Junior Instructor (Non-Tech),
English
Rangpur Polytechnic Institute

- Academic Writing:

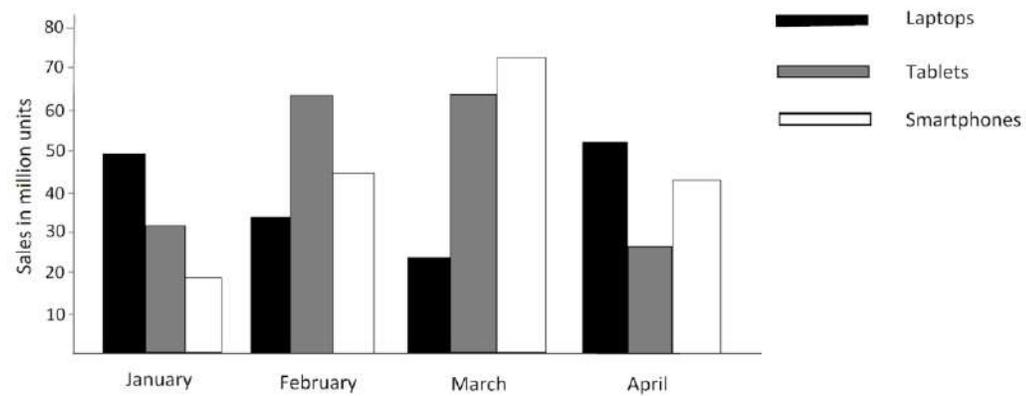

Academic writing is a writing process where you have to describe about facts and your understandings studying a graph or chart or table.

