

WORLD UNIVERSITY OF BANGLADESH

A university of utilitarian education for economic emancipation
(UGC & Govt. Approved)

DEPARTMENT OF PHARMACY

Secretary

Pharmacy Council of Bangladesh

Subject: New student enrollment

Assalamu-Alaikum.

Hope you are doing well. In the July semester, Department of Pharmacy, World University of Bangladesh, due to a pandemic corona situation has not admitted any new student. Hence if new students are admitted in the January 2021 semester then we will send those students' list along with their necessary papers for pre registration.

With thanks and best regards

Zubair Khalid Labu

Head, Department of Pharmacy

World University of Bangladesh
