## INDEPENDENT AUDITOR'S REPORT

TO  
THE CHAIRMAN  
MONGLA PORT AUTHORITY (MPA)  
MONGLA, BAGHERHAT, KHULNA.

FOR THE FINANCIAL YEAR ENDED 30<sup>TH</sup> JUNE 2025  
REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

### Qualified Opinion

We have audited the financial statements of Mongla Port Authority, which comprises of the Statement of Financial Position as at 30<sup>th</sup> June, 2025, Statement of Profit or Loss & Other Comprehensive Income, Statement of Changes in Equity, Statement of Cash Flows, Statement of Fund Flows and Notes to the Financial Statements.

In our opinion, except for the effects of the matter described in the 'Basis for Qualified Opinion' section of our report, the accompanying Financial Statements present fairly in all material respects (or give true & fair view), the Financial Position of the Authority as at 30<sup>th</sup> June, 2025 and of its Financial Performance and Cash Flows for the period then ended accordance with the International Financial Reporting Standards (IFRS) and other applicable laws and regulations.

### Basis for Qualified Opinion

With modifications to this report, we would like to state that

1. During the audit, we noted that the entity does not update a Fixed Assets Register with sufficient details (details like purchase date, identification code, etc. are missing) for its Property, Plant & Equipment. Furthermore, we identified that certain assets classified under "Work-in-Progress (WIP)" are already available for use, but the entity has not transferred these items to Property Plant & Equipment, and consequently, no depreciation has been charged on them.
2. During our audit, we observed that the entity did not have any policy for Inventories as required by IAS-2 Inventories. Inventory should be valued at the lower of cost or net realizable value (NRV). The entity valued its Stock of Stores & Spares at historical cost without considering their NRV, despite the presence of obsolete, damaged, or slow-moving inventory. Furthermore, we observed that costs related to expenditure that are either purchase of assets or enhancement of an asset's useful life or productive capacity have been included in expenditure heads "Operating Repair & Maintenance" "Administrative Repair & Maintenance" as revenue expenditure and have been charged to the Statements of Profit/(Loss) & Other Comprehensive Income.
3. During our audit, we observed that the entity has prepared its income tax return based on accounting depreciation instead of applying tax depreciation. They have adjusted Advance Income Tax (AIT) directly against the current year's tax provision in the financial statements before the completion of tax assessment. Advance Income Tax (AIT) should be shown as a current asset (Advance Tax) until it is adjusted by the tax authority through final assessment.
4. During our audit, we observed that a substantial portion of the Mongla Port Authority's land has been leased out to various parties. The Authority should identify which of the leases are finance leases and should be recognized as such as per Lessor Accounting covered in IFRS 16. In many cases, lease deed agreements have not been updated or renewed, and the Authority follows a cash basis of accounting instead of the accrual basis for recording lease income.

60/2, Halim Palace (1<sup>st</sup> Floor), Naya paltan, Dhaka-1000  
88 02 226665608, Mobile -01713453596, 01728039565  
[akmatinmatin@yahoo.com](mailto:akmatinmatin@yahoo.com), [akmatinmatinbd29@gmail.com](mailto:akmatinmatinbd29@gmail.com)  
[www.amatin.co](http://www.amatin.co)

We conducted our Audit in accordance with the International Standards on Auditing (ISAs) as adopted by the Institute of Chartered Accountants of Bangladesh (ICAB). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the Financial Statements section of our report. We are independent of the authority in accordance with the Code of Ethics issued by the International Ethics Standards Board for Accountants (IESBA) Code of Ethics, as adopted by the Institute of Chartered Accountants of Bangladesh (ICAB Code of Ethics), and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide our basis for our qualified opinion.

#### **Responsibilities of the Management and those charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the Financial Statement in accordance with International Financial Reporting Standards (IFRS), and other applicable laws and regulations, and accounting policies of the authority, and for such internal control as management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error. In preparing the Financial Statement, management is responsible for assessing the authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis if accounting, unless management either intends to liquidate the authority or to cease operations or has no realistic alternative but to do so. Those charged with Governance are responsible for overseeing the authority's Financial Reporting Process.

#### **Auditor's Responsibilities for The Audit of Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole are free from material misstatement. Whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance. But is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they are reasonably expected to influence the economic decisions of users taken based on these Financial Statements.

