding, evaluated the design and tested the operational effectiveness of the company's key controls sales revenue. Our audit procedures included, among others, the followings:</p> <ul style="list-style-type: none"> • Understood and reviewed sales revenue recognition; • Review sales revenue in party wise sales; • Review the finance Procedure such pay cash or cheque, get on time; • Documents required for sales revenue; • Obtained the application of sales revenue recognition confirm by the document; • Checked the all-sales revenue source in export sales; and • Finally assessed the appropriateness and presentation of disclosures against. relevant accounting standards. <p>The procedures above did not identify any issues with regard to the loans to members.</p>
<p>Refer to the note. 31.00 to the financial Statements</p>	
<p>Valuation of Closing inventory</p> <p>At reporting date, the position of valuation of closing inventory remains amounting to Tk. 252,981,978.00 for the company as a whole, which represents around 24.17% of total assets for the company.</p>	<p>We obtained an understanding, evaluated the design and tested the operational effectiveness of the Organization's key controls over the valuation of closing inventory.</p>

Evidently, the company is highly dependent on closing inventory and major amount of stock and is not used in the end of the year. Therefore, the valuation of the closing inventory has been considered as key audit area.

Our audit procedures included, among others, the followings

- Understood and reviewed the nature of closing inventory and has taken from the summary and internal audit report take the verify of end of the year of closing inventory;
- Obtained the comparing the realizable value and details review of revenue subsequent to the year-end;
- Recalculated the closing inventory of the company's internal inventory and related to the value of the financial position of the company;
- Checked the valuation of closing inventory quantity and valuation of inventory;
- Reviewed the segregation among the separately closing inventory of the financial statement compare in data;
- Finally, assessed the appropriate-ness and presentation of disclosures against relevant accounting standards.
- The procedures above did not identify any issues with regard to the valuation of closing inventory.

Refer to the note no. 6.00, 7.00 & 8.00 to the financial statements

Trade Debtors Recognition

At reporting date, the position of trade debtors remains amounting to Tk. 73,652,950.00 for the company as a whole, which represents around 7.04% of total assets for the company. Therefore, the trade debtors have been considered as key audit area.

We obtained an understanding, evaluated the design and tested the operational effectiveness of the company's key controls over the trade debtors. Our audit procedures included, among others, the followings:

- Understood and reviewed the nature of trade debtors and has taken from the summary to take the verify of end of the year of closing debtors;
- Checked the transactions of sales quantity and valuation of goods;
- Reviewed the segregation among the separately closing debtors of the financial statement compare in data;
-

	<ul style="list-style-type: none"> • Finally, assessed the appropriate-ness and presentation of disclosures against relevant accounting standards. • The procedures above did not identify any issues with regard to the trade debtors.
Refer to the note no. 09.00 to the financial statements	
Current Liabilities Recognition	
<p>At reporting date, the position of valuation of current liabilities remains amounting to Tk. 448,140,118.00 for the company as a whole, which represents around 42.82% of total liabilities for the company. Therefore, the current liabilities have been considered as key audit area.</p>	<p>We obtained an understanding, evaluated the design and tested the operational effectiveness of the company's key controls over the current liabilities. Our audit procedures included, among others, the followings:</p> <ul style="list-style-type: none"> • Understood and reviewed the nature of current liabilities and has taken from the summary and internal audit report take the verify of end of the year of current liabilities; • Checked the ledger of liabilities; • Reviewed the segregation among the separately closing debtors of the financial statement compare in data; • Finally, assessed the appropriateness and presentation of disclosures against relevant accounting standards. • The procedures above did not identify any issues with regard to the trade debtors.
Refer to the note no. 23.00 to 30.00 to the financial statements	

Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Companies Act, 1994 and ensure effective internal audit, internal control and risk management functions of the Organization.

In preparing the financial statements, management is responsible for assessing the Society/Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society/Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the financial reporting process

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our

opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with 15As will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Report on Other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, we also report the following:

- a) We have obtained all the information and explanation which to best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof.
- b) In our opinion, proper books of account as required by law except for the matter emphasis have been kept by the company so far as it appeared from our examination of those books.
- c) The company's statement of financial position dealt with by the report is in agreement with the books of accounts and returns.
- d) The expenditure incurred were for the purpose of the companies for the year.

22 FEB 2025

GAZI WIRES LIMITED, CHITTAGONG,
Notes to the financial statements
For the year ended 30 June, 2025

1.00 Reporting Entity:

1.01 Company Profile:

The Company was registered as S. Gazi & Co. Ltd. in 1963 under Company Act 1913. In 1972 Government of Bangladesh take over the company by exercising powers conferred by clause (7) of Article 10 of the Bangladesh Industrial Enterprise (Nationalisation) Order, 1972 (P.O. no. 27 of 1972).

1.02 Nature of Business:

The company's principal activities are the manufacturing and supplying of super enamel copper wire.

2.00 Basis of Preparation:

2.01 Statement of Compliance:

These financial statements have been prepared on going concern basis in accordance with Bangladesh Financial Reporting Standards (IFRS), the Companies Act 1994 and other applicable laws in Bangladesh.