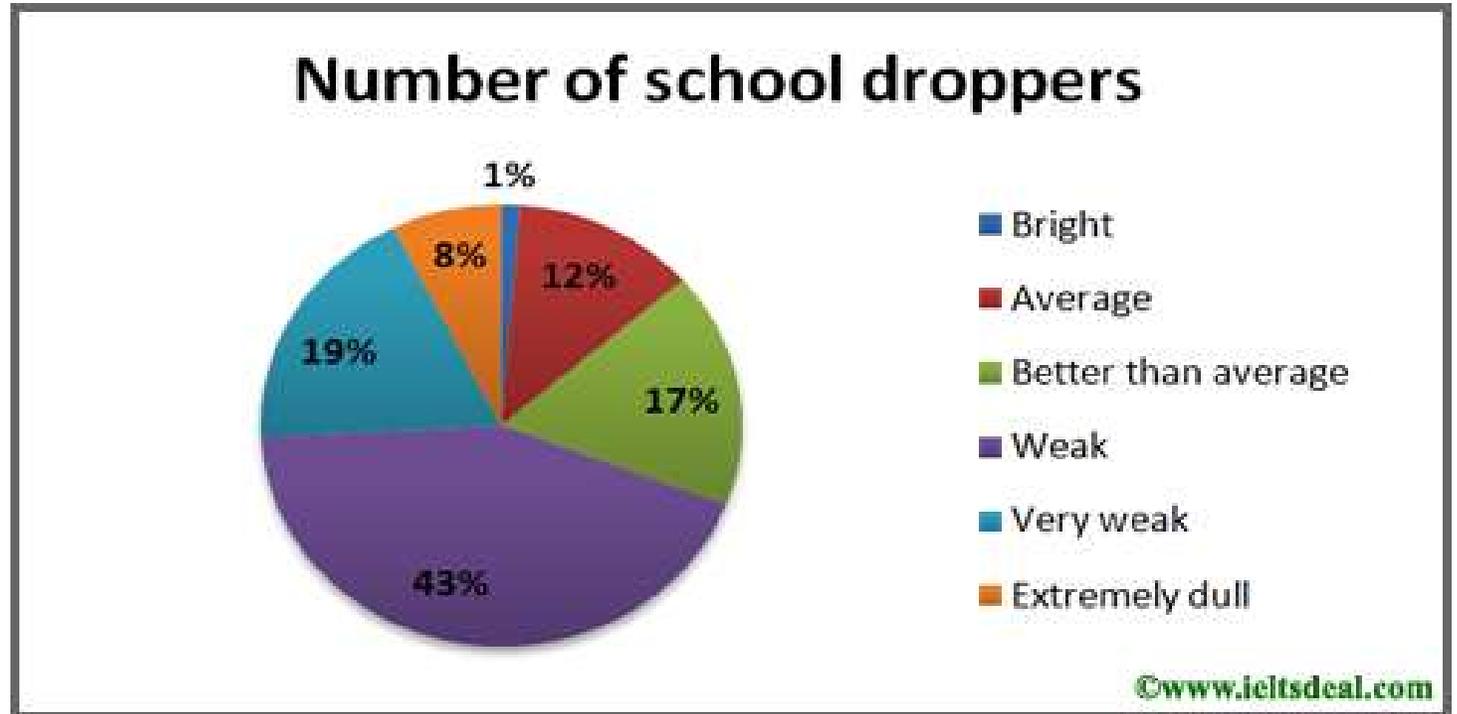

- Here are some examples of Graph & Charts

The Online Sales of Smartphones, Laptops and Tablets in the First Quarter of 2019

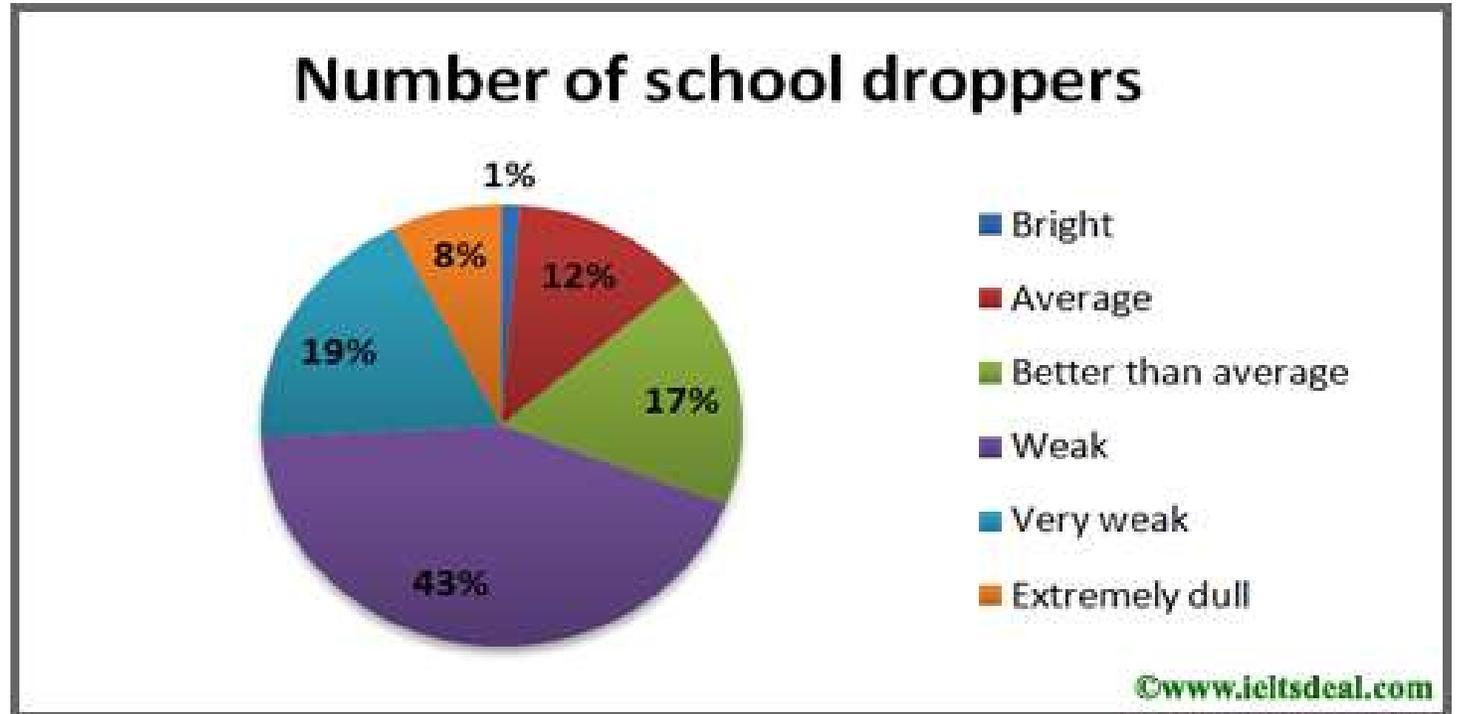

-
- Example:

Describe the following Pie chart.