As part of an Audit in accordance with ISA, we exercise professional judgement and maintain professional scepticism throughout the Audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's Internal Control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the authority to cease to continue as a going concern.

এ. মতীন এন্ড কোং  
**A. MATIN & CO.**  
Chartered Accountants

- Evaluate the overall presentation, structure, and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with Governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal Control that we identify during our audit.

**Report on Other Legal and Regulatory Requirements**

We also report the following, except for the effects of the matter described in the Basis for Qualified Opinion:

- a) We have obtained all the information and explanation which to the best of our knowledge and belief, were necessary for the purpose of our audit and made due verification thereof;
- b) In our opinion, proper books of account as required by law have been kept by the authority so far as it appeared from our examination of those books; and
- c) The Statement of Financial Position and Statement of Profit or Loss and Other Comprehensive Income dealt with by the report are in agreement with the books of accounts.

**Mongla Port Authority (MPA)**

**Notes to the Financial Statements And Significant Accounting Policies Notes**

**For the Year ended 30th June 2025**

**A The Background and Activities of the Authority**

**i) Status of the Authority**

Mongla Port is one of the three sea ports of Bangladesh and is the most eco-friendly port. It is situated on the south western part of the country at the confluence of Possur river and Mongla Nulla approximately 71 Nautical miles upstream of the bay of Bengal. It is located at Lat 21°26.9' N Long 89°34.4' E in the bay of Bengal. The Port is well protected by the largest mangrove forest Sunderbans, which has been declared as "World Heritage" in 1977 by UNESCO. Since 1950, Chalna Port started to function as Government Directorate and in May 1977, the Directorate was converted to an autonomous organization called Chalna Port Authority. The Chalna Port Authority was again renamed as "Mongla Port Authority" on 8th March 1987.

**ii) Address of Registered Office**

The authority has its registered address at Mongla, Bagerhat.

**iii) Principal Activities**

The principal activities of the Authority include overseeing cargo handling operations, managing port facilities, ensuring efficient vessel movement, and maintaining navigational safety within the port area. The Mongla Port Authority plays a pivotal role in facilitating international trade and contributing to Bangladesh's economic growth through efficient port management and modern logistics services.

**B Significant Accounting Policies**

**i) Basis of Preparation and Presentation of Financial Statements**

The Financial Statements have been prepared following in accordance with International Financial Reporting Standards (IFRS) and International Accounting Standards (IAS) as adopted by the Financial Reporting Council (FRC), the Companies Act, 1994, and the Financial Reporting Act, 2015, wherever appropriate the policies are explained in the succeeding notes.

IAS-1	Presentation of Financial Statements
IAS-2	Inventories
IAS-7	Statement of Cash Flows
IAS-8	Accounting Policies, Changes in Accounting Estimates and Errors
IAS-10	Events After the Reporting Period
IAS-12	Income Tax
IAS-16	Property, Plant & Equipment
IFRS-9	Financial Instruments
IFRS-15	Revenue from Contracts with Customers

**ii) Other Regulatory Compliances:**

The authority is also required to comply with the following major laws and regulation in addition to the Companies Act, 1994:

The Income Tax Act, 2023

The Income Tax Rules, 1984  
The Value Added Tax and Supplementary Duty Act, 2012  
The Value Added Tax and Supplementary Duty Rule, 2016  
The Customs Act, 1969  
The Contract Act, 1872  
Bangladesh Labor Act, 2006

**iii) Accounting Period :**

Accounting period of the authority have drawn for the period from 01 July 2024 to 30 June 2025.

**iv) Components of Financial Statements:**

The Financial Statements include the following components as per IAS 1 "Presentation of Financial Statements".

- i) Statement of Financial Position as at June 30, 2025
- ii) Statement of Profit or Loss and Other Comprehensive Income for the year ended June 30, 2025
- iii) Statement of Cash Flows for the year ended June 30, 2025
- iv) Statement of Changes in Equity for the year ended June 30, 2025
- v) Notes to the Financial Position and Significant Accounting Policies

**C Inventory**

Inventories except materials in transit are measured at the lower of cost and net realizable value. The cost of inventories is based on the weighted average method, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of manufactured inventories and work-in-progress, cost includes an appropriate share of production overheads based on normal operation capacity.

