**Independent Auditors' Report**  
**to the Shareholders of Karmasangsthan Bank**  
**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the financial statements of Karmasangsthan Bank (the "Bank"), which comprise the balance sheet as at 30 June 2024, and profit and loss account, statement of changes in equity and cash flows statements for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, described in the Basis for Opinion section of our report, accompanying financial statements of the Bank give a true and fair view of the balance sheet of the Bank as at 30 June 2024, and of its Financial Performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and The Karmasangsthan Bank Act, 1998 as explained in note 2.01 of the financial statements.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), Bangladesh Bank and we have fulfilled our ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter**

We draw attention of the users of this report to the following facts depicted and mentioned in the financial report:

1. As per IAS 36 (Paragraph 9) at the end of each reporting period, an entity is required to assess whether there is any indication that an asset may be impaired (i.e. its carrying amount may be higher than its recoverable amount). IAS 36 has a list of external and internal indicators of impairment. If there is an indication that an asset may be impaired, then the asset's recoverable amount must be calculated. But Karmasangsthan Bank has never performed any impairment test of its Property, Plant & Equipment which is also a noncompliance of IAS 36.
2. Referred to Note No. 8.05 of the financial statements regarding inter branch adjustment which shows receivable BDT 378,895/- but the management provided us a reconciliation statement which shows inter branch receivable BDT 102,263/-. Therefore, the difference shows BDT 276,632/-and the financial statement overstated by the same.

3. Referred to Note No. 12.00 in the financial statements, the interest calculation of Bank KBSDS's included in 'Other Deposits' is for the period from 1 January to 31 December, but the Bank's financial year is from 1 July to 30 June. As a result, KBSDS's interest calculation has been made as per cash basis which does not comply with IAS 1 (paragraph 27) which states that an entity shall prepare its financial statements on an accrual basis of accounting, except for cash flow information.

Our opinion is not modified in respect of the above matters.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### **Loans and advances and Measurement of provision for loans and advances**

A high volume of loan origination and payment activity results in the risk of inaccurate recording, processing errors or fraudulent transactions, which requires special consideration because of the likelihood and potential magnitude of misstatements to the completeness, existence and accuracy of loans and advances. Moreover, the process for estimating the provision for loans and advances portfolios associated with credit risk is significant and complex. For the individual analysis, these provisions consider the estimates of future business performance and the market value of collateral provided for credit transactions. For the collective analysis, these provisions are manually processed that deals with voluminous databases, assumptions and calculations for the provision estimates of complex design and implementation.

At the year end of 2024 for loans and advances of BDT 39,808,582,288 (2022-2023: BDT 33,186,160,527) and provision for loans and advances of BDT 1,199,549,020 (2022-2023: BDT 1,014,403,727).

### **How our audit addresses the key audit matters**

We tested the design and operating effectiveness of key controls focusing on the following:

- We tested the design and operating effectiveness of key controls focusing on credit appraisal, loan disbursement and documentation process of loans and advances.
- We have performed procedure to check whether the bank has ensured appropriate documentation as per the Bank's policy before disbursement of loans and advances.
- In addition, we have performed procedure to check whether the loans and advances are recorded completely and accurately and that are existed at the reporting date. Furthermore, we have assessed the appropriateness of disclosure against the Bank's guidelines.
- Tested the credit appraisal, loan disbursement procedures, monitoring and provisioning process;
- Identification of loss events, including early warning and default warning indicators;
- Reviewed yearly classification of loans (CL);
- Reviewed the adequacy of the companies general and specific provisions;

- Assessed the methodologies on which the provision amounts based, recalculated the provisions and tested the completeness and accuracy of the underlying information;
- Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh bank guidelines.

**[See note 6.00 and 13.00 to the financial statements]**

### **Recognition of Interest Income**

Recognition and measurement of interest income involve a complex IT environment as well as require critical estimates and judgement. Since interest income from loans and advances is one of the key performance indicators of the Bank there is an inherent risk of fraud and error in the recognition of interest income.

Accordingly, this has been considered a key audit matter.

At year-end the Bank reported gross interest income of BDT 3,440,719,532 (2022-2023: BDT 2,861,779,990).

### **How our audit addresses the key audit matters**

We tested the design and operating effectiveness of key controls focusing on the following:

- We performed tests of operating effectiveness on automated control in place to measure and recognize interest income.
- Reviewed transfer of interests to income account in line with the Bangladesh Bank's guidelines and circulars;
- Reviewed the grounds for approval for the transfer to the income account.

