

## **Press Release**

The unjustifiable incident at the Bangladesh High Commission residence in New Delhi on 20th December 2025 is highly regrettable and cannot be accepted as “misleading propaganda”. The miscreants were allowed to carry out their activities right outside the perimeters of the High Commission, creating panic among the personnel inside the complex. The High Commission was not given advance information about this organized event. We have, however, noted the commitment of the Government of India to ensure the safety and security of all Bangladesh diplomatic posts in India.

We reject the attempt of the Indian authorities to depict an isolated attack on a Bangladeshi citizen, who happens to belong to the Hindu community, as attacks on minorities.

The Government of Bangladesh has promptly apprehended the suspects in this incident. The intercommunal situation in Bangladesh is better than in many other parts in South Asia. Bangladesh believes that it is the duty of all governments in the region to ensure protection of minorities in their respective countries.
