### Basis for Qualified Opinion

1. As shown in Note-17.00 the entity has recognised Interest income from FDR Tk. 31,060,608/- on cash basis instead of accrual basis, furthermore the financial statements have not been fully prepared on an accrual basis, as the entity has not recognized Electricity bill as expense for the month of June 2024 which constitutes a violation of IAS-1.

### **Responsibilities of the Management and those charged with Governance for the Financial Statement**

Management is responsible for the preparation and fair presentation of the Financial Statement in accordance with International Financial Reporting Standards (IFRS), and other applicable laws and regulations and accounting policies of the Authority and for such internal control as management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statement, management is responsible for assessing the Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis if accounting, unless management either intends to liquidate the Authority or to cease operations or has no realistic alternative but to do so. Those charged with Governance are responsible for overseeing the Authority's Financial Reporting Process.

### **Auditor's Responsibilities for The Audit of Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statement as a whole are free from material misstatement. Whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance. But is not a guarantee that audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material, if individually or in the aggregate, they could be reasonable by expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an Audit in accordance with ISA, we exercise professional judgement and maintain professional scepticism throughout the Audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's Internal Control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Statements or if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Authority to cease continue as a going concern.

এ. মতীন এন্ড কোং  
**A. MATIN & CO.**

- Evaluate the overall presentation, structure and content of the Financial Statements including the disclosures and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with Governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal Control that we identify during our audit.

**Report on Other Legal and Regulatory Requirements**
