To Whom It May Concern

This is to certify that Dr. Abu Saleh Mohammed Sirajum Munir, Son of Mohammed Aminul Haque Miah has been working in the Department of Medicine in this medical college as Associate Professor. Recently he applied for renewal of his passport. His Previous Passport Number BG0029295 in which his name was written as **Dr. Abu Saleh Mohammed Sirajum Munir** and his place of birth was written as **Chadpur**. Actually his correct name will be **Abu Saleh Mohammed Sirajum Munir** and place of birth will be **Chittagong**.

So, I requested the concerned authority to include his correct name and place of birth on his upcoming passport.

I wish his success.
