Subject: Post-graduate Scholarships by COMSATS University Islamabad, Pakistan (Fall 2022)

Excellency,

The Commission on Science and Technology for Sustainable Development in the South (COMSATS) presents its compliments to the Ministry of Science and Technology, Bangladesh, and has the honour of referring to the subject cited above.

As an esteemed member of COMSATS' Network of International S&T Centres of Excellence, COMSATS University Islamabad (CUI), Pakistan, has been facilitating the capacity building of the Member States of COMSATS through provision of quality education of international standards to talented students. In this regard, CUI has a long-standing offer of hundred (100) post-graduate scholarships to the students/researchers belonging to COMSATS' member states. Currently, over 36,000 students including over 500 foreign students from 24 countries are pursuing their degrees in seven (07) campuses of the university. Recently, CUI has launched admissions for the Fall 2022 session.

CUI is offering scholarships for nominees of COMSATS Headquarters in all Master & PhD Programs, including following key programs: computer science, management science, electrical engineering, biosciences, mathematics, physics, and meteorology. The scholarship covers one-time admission fee and entire semester fee, while applicant has to take care of living and travel expenses. In this regard, subject to the availability of funds, a limited number of selected candidates will be provided international travel (economy class) by COMSATS.

Attached herewith for your kind information and circulation is CUI's prospectus and information brochure for international students. Moreover, relevant details regarding admission procedure, eligibility criteria, admission schedule, application form and the scope of scholarships are available on CUI website: *http://ww3.comsats.edu.pk/internationalstudents/COMSATS_HQ.aspx*. It may be noted that the deadline for submission of applications is ***30th June 2022***. Furthermore, CUI offers undergraduate programs in various fields on self-finance basis, details of which are given in the enclosed documents.

The support of your esteemed Ministry is sought to ensure adequate utilization of CUI's scholarships by students and scholars of Bangladesh.

Please accept the assurances of our highest consideration.

With sincere regards,

(Dr. Akhtar Nazir)