Allowance for inventory is periodically recognized mainly on the basis of failure in quality control testing, net realizable value, non compliance testing, near to expiry etc. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

Material in transit represents the cost incurred up to the date of the statement of financial position for the items that were not received but the relative risk has been transferred till to the date of reporting. Inventory losses and abnormal losses are recognized as expenses.

**D Cash Flow Statement**

Cash flows statement is prepared in accordance with IAS-7 "Cash Flow Statement" under which cash flows has been analyzed between operating ,financing & investing activities to show historical changes in cash & cash equivalents of an entity.

**E Accounting Policies, Changes in Accounting Estimates and Errors**

Changes in accounting policies and corrections of errors are generally retrospectively accounted for, whereas changes in accounting estimates are generally accounted for on a prospective basis.

**F Events after the Reporting Period**

Events after the reporting period that provide additional information about the Group's position at the reporting date or those that indicate the going concern assumption is not appropriate are reflected in the financial statements. Events after the reporting period that are not adjusting events are disclosed in the notes when material.

**G Taxation**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to tax payable or receivable in respect of previous years. The amount of current tax payable is the best estimate of the tax amount expected to be paid that reflects uncertainty related to income tax, if any. Current tax assets/liabilities are offset if certain criteria are met. It is measured using tax rates enacted or substantively enacted at the reporting period applying Income Tax Act, 2023. The Applicable tax rate for Mongla Port Authority (MPA) is currently 25% and the minimum tax is @0.6%.

**H Non Current Assets**

**i) Recognition and Measurement:**

Items of property, plant and equipment are measured at cost including revaluation less accumulated depreciation less impairment loss, if any.

Cost includes expenditure that is directly attributable to the acquisition of assets. The cost of self constructed assets includes the cost of material and direct labor, any other costs directly attributable to bringing the assets to a working condition for their intended use, and the costs of dismantling and removing the items and restoring the site on which they are located.

When parts of an items of property, plant and equipment have different usefully lives, they are accounted for as separates items (major components) of property, plant and equipment.

**ii) Depreciation of Fixed Assets:**

The Assets of the Company are stated at cost less accumulated depreciation. Cost includes expenditure directly attributable to the acquisition and installation of the assets. Depreciation on all fixed and floating assets, including plat and equipment has been changed on reducing balancing method considering the economic and technical lives of the same. Depreciation has changed for full year during the period under audit.

**I Foreign Currency Transactions**

Transactions in foreign currencies are translated at the exchange rate prevailing on the date of transactions. Monetary assets and liabilities denominated in foreign currencies are translated at exchange rates prevailing at the date of statement of financial position. Foreign currency differences are generally recognized in the statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of transactions.

**J Related party disclosure**

Related party is considered if the party is related to the company and exerts significant influence over the day to day transaction of the subject gain as per IAS-24.

**K Provision**

Provisions have been recognized when there is a present obligation as a result of past events and settlement is expected to result in an outflow of resources. The amount is measured and recognized and provision at the best estimate of the expenditure required to settle the obligation of balance sheet date as per IAS 37- Provision, Contingent Liabilities & Contingent Assets.

**L Financial Instruments**

Non-derivative financial instruments comprise investments in shares and term deposit, trade receivables, other receivables, intercompany receivables, cash and cash equivalents, trade payables, other payables, intercompany payables, share capital and interest-bearing borrowings.

Trade and other receivables are initially recognized at cost which is the fair value of the consideration given in return. After initial recognition these are carried at cost less impairment losses due to un collectability of any amount so recognized.

**M Share Capital**

Ordinary shares are classified as equity. Incremental cost directly attributable to the issue of ordinary shares are recognized as a deduction from equity, net of any tax effect.

**N Revenue Recognition**

Revenue is measured at the fair value of the consideration received or receivable and represents amount receivable for goods and services provided in the normal course of business. Sales of goods are recognized when goods are delivered and has passed.

In compliance with the requirements of IFRS-15 Revenue from Contracts with Customers, against sales and services are recognized when services are provided to customers, that is, when the significant risk and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable.

Revenue is recognized when the significant risks and rewards of ownership have been transferred to the customers, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing involvement with the goods, and the amount of revenue can be measured reliably. Revenue is measured net of value added tax, trade discount, returns and allowances (if any). In case of cash delivery, revenue is recognized when delivery is made and cash is received by the Company.

