Dear Sir,

This organization regularly organizes various training courses on project management, office management, human resource management, procurement management, financial management, ICT, etc. to enhance the efficiency of the officers from its inception. In addition, the academy regularly organizes English language proficiency courses in two batches in every year. At present, the country is on the highway of development with the aim of implementing Vision 2021 and Vision 2041, the socio-economic development goals of the country.
