| SL No. | Report No.     | Name of the Reporting Officer | Detail Subject of the Report                                                                                                                               | Reporting year |
|--------|----------------|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| 1      | GSB/DATA/UR-01 | M. Reazuddin, F.H. Khan       | Chemical Analysis of Rocks of Bangladesh.                                                                                                                  | 1962           |
| 2      | GSB/DATA/UR-02 | M. Reazuddin                  | The advanced analytical training in U.S.G.S                                                                                                                | 1964           |
| 3      | GSB/DATA/UR-03 | Khan Abdul Majeed             | Preliminary report on the occurrence and the prospecting of lignite in the part of Bangladesh.                                                             | 1951           |
| 4      | GSB/DATA/UR-04 | Taher Khali, R.A. Khan        | Preliminary report on lignite prospecting near Moulavibazar, Sylhet District.                                                                              | 1953           |
| 5      | GSB/DATA/UR-05 | Taher Khali, R.A. Khan        | Reported occurrence of coal in Mohantdala-gurguri dala near Sitakunda, Chittagong District.                                                                | 1953           |
| 6      | GSB/DATA/UR-06 | Mantaz-Uddin M.               | Suspected existence of coal under the Ganges Brahmaputra alluvium of Bangladesh.                                                                           | 1959           |
| 7      | GSB/DATA/UR-07 | Gee E.R.                      | Proposed mineral exploration project on exploration for coal and limestone in Bangladesh.                                                                  | 1957           |
| 8      | GSB/DATA/UR-08 | F.H. Khan                     | Report on the lignite of Bhateari area, Chittagong district.                                                                                               | 1959           |
| 9      | GSB/DATA/UR-09 | F.H. Khan                     | Report on the Guri valley coal, Sylhet District.                                                                                                           | 1958           |
| 10     | GSB/DATA/UR-10 | M.A. Zaher                    | Coal at Ucheckpara, Mouza lainthong, P.S. Lama, sub-division Bandarban, Chittagong Hill Tracts.                                                            | 1970           |
| 11     | GSB/DATA/UR-11 | Haque A.F.M Mosenul           | A note on the lignite of East Bengal.                                                                                                                      | 1950           |
| 12     | GSB/DATA/UR-12 | Qurashi I.H. Anam, Manzur     | Report on the geological reconnaissance and coal investigation in the Western boarder belt (Garoo-Hills) Mymensingh district. East Pakistan.(East Bengal). | 1966           |
| 13     | GSB/DATA/UR-13 | Haque A.F.M Mohsenul          | A note on the deposits carbonaceous in East Pakistan.                                                                                                      | 1949           |

|    |                |                               |                                                                                                                                 |      |
|----|----------------|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------|------|
| 14 | GSB/DATA/UR-14 | M.A. Zaher                    | Paleo-geology of the Paharpur Jamalgonj coal field, Rajshahi- Bogra District.                                                   | 1961 |
| 15 | GSB/DATA/UR-15 | Ahmed Mesbah Uddin, Khan F.H. | Result of an investigation of clay deposits on Dacca Aricha road and clay and calcareous concretions near Tongi Dacca District. | 1959 |
| 16 | GSB/DATA/UR-16 | A.B. Roy                      | White clay and ferruginous rocks of Bijoypur Mymensingh District.                                                               | 1960 |
| 17 | GSB/DATA/UR-17 | Khan F.H.                     | Clay deposits of East Pakistan.                                                                                                 | 1963 |
| 18 | GSB/DATA/UR-18 | M.A. Zaher                    | Preliminary review of clay deposits of Bijoypur Mymensingh District.                                                            | 1973 |
| 19 | GSB/DATA/UR-19 | Khan M.A Marofe               | Study of satiability of the Madhupur clay for estijicial medium or dense weight aggregate production in Bangladesh.             | 1973 |
| 20 | GSB/DATA/UR-20 | M. Nazrul Islam               | Kaolin deposits of the area between Maijpara and Puthimari Mymensingh district.                                                 | 1975 |
| 21 | GSB/DATA/UR-21 | Nazrul Islam                  | Black clay deposit of Mirpur area Dacca District.                                                                               | 1977 |
| 22 | GSB/DATA/UR-22 | A.B. Roy                      | Building of road materials of Shildehara and Baulrania chara (Ctg.dist.) and Hangarkhal-gankabati Rama jashi (Ctg. Hill tracts) | 1960 |
| 23 | GSB/DATA/UR-23 | A.B. Roy                      | Report on gravel and boulder deposits of Panchagarh and Tetulia area in Dinajpur District.                                      | 1960 |
| 24 | GSB/DATA/UR-24 | A.B. Roy                      | Report on the gravel deposits of Patgram Rangpur District.                                                                      | 1961 |
| 25 | GSB/DATA/UR-25 | Haque A.F.M Mohsenul          | Construction materials in East Pakistan.                                                                                        | 1962 |
| 26 | GSB/DATA/UR-26 | Khan M.A Marouf               | Gravel and sand deposits of Panchagarh Tetulia thana Dinajpur District.                                                         | 1967 |
| 27 | GSB/DATA/UR-27 | Khan M.A Marouf, Haque S.M.   | Report on gravel investigation in the northern part of the Nilphamari sub-division Rangpur district. East Pakistan.             | 1967 |

|    |                |                                                                                  |                                                                                                                                                  |      |
|----|----------------|----------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|------|
|    |                |                                                                                  |                                                                                                                                                  |      |
| 28 | GSB/DATA/UR-28 | Rahman Anis, Muzahed Uddin,<br>S. Islam, M. Mahtabul,<br>Chowdhury Sirajul Islam | Preliminary report on the geology of hard rocks in Madhya para area Dinajpur district. (GDH – 23,23A,24 + 25)                                    | 1974 |
| 29 | GSB/DATA/UR-29 | Haque A.F.M Mohsenul                                                             | A note on engineering stone in East Bengal.                                                                                                      | 1951 |
