Ms. Rukia Wario (Kenyan): MS Biosciences

I chose to do my Masters at COMSATS University Islamabad (CUI), Pakistan because it is highly ranked in Pakistan. The campus is well-equipped having all materials and facilities (laboratories, students club, gym and other facilities) available for the students. Moreover, the university has a very large library which has a huge database that provides all the materials required to help you with your studies. The CUI faculty is highly qualified in their fields. Since I joined CUI, I feel I am living one of the best days of my life which will remain unforgettable.

Ms. Cao Xinwen (Chinese), BS Computer Sciences

CUI feels like my second home and the reason for selecting it as my study destination was that it is ranked number one in the field of Computer Science and is an overall highly ranked Pakistani university with standard research output, qualified lecturers in all discipline