**[See note no. 20.00 to the financial statements]**

### **Reporting on other information**

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we concluded that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls**

Management is responsible for the preparation and fair presentation of the financial statements of the Bank and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Karmasangsthan Bank Act, 1998. Bank Company Act, 1991 (as mentioned in note no. 2.01 of the financial statements) and the direction of Bangladesh Bank require the Management to ensure effective internal audit, internal control and risk management function of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and others matters that may responsibly be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other Legal and Regulatory Requirements**

In accordance with the Karmasangsthan Bank Act, 1998 and other applicable laws and regulations, we also report that:

- (i) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appeared from our examination of those books;
- (iii) The records and statements submitted by the concerned branches have been properly maintained and incorporated in the financial statements;
- (iv) The Bank's balance sheet and profit or loss account together with the annexed notes dealt with by the report are in agreement with the books of account and returns;

- (v) Adequate provisions have been made for loans and other assets which are in our opinion, doubtful of recovery;
- (vi) The information and explanations required by us have been received and found satisfactory;
- (vii) Based on our work as mentioned above under the auditors' responsibility section, the internal control and compliance of the Bank is satisfactory, and effective measures have been taken to prevent possible materials fraud, forgery and internal policies are being followed appropriately;
- (viii) We have reviewed over 80% risk weighted assets of the Bank and spent over 1950 person hours for the audit of the books of accounts of the bank;
- (ix) The Bank has complied with relevant laws pertaining to capital, reserve and net worth, cash and liquid assets and procedure for sanctioning and disbursing loans/leases found satisfactory;
- (x) The Bank has complied with the operational Paripatra no. 01/2017, dated April 02, 2017 relevant to classification, provisioning and calculation of interest suspense;
- (xi) The Bank complied with Karmasangsthan Bank Act, 1998. The income Tax Act, 2023. the Value Added Tax and Supplementary Duty Act, 2012 and other applicable rules and regulations following the Accrual Basis of Accounting in preparing these financial statements.

**2.01.04 Reporting Period:**

The report covers the financial year adopted by bank which is from 01 July 2023 to 30 June 2024.

**2.01.05 Management Responsibility on Financial Statements:**

The Management of the bank takes the responsibility for the preparation and presentation of the Financial statements.

**2.02 Fixed Assets and Depreciation:**

a) Fixed Assets are stated at acquisition cost less accumulated depreciation in compliance with International Accounting Standards (IASs)-16.

b) Depreciation on fixed assets has been charged on reducing balance method of the applicable following rates: -

Particulars of Fixed Assets	Percentage (%) of Depreciation
Land	0%
Building (Head Office)	0%
Building (Apartment)	2.5%
Furniture & Fixtures	10%
Office Machineries	20%
Office Equipment	15%
Electrical Equipment	20%
Motor Vehicles	20%
Software	25%

**Furniture & Fixtures:** Consists of Table, Chair, Tool, Sofa set, Rake, Almirah, Iron, Safe, Steel Trunk, File Cabinet, Notice Board, Signboard, etc.

**Office Machineries:** Consists of Computer, Photocopier, Calculator, etc.

**Office Equipment:** Consists of Table fan, etc.

**Electrical Equipment:** Consists of Ceiling Fan, Air Conditioner, etc.

Depreciation has been charged on addition of fixed asset when it is available for use. Detailed statement of Fixed Assets are shown in Annexure-A.

c) Property, Plant and Equipment are capitalized at cost of acquisition and subsequently stated at cost less accumulated depreciation in compliance with the benchmark treatment of International Accounting Standards (IAS) 16. Property, Plant and Equipment. The cost of acquisition of an asset comprises its purchase price and any directly attributable cost of bringing the assets to its working condition for its intended use inclusive of inward freight, duties and non-refundable taxes.

d) Depreciation is provided to amortize the cost of the assets after commissioning, over the period of their expected useful live, in accordance with the provisions of IAS 16: Property, Plant and Equipment.

e) Upon retirement of items of fixed assets the cost and accumulated depreciation are eliminated from the financial statement and the resultant gains or losses, if any, are transferred to Profit and Loss Account.

f) Repairs and maintenance costs of fixed assets are treated as revenue expenditure and charged to Profit and Loss account when incurred.

**2.02.01 IFRS 16 : Leases**

IFRS 16 Leases, defines a lease as "A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration." In order to assess whether a contract conveys the right to control the use of an identified asset, an entity shall assess whether, throughout the period of use, the customer has both of the following:

**a) Right-of-use assets**

The company recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized and lease payments made or payable before the commencement date less any lease incentives received.

**b) Lease Liabilities**

At the commencement date of the lease, the company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

**2.03 Receivables:**

Receivable includes rental/ installments due from the borrowers but not received. No such receivable are accounted for if the number of rentals/ installment fall overdue for a period of 18 months or more. Such receivable carry interest for the periods for which the delay continues in payments of the amounts due from the clients continues. Such interest is not recognized as income until it is received in cash. Receivables from clients are stated at their nominal value.

