Ministry of Science and Technology
Government of the People's Republic of Bangladesh
respectfully invites you to the

BANGLADESH INNOVATION FAIR 2026

Inaugural Ceremony

12 September 2026 • 10:00 AM

Novotheatre, Dhaka

The Fair marks the beginning of a national journey to build a dynamic platform where innovators, entrepreneurs, researchers, investors, policymakers, and development partners come together to transform ideas and research into impact and enterprise, and to create a nationwide innovation ecosystem.

Mr. Tarique Rahman, MP

Honorable Prime Minister

Government of the People's Republic of Bangladesh
has kindly consented to grace the occasion as Chief Guest.

Your presence will be a valued contribution to this
important national initiative.

Md. Anwar Hossain

Secretary

Ministry of Science and Technology

INNOVATION FAIR 2026

Innovate to Market

Bangladesh Innovation Fair 2026 is an initiative of the Ministry of Science & Technology (MoST) that brings innovators, industry, academia, development partners, and government under one roof to create an Integrated National Innovation Ecosystem (INIE) and transform Bangladesh economy.

This is where you meet the people who can take your innovation further: industry leaders from home and abroad, investors, banks and financial institutions, and government decision-makers. Join for B2B matchmaking, explore green-transition partnerships, and find out what it takes to move your work from a prototype to something people can actually buy and use. That's the whole idea behind **Innovate to Market**.

1 INNOVATION HUB	1000+ INNOVATIONS	15+ SESSIONS & DIALOGUES
50+ PARTICIPATING UNIVERSITIES	100+ INDUSTRY EXPERTS	50+ CORPORATE PARTICIPATION
