

National Seminar 2026

“Geology for Sustainable Development & Future Energy Security of Bangladesh”

Organized by

Geological Survey of Bangladesh

 **Date: 02-03 May, 2026**
 **Venue: BIAM Foundation, Dhaka**

CALL FOR PAPERS

We are pleased to announce that Geological Survey of Bangladesh is going to organize a National Seminar on “Geology for Sustainable Development & Future Energy Security of Bangladesh” to be held on 02–03 May 2026 at the BIAM Foundation, Dhaka. You are cordially invited to share your valuable research findings, experiences, and knowledge through oral or poster presentations. All accepted papers will be published in a peer-reviewed seminar proceedings volume with an ISSN number.

THEMES

1. Advancing Geoscientific Research for Sustainable Energy Security of Bangladesh
2. Geological Mapping and Mineral Exploration/Mining/Utilization/Marketing: Foundation for National Economic Growth
3. Geohazards, Climate induced Geohazards, Climate Change and Disaster Risk Reduction in Bangladesh
4. Engineering Geology for Development Planning and Urbanization
5. Hydrogeology and Water Resource Management
6. Marine Geology and Coastal Dynamics of Bangladesh: Prospects for Blue Economy
7. Geo-tourism, Geo-heritage, Conservation and Environmental Geology for Public safety/health

DEADLINES

14 FEB 2026	Abstract Submission
30 MAR 2026	Full Paper Submission

FULL PAPER SUBMISSION

Authors of accepted abstracts will be notified for submitting full papers following the prescribed template and guidelines through designated submission link. Full papers will undergo a review process prior to publication in the seminar proceedings.

REGISTRATION

Seminar registration will commence after abstract acceptance. Authors will receive the registration link in the abstract acceptance email.

TEMPLATES AND GUIDELINES

All templates and guidelines (abstract, full paper, and poster), and Google Form links are available on the GSB official website under the National Seminar tab. It can also be accessed through the QR code here.