**2.04 Cash and Cash Equivalents:**

Cash and cash equivalents comprise of Cash at Bank and in hand and Short Notice Deposit and Fixed Deposits with maximum maturity of 12 months or less.

**2.05 IAS 7: Cash Flows Statements:**

IAS: The Cash flows statements can be prepared using either the direct method or the indirect method. The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.

**Bangladesh Bank:** As per BRPD Circular 14 dated 25-06-2003, cash flows is the mixture of direct and indirect methods.

**2.06 Accrued Expenses & Other Payables:**

Accrued expenses & other payable liabilities are recognized for the goods and services received whether paid or not for those goods and services. Payables are not interest bearing and are stated at their nominal value.

**2.07 Provision for Loans & Advances (Unclassified loan):**

Provisions are recognized when Loans has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate can be made of the amount of the obligation.

**2.07.01 Provision for Doubtful classified Loan:**

The provision for doubtful loan is maintained at a level that management considers adequate to absorb identified credit related losses in the portfolio as well as losses that have been incurred but not identified.

**2.08 Retirement Benefit Scheme:**

a) The bank operates a retirement scheme viz, Staff Superannuation fund. The fund is operated by a Trustee Board Comprising of 5 Trustees. An actuarial valuation has been performed to determine the present value of the accrued benefits, based on projections of employees' compensations level to the term of retirement.

Actuarial reports substantiate the amount of provision made for above-mentioned funds as adequate to discharge the claims. Investments held by the funds primarily comprise fixed deposits with banks and financial institutions.

b) There is a General Provident Fund Scheme approved by Govt. (Ref. No. 53.002.031.00.00.002.2005-44 date 05.02.2013) for the regular employee's of the bank where the employee's contribution is 5% - 25% of their basic pay. The employers have made no contribution to the fund.

c) The Bank has also initiated maintenance of some fund for the benefit of the qualified borrowers namely Death Risk Coverage Scheme and employees Staff Benevolent fund for the bank Employee.

**2.09 Interest Suspense Account:**

Accrued interests on Term Loans, Sub-standard, Doubtful and Bad loans are not recognized as income rather transferred to interest suspense accounts in compliance with the Bangladesh Bank guidelines. Recovery of overdue amounts credited to interest suspense account is recognized as income on cash basis. Any interests on classified loans are not been credited to income unless realized.

**2.1 Interest Income on term Loan:**

Interest income on term loan is recognized on accrual basis. Installment comprises both interest and principal. Interest part of the installments that become receivable is recognized as income in the financial statements. Interest on term loan ceases to be taken into income when such term finance are classified as above and kept in interest suspense account. The interest realized on classified loan credited to interest income by debit interest suspense account.

**2.11 Related party Transaction**

Parties are considered to be related if one of the parties has the ability to control the other party or exercise significant influence over the other party in making financial and operating decisions. In this case, all the entities disclosed as related parties do not have any influence or control over operational decision making process whatsoever of the reporting entity. The Bank provides banking service to create self-employment opportunities for the unemployed youths through disbursement of fund in the form of loans but the bank had no transactions with the directors of the bank as a related party.

Now the paid up capital is Eight hundred crore. Besides, under section 7(1) commercial banks, scheduled banks, insurance companies and financial institutions can nominate a director subject to the number of their shares being 10%. As per section 7(1), directors cannot be appointed as commercial banks, scheduled banks, insurance companies and financial institutions do not have 10% shareholding.
- 3.15 **Going Concern:**  
The Bank has adequate resources to continue operation for foreseeable future. For these reasons the directors continue to adopt going concern basis in preparing the accounts. The current credit facilities and resources of the Bank provides sufficient fund to meet the present requirements of its existing business operation.
- 3.16 **Taxation**  
Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authority. Income tax expense comprises current and deferred tax. It is recognized in the statement of profit or loss and other comprehensive income.
- a) **Current Tax**  
Applicable tax rate is 40% as prescribed in the Finance Act, 2023 of the profit made by the Bank considering major taxable allowances and disallowances. Provision for Income Tax on Total Profit of BDT 495,339,162.00 before Taxes has been made for the year ended June 30, 2024.
- b) **Deferred Tax**  
As per International Accounting Standards (IAS)-12, Deferred Tax is calculated using the carrying amount and tax base of assets and liabilities. Deferred tax arises due to temporary difference deductible or taxable for the events or transactions recognized in the comprehensive income statement. A temporary difference is the difference between the tax bases of an asset or liabilities and its carrying amount/reported amount in the statement of financial position. Deferred tax assets is the amount of income tax recoverable or payable in the future periods recognized in the current period. The deferred tax asset/income or liability/expense does not create a legal recoverability/liability to and from the income tax authority. Deferred Tax has been made for the year ended June 30, 2024 Total amount BDT 153,036,524.00.
- 3.17 **Arrear Income tax**