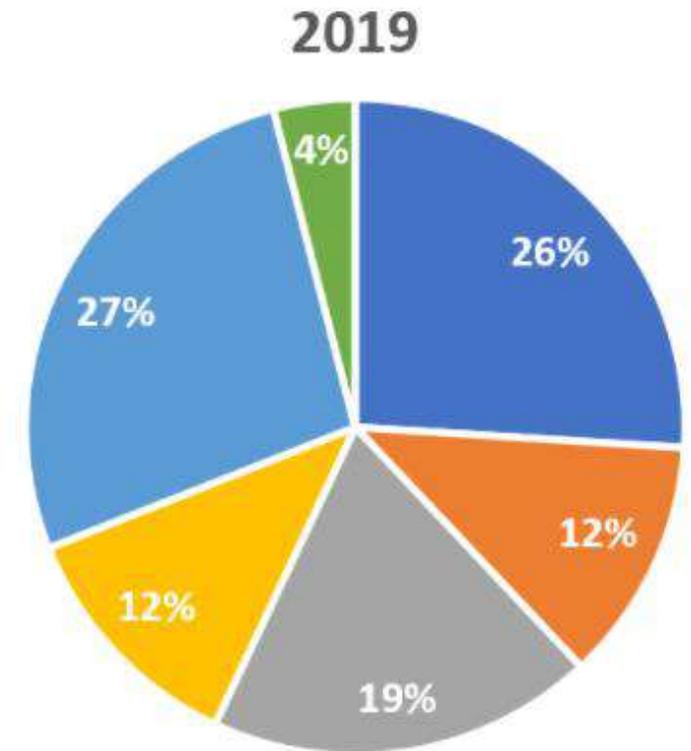

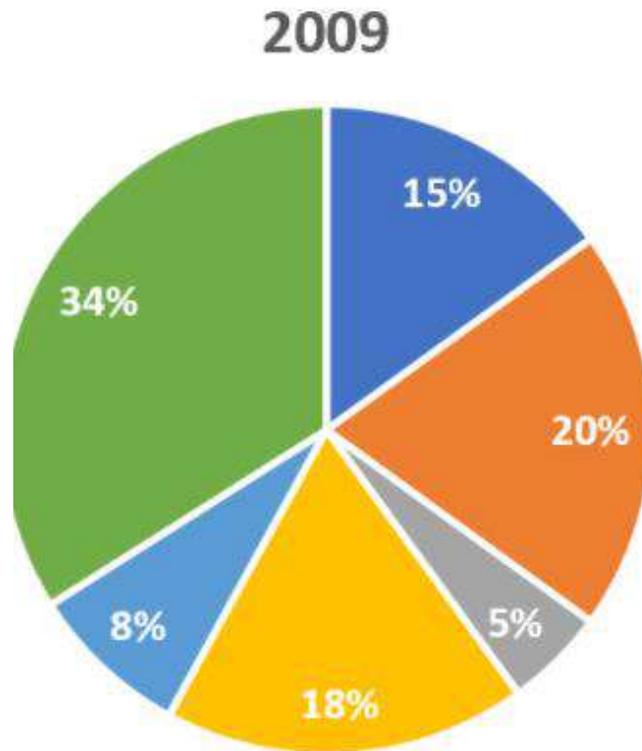

Answer to the question no: ____

In this pie chart some percentages of school droppers have been given. 43% of the weak students drop from schools. 19% of the students who are very weak drop school. Even 17% who are better than average do the same. 12% average students drop too. Among the extremely dulls 8% usually drop from school. Only 1% bright student do this.

Home Work:

Describe the following Pie Charts

■ Mobile phone

■ Laptop

■ Tablet

■ Desktop computer

■ Flat-screen TV

■ Conventional TV