2.02 Date of Authorization:

Head of the organization has authenticated these Financial Statements on 18th December, 2025.

2.03 Basis of measurement:

These Financial Statements have been prepared on going concern basis under the historical cost convention.

2.04 Functional and Presentational Currency:

These Financial Statements are presented in BD Taka, which is both functional currency and presentation currency of the company.

2.05 Use of Estimates and Judgments:

The preparation of Financial Statements requires managements to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and underlying assumption are based on past experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on going concern basis. Revision to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

In particular, information about significant areas of estimation and judgments in applying accounting policies that have the most significant effect on the amounts reconsider in the financial statements.

2.06 Reporting Period:

The financial period of the company covers one year from 1 July, 2024 to 30 June, 2025.

3.00 Significant Accounting Policies:

The accounting policies set out below has been applied consistently to all periods presented in this financial statement.

3.01 Application of Standards:

Following IFRSs has been applied in preparing financial statements during the period under review:

- IAS-1 Presentation of financial statements.
- IAS-7 Statement of cash flows.
- IAS-8 Accounting policies, changes in accounting estimates and errors.
- IAS-10 Events after the reporting period.
- IAS-16 Property, plant & equipment.
- IAS-18 Revenue
- IAS-23 Borrowing costs IAS-33 Earnings per share
- IAS-37 Provisions, contingent liabilities & contingent assets.

3.02 Property, plant & equipment:

3.02.01 Recognition & measurement:

Items of property, plant & equipment, freehold buildings, excluding freehold land are measured at cost less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price, import duties and non-refundable taxes (after deducting trade discount and rebates) and any costs directly attributable to bring the assets to the location and condition necessary for it to be capable of operating in the intended manner.

3.02.02 Subsequent costs:

The cost of replacing or upgrading part of an item of property, plant and equipment is recognized in carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The cost of the day-to-day servicing of property, plant and equipment are recognized in the statement of comprehensive income as incurred.

3.02.03 Depreciation:

The company uses the reducing balance method of depreciation for all property, plant and equipment. No depreciation is charged on freehold land and on addition to fixed assets. Rate of depreciation on fixed assets are as follows:

Name of Assets	Rate of Depreciation (%)
Land	0%
Factory Building	5%
Canteen Building	5%
Plant & Machinery	10%
Electric Equipment	10%
Factory Equipment	12%
Laboratory Equipment	12%
Generator Rooms	5%
Gas Line Establishment Expenses	10%
Wasa Line Establishment Expenses	10%
Furniture & Fixture	6%
Office Equipments	10%
Television	20%
Air Cooler	15%
Water Cooler	15%
Medical Equipment	15%
Wall(Constructed)	5%
Office Building	5%
Vehicles	20%

3.02.04 Gains or losses on disposal:

Gains or losses on disposal are determined by comparing the disposal proceeds with the carrying amounts and are recognized on net basis.

3.03 Intangible assets:

3.03.01 Recognition and Measurements:

Intangible assets are measured at cost less accumulated amortization and accumulated impairment loss, if any.

3.03.0 Subsequent Expenditure:

Subsequent Expenditure is capitalized only when it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. All other expenditures are recognized in the statement of comprehensive income when incurred.

3.04 Financial Instruments:

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.04.01 Financial assets:

The company initially recognizes debtors and deposits on the date that they are occurred. All other financial assets are recognized initially on the date at which the company becomes a party to the contractual provision of the transaction. Financial assets include cash and cash equivalents and trade debtors.

a) Cash and cash equivalents:

Cash and cash equivalents comprise cash in hand, cash at Bank which are available for use by the company without any restriction.

b) Trade debtors:

Trade debtors represent the amounts due from customers for delivering goods or rendering services. Trade and other receivables are initially recognized at cost which is the fair value of consideration given in return. After initial recognition these are carried at cost less impairment losses due to uncollectable of any amount so recognized.

3.04.02 Financial liabilities:

A financial liability is recognized when its contractual obligation arising from past events are certain and the settlement of which is expected to result in an outflow from the company. The company initially recognizes financial liabilities on the transaction date at which the company becomes a party to the contractual provisions of the liability.

The company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired. Financial liabilities include trade creditors, expense creditors and accruals, sundry creditors and other non-current liabilities.

3.05 Inventories:

Inventories are stated at the lower of cost or net estimated realizable value in compliance with the requirements of Para 25 of IAS 2.

3.06 Impairment:

The carrying value of the company's assets other than inventories are reviewed at the end of each reporting period to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of the asset or its cash generating unit exceeds its recoverable amount. Impairment losses, if any, are recognized in the statement of comprehensive income.

3.07 Provision:

A provision is recognized in the statement of financial position when the company has a legal or constructive obligation as a result of past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

3.08 Contingencies:

Contingencies arising from claim, lawsuit, etc. are recorded when it is probable that a liability has been incurred and the amount can reasonably be measured.