**O Leases**

FRS 16 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. A lessee is required to recognize a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments.

**A. MATIN & CO.**  
Chartered Accountants

**P Cash & Cash Equivalents**

Cash & Cash Equivalents includes cash in hand, cash at banks which are held and available for use by the entity without any restriction.

**Q Accrual Basis Accounting**

The Financial Statements of the company have been prepared under the historical cost convention & in compliance with the Bangladesh Financial Reporting Framework & the requirements of the Companies Act, 1994 & other relevant local laws & regulations as applicable.

**R Functional and presentational currency**

These financial statements are presented in Bangladeshi Taka (TK.) currency, which is the entity's functional currency. All financial information presented in Taka has been rounded off to the nearest integer.

**S Measurement Basis and Going Concern**

The Financial statements have been prepared on historical cost convention, accounting for all accruals and pre-payments, on the assumption that the business will function as a going concern in the foreseeable future.

The authority has adequate resources to continue in operation for the foreseeable future. For this reason the management continues to adopt going concern basis in preparing the financial statements. The current resources of the authority provide sufficient fund to meet the present requirements of its existing business.

**T General**

The Figures in the Financial statement have been rounded off in the nearest Taka.

Where considered necessary, previous year phrases and figure have been re-arranged to confirm to the current period's clarification.

### Mongla Port Authority (MPA)

Statement of Ratio Analysis  
For the year ended 30 June 2025

Sl. No.	Particulars	Amount in Taka 30.06.2025	Amount in Taka 30.06.2024
<b>1.00</b>	<b>Liquid Ratio:</b> (Measures the Liquidity position of the MPA)		
(a)	Current Ratio = $\frac{\text{Current Assets}}{\text{Current Liabilities}}$	$\frac{8,181,100,527}{1,470,841,991}$ = 5.56:1	$\frac{6,855,952,011}{1,432,553,511}$ = 4.79:1

The calculated ratio above is much higher than the standard (2:1). Which means that vast amount of assets are remaining idle. MPA may go for suitable investment of such idle fund for improving Financial situation.

(b)	Acid Test Ratio = $\frac{\text{Quick Assets}}{\text{Current Liabilities}}$	$\frac{7,906,769,406}{1,470,841,991}$ = 5.38:1	$\frac{6,576,024,269}{1,432,553,511}$ = 4.59:1
-----	--	---	---

The calculated ratio above is much higher than the standard of 1:1, Which means that vast amount of assets are remaining idle. MPA may go for suitable investment of such idle fund for improving Financial situation.

<b>2.00</b>	<b>Leverage Ratio:</b> (Measures the extent to which the MPA has been financed by debt)		
(a)	Debt. to Total Assets = $\frac{\text{Total Debt.}}{\text{Total Assets}}$	$\frac{1,470,841,991}{15,805,589,814}$ = 0.09:1	$\frac{1,432,553,511}{15,350,235,213}$ = 0.09:1
(b)	Debt. to EBITDA = $\frac{\text{Total Debt.}}{\text{EBITDA}}$	$\frac{1,470,841,991}{1,673,837,829}$ = 0.88:1	$\frac{1,432,553,511}{1,717,795,856}$ = 0.83:1

Debt to EBITDA of 0.88 indicates that MPA is not heavily reliant on debt and has a solid ability to cover its debt obligation with its earnings

<b>3.00</b>	<b>Profitability Ratio:</b> (Measures the Profit earning capacity of the MPA)		
(a)	Cost Recovery Ratio = $\frac{\text{Total Revenue}}{\text{Total Expenses}}$	$\frac{3,471,248,672}{2,816,791,619}$ = 1.23	$\frac{3,486,087,816}{2,735,567,389}$ = 1.27

Cost recovery ratio is 1.23 indicates MPA is financially healthy, covering costs and generating a 24% surplus. This reflects Strong Performance.

(b)	Return on Equity =	Net Income	=	654,457,053	750,520,427
		Total Equity	=	14,334,747,823	13,917,681,702
			=	4.57%	5.39%

The standard Average Ratio is 10% to 15%. The worked out ratio of the MPA is 4.57% which is lower than the standard average. The MPA is trying to reduce expenditure and increase income, towards developing this ratio further.