3.09 Income Tax:

Income tax expense comprises current tax. Income tax expense is recognized in the statement of comprehensive income.

3.09.01 Current Tax:

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date.

The effective rate of taxation is 27.5%. Since our company incurs loss in the Financial years 2024-2025 then minimum tax will be imposed upon Gross Sales which is 1% under ITA 2023 section 163 sub (5)

3.09.02 Deferred tax:

The company agrees to adopt a policy of recognition of deferred tax in accordance with IAS-12 but the provision of which will be taken into account from next year. Deferred tax is to be provided for temporary differences between the carrying amount of assets and liabilities for financial reporting purpose and the amount used for taxation purpose.

3.10.01 Revenue arising from sale of goods:

3.10.01.01 Goods Sold:

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discount and VAT. Revenue is recognized when the significant risk and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the association cost and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably. This usually occurs at the time of delivery of goods along with invoice.

3.10.01.02 Cash on delivery sales:

Revenue is recognized when delivery is made and cash is received by the seller.

3.11 Finance income and expenses:

Finance income comprises income on saving account as per record. Interest income is recognized on cash basis subject to our comment on section 8(C) of management report.

Finance expense comprises interest expenses on Bank Loan, bank charges, interest expenses on Head office current account. All finance expenses are recognized in the statement of comprehensive income.

3.12 Earnings per share:

Earnings per share calculated by dividing, net profit after tax for the year with weighted average number of ordinary Shares outstanding during the year.

GAZI WIRES LIMITED
Ratio Analysis
For the year ended 30 June , 2025
Comparative ratio analysis:

A) SOLEVENYCY RATIO:

(Indicating the extent to which company can meet its current commitment)	Actual Position	Standard Ratio
--	-----------------	----------------

i) Current ratio	=	$\frac{\text{Current assets}}{\text{Current Liabilities}}$		
	=	$\frac{956,602,496}{448,140,118}$	=2.13:1.00	= 2.00:1.00

The ability of the Company is satisfactory to pay its current liabilities.

ii) Liquidity Ratio	=	$\frac{\text{Liquid Assets}}{\text{Current Liabilities}}$		
	=	$\frac{682,380,617}{448,140,118}$	= 1.52:1.00	= 1.00:1.00

The entity has more than sufficient short-term assets to cover its liabilities.
 (Liquid Assets = Current Assets - Inventory - stores & stock - Advance & Pre payment)

B) PERFORMANCE RATIO:

1)SALE

(Measuring operating performance in terms of sales and capital employed)

i) Debtors Turnover	=	$\frac{\text{Sales}}{\text{Average Debtors}}$		
	=	$\frac{212,115,939}{130,324,322}$	= 1.63 Times	= 4 - 6 times

The Debtors Turnover Ratio is lower compared to the benchmark/previous period, indicating slower recovery of receivables. This suggests inefficiencies in credit management and collection policies, which may negatively impact liquidity and increase the risk of bad debts. The company should strengthen credit control procedures and improve collection efforts.

2) RETURN

i) Return on total capital employed	=	$\frac{\text{Net Profit before interest \& Tax}}{\text{Total Capital employed}} \times 100$		
	=	$\frac{-46,862,179}{598,338,438}$	-7.83%	=5% - 10%

The Net earning capacity on capital employed of the company is not satisfactory.

(Indicating the extent to which company can meet its current commitment)	Actual Position	Standard Ratio
--	-----------------	----------------

ii) Gross Profit Margin	$= \frac{\text{Gross Profit}}{\text{Sales}} \times 100$ $= \frac{-22,858,956}{212,115,939}$	<p>-11%</p> <p>=15%-20%</p>
-------------------------	---	-----------------------------

The gross profit earning capacity of the company on sales is not satisfactory

iii) Net profit Margin	$= \frac{\text{Net profit before tax}}{\text{Sales}} \times 100$ $= \frac{-46,862,179}{212,115,939}$	<p>-22%</p> <p>= 5%-10%</p>
------------------------	--	-----------------------------

The profit earning capacity of the company on sales is not satisfactory.

3) Break Even Point (Sales):

i) Contribution Margin Ratio	$= \frac{\text{Contribution Margin Per Ton}}{\text{Selling Price Per Ton}}$ $= \frac{342,641}{1,820,768.93}$	<p>0.188</p>
ii) Break Even Point (in Sales)	$= \frac{\text{Fixed Cost}}{\text{Contribution Margin Ratio}}$ $= \frac{78,855,169}{0.188}$	<p>419,442,388.30</p>
iii) Break Even Point (in Unit)	$= \frac{\text{Fixed Cost}}{\text{Contribution Margin Per Ton}}$ $= \frac{78,855,169}{342,641}$	<p>230.14</p>
iv) Break Even Ratio	$= \frac{\text{Actual Sales}}{\text{Break Even Sales}}$ $= \frac{212,115,939}{419,442,388}$	<p>51%</p>

This means the entity is 49% below the break-even point, so the business is currently operating at a loss.
